Her husband, who bears the historic Knickerbocker name of De Peyster, is the son son of Captain Frederick D: Peyster, who age (vide Lawrence's Foot Prints) was a captain in the King's 3rd American regiment, a grantee of Parr Town, and a magistrate for a time in York County, N. B. In 1792 he was at New York engaged in business.'

Parliamentary.

Comparatively little interest seems to be taken, just now, in the regular legislative business of Parliament. In the Commons some work is being done, and a debate on the trade policy, reciprosity is dragging ite slow length along, but the centres of attraction just now are the privileges and election and the public accounts committees. In the former the Tarte-McGreevy investigation pro Bardsley, of Philadelphia, who has been senceeds alo wly; in the latter some queer developments, as to the financial methods followed pay a fine equalling the sum to which he by clerks in some of the departments, have pleaded guilty of stealing, we read: been made and ne one can tell to what extent the enquiries being made may go; it will his crimes is as follows:greatly prolong the session, but perhaps it Stolen state taxes for 1890 would be as well, now that the matter of Stolen school fund crookedness is on hand, to have a thorough Stolen state taxes for 1891 cleaning up. In consequence of enquiries by In the broken Keystone bank the public accounts committee, the Deputy Minister of the Interior, Mr. Burgess, has
