Woodstock, N. B., Nov. 5th. To Those Interested in Fruit

Growing. I is often said that the New Brunswick is a splendid apple, none better, but it lasts such a ishort time. Why can't we grow a good keeper like the American Baldwin. We have that apple in the Wealthy which is just as bardy and productive as the New Brunswick, the apple being as good if not better than the Baldwin. Wealthy apples are for sale and on exhibition at G W Stipp's, where those who want a good apple o are interested in fruit growing are cordialy invit-ed to call and see the best apple ever introduced to this part of the country. Dr. Hoskins of Vermont, authority on frui growing says, that fruit growing is profitable six modred miles turther north than was suppposed to be possible before the Wealthy was originated. Yours Truly, F. SHARP.

may not cure "right off" a complaint of years; persist until a cure is effected. As a general rule, improvement follows shortly after beginning the use of this medicine. With many people, the effect is immediately noticeable; but some constitutions are less susceptible to medicinal influences than others, and the curative process may, therefore, in such cases, be less prompt. Perseverance in using this remedy is sure of its reward at last. Sooner or later, the most

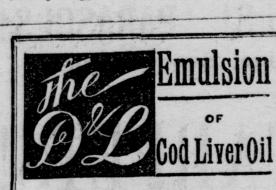

stubborn blood diseases yield to Ayer's Sarsaparilla

"For several years, in the spring months, I used to be troubled with a drowsy, tired feeling, and a dull pain in the small of my back, so bad, at times, as to prevent my being able to walk, the least sudden motion causing me severe distress. Frequently, boils and rashes would break out on various parts of the body. By the advice of friends and my family physician, I began the use of Ayer's Sarsaparilla and continued it till the poison in my blood was thoroughly eradicaed."-L. W. English, Montgomery City, Mo. "My system was all run down; my skin rough and of yellowish hue. I tried various remedies, and while some of them gave me temporary relief, none of them did any permanent good. At last I began to take Ayer's Sarsaparilla, continuing it exclusively for a considerable time, and am pleased

to say that it completely Cured Me.

I presume my liver was very much out of order, and the blood impure in consequence. I feel that I cannot too highly recommend Ayer's Sarsaparilla to any one afflicted as I was."—M. s. N. A. Smith, Glover, Vt. "For years I suffered from scrofula and blood diseases. The doctors' prescriptions and several so-called blood-purifiers being of no avail, I was at last advised by a friend to try Ayer's Sarsaparilla. I did so, and now feel like a new man, being fully restored to health."—C. N. Frink, Decorah, Iowa.
