To Those Interested in Fruit  
Growing.

It is often said that the New Brunswick is a  
short time. Why? Because it grows a good keeper  
like the American Baldwin. We have that apple  
in the Weekly which is just as hardy and pro-  
ductive as the New Brunswick, the apple being  
as good if not better than the Baldwin. We  
supply apples for sale and on exhibition at J. H.  
Hall's, where those who want a good apple or  
are interested in fruit growing are cordially in-  
vited to call and see the best apple ever introduced  
into this part of the country.

Dr. Hinkins of Vermont, authority on fruit  
growing says, that fruit growing is profitable six  
hundred miles further north than was supposed  
to be possible before the Weekly was originated.

**Mrs. WISSELOW'S SOUTHERN SYRUP** has been  
used by millions of mothers for their children  
while teething. It has been found to be a  
valuable remedy for all the troubles of  
teething, such as Coughing, Crying, and  
crying with pain of Cutting Teeth and at once  
get a bottle of "Mrs. Wisselow's Southern  
Syrup" for children teething. It will relieve  
the poor little sufferer immediately. Depend  
upon it, mothers, there is no mistake about it.  
It cures Diarrhea, regulates the Stomach and  
Bowels, cures Wind Colic, softens the Gums,  
reduces inflammation, and gives the child a  
good night's sleep. "Mrs. Wisselow's Southern  
Syrup" for children teething is pleasant to  
the taste, and is the prescription of one of  
the oldest and best female physicians and nurses  
in the United States. Price twenty five cents a  
bottle. Sold by all druggists throughout the  
world. Be sure and ask for "Mrs. Wisselow's  
Southern Syrup."

A short time ago an old negro was up  
before Judge Querry of Dawson, charged  
with some trivial offence.

"Haven't you a lawyer old man?" in-  
quired the judge.

"No, sah."

"Can't you get one?"

"No, sah."

"Don't you want me to appoint one  
to defend you?"

"No, sah. I jee, 'tho' I'd leab do case  
to the ign'ance ob de co'rt."

What Am I to Do?

The symptoms of Biliousness are unappetite  
too well known. They differ in different  
individuals to some extent. A Bilious man is  
 seldom a breakfast eater. Too frequently, he  
has an excellent appetite for liquids but none  
for solids of a morning. His tongue will hardly  
bear inspection at any time, if it is not white  
and furred, it is rough, at all events.

The digestive system is wholly out of order and  
Biliousness or Constipation may be a symptom of  
the two may alternate. There are often Hemor-  
rhoids or even loss of blood. There may be big  
diseases and often headache and acidity or flatu-  
lence and tenderness in the pit of the stomach.

To correct all this if not effect a cure try *Green's  
Laxative*. It cures but a trifle and thousands  
attest its efficacy.

Two small boys returned from school  
and complained to their father that the  
schoolmaster had pulled their hair.

"Ah," said the wise parent, "all's soon  
put that to rest; and," and thereupon he  
combed the heads of the boys until there was  
hardly anything to lay hold of.

The next day the schoolmaster pulled the  
ears of the boys. Tom said to Harry, "All't  
father what the schoolmaster's dym."

"Dym?" said Harry, "mebbe he'll  
cut our lugs off!"

**HAVE YOU READ**  
this description of rheumatism and neuralgia?  
"Put your hand in a vice, turn the vice until  
you feel a severe pain, and that's rheumatism;  
turn it a trifle more, and that's neuralgia."  
And still you'll suffer these tortures when for  
35 cents you can buy a bottle of MINARD'S  
LINIMENT and be relieved.

"My friends," began the minister, "the  
collection to-day will be devoted to my  
travelling expenses. I am going away  
for the benefit of my health, and the  
more you contribute the longer I shall  
be able to stay."

Strange to say, though he got the  
largest collection on record for that par-  
ticular church, he wasn't altogether  
happy!

Don't  
let that cold of yours run on. You think it is  
nothing. But it may run on, catch on, Or  
into pneumonia, or Consumption.

Catarrh is disgusting. Pneumonia is dan-  
gerous. Consumption is death itself.

The breathing apparatus must be kept clear of  
all obstructions and offensive matter. Other-  
wise there is trouble.

All the diseases of these parts, head, nose,  
throat, bronchial tubes and lungs, can be de-  
lightfully and entirely cured by the use of  
Boecher's German Syrup. If you don't know  
this already, thousands and thousands of peo-  
ple can tell you. They have been cured by it,  
and "know how it is themselves." Bottle only  
75 cents. Ask any druggist.

"You say your son John went down  
South and started a newspaper?"

"Yes."

"Is he making himself felt in the com-  
munity?"

"You bet he is. He has been tarred  
and feathered twice."

To Consumptives.  
The undersigned having been restored to  
health by simple means, after suffering for  
several years, and having cured others of the  
same disease, is anxious to make known to his  
fellow sufferers the means of cure  
and the fact that he will cheerfully and  
freely (of charge) a copy of the prescription used,  
which they will find a sure cure for Consump-  
tion, Asthma, Catarrh, and all the troubles of  
throat and lung Maladies. He hopes all suffer-  
ers will try his Remedy, as it is invaluable.  
Those desiring the prescription which will not  
cost anything, and may prove a blessing, will  
please address, Rev. Edward A. Wilson, Wil-  
liamsburg, Kings County, New York—17-46

An old farmer said to his sons, "Boys,  
don't you ever spekerate or wait for  
something to turn up. You might just  
as well go and sit down on a stone in the  
middle of a meadow with a pail 'twixt  
your legs and wait for a cow to back up to  
you to be milked."

"Gift Enterprises"  
seem to be all the rage in the Soap Business,  
owing to the idea of some manufacturers of get-  
ting something out of nothing, if possible. Pro-  
ducer get 6 boxes for 5 of some kind, and are  
offered all sorts of "Nick Nacks" with others,  
as an inducement to recommend such soap to  
their trade.

It is a well known fact, however, that a guar-  
antee is the only way of competition pays so  
fancy prices. WELCOME SOAP represents this  
class of goods, and demonstrates the value  
of quality in manufacture, which is the only  
guarantee of a pure and legitimate washing  
quality.

**MISCELLANEOUS.**

He FELT VERY SMALL.—He walked  
in and put down a dollar, that clanked  
like a carriage wheel in the stillness of  
the sanctum. Said he, "I crawled into a  
hole to escape it. The rain made the  
log swell up till I was fastened in  
and nearly squeezed to death. I began  
to think of all my sins and to repent.  
Suddenly I remembered that my repen-  
tance to the paper was not settled up,  
and I felt so small about it that I was  
able to back right out of the log at once."

"Brown, do you know why you are  
like a donkey?" "Like a donkey?"  
echoed Brown, opening wide his eyes.  
"No I don't." "Do you give it up?"  
"I do." "Because your better half is  
stubbornness itself." That's not bad,  
but I'll give the hand of my wife when I  
get home." "Mrs. Brown, he asked as  
he sat down to supper, "do you know  
why I am so much like a donkey?"  
He waited a moment, expecting his wife  
to give it up. She looked at him some-  
what commiseratingly as she answered—  
"I suppose because you were born so."

**Wun Lung.**  
This is the queer name of a Chinese laundry-  
man in Hartford, but he has probably two, the  
most of us. Some crying babies seem to  
have a demon. Long should be sound or the  
voice will have a weekly sound. Dr. Pierce's  
Golden Medical Discovery makes strong lungs,  
cures the cough, restores good blood,  
tonifies the nerves, builds up the human wreck  
and makes "another man" of him. Night-  
sweats, blood spitting, short breath, bronchitis,  
asthma, and all alarming fore-runners of Con-  
sumption, are positively cured by this un-  
approachable remedy. If taken in time, Consump-  
tion itself can be briled.
