I find the vouchers numbered in the account as 47 and 48 missing, being payments to R. Scott, Andover, and John Smith, Gordon, $20 each revisor's fees. I would call the attention of the Board to voucher No. 31 as requiring an explanation. On page 286 I find an error in addition of $2 00, and on page 290 an over charge on salary of $16. Making the above corrections, I find the balance on hand to be $519 06.

I have examined the expenditures, found vouchers for all payments, with the exception of three small payments for telegrams, expressage, and stationary and postage. No vouchers are furnished for Jury fees. In two instances the charges disagreed with the vouchers, one an over-charge of 50c. and the other an under-charge of 80c., making a difference in the balance of the account of 30c.—I find the additions correct; the total expenditure being $6,000.70, leaving a balance due the Sec.-Treas. of $10.56. I would call the attention of the Board to voucher No. 177 as requiring explanation. I would recommend that the expenditure in future be classified as it was in 1878, as giving to the public detailed information in an easily understood manner.
