THE EXECUTIVE COMMITTEE.
Waterville, Feb. 2, 1891.

W. C. T. U.

At the annual meeting of the Woodstock W. C. T. U., the following officers were elected for the ensuing year: President, Mrs. McLeod; 1st, 2nd, 3rd Vice, Mrs. J. T. Smith, Mrs. (Rev.) Ross, Mrs C. D. Dickinson. Rec. Sec. Mrs. C. D. Jordan; Cor. Sec., Mrs. W. W. Hay; Treas., Mrs. W. S. Saunders. Supt. of Depts—Evangelistic, Mrs. Burpee; Press, Mrs. S. Watts; White Cross, Mrs. Smith; Purity in Art and Literature, Mrs. Marcy; Work among Lumbermen, Mrs. Fred Moores; Benevolent, Mrs. E. J. Clark; Jail and Prison, Mrs. Saunders; Scientific Temperance Instruction, Mrs. Jordan; Narcotics, Mrs. J. D. Dickinson; Parlor Meetings, Mrs. Hay; Woman's Franchise, Mrs. McLeod.

As we take a retrospective view of the past five years (since our organization) we can truly say, God has been merciful unto us and blessed us and caused His face to shine upon us, and *given us peace*, and as we launch out upon this year we look anxiously forward that it may be fraught with much good work for the Master. The Union prayer meetings held every p. m. during the "week of prayer" were more than usually interesting and of a most impressive character. Our membership is steadily increasing and we will be glad to welcome any one who has a desire to labor "For God and *Home* and Native Land" to our meetings held every Thursday at 3 p. m., Main street; the first Thursday of each month being a "Mother's Meeting," at which, a large number who are not able to attend regularly, nor become members, will, we trust make it possible to meet with us then, thus insuring a blessing to themselves as well as to others.

The Blair Government will have another opportunity to legislate for the abolishment of the L. C. and other Reform measures. In doing so they *will have the support of the Opposition, and the approval of all good citizens.* The diminishing sources of revenues, the impairment of a profitable market for our surplus caused by the McKinley Tariff and other causes all combined, demand something more than stale promises on the part of the Government. The Act relating to municipalities should be amended so as to do away with the clauses relating to property qualification and the payment of taxes on the part of candidates and electors. Chapter 100, C. S, should be amended in the clause relating to assessing the mortgage for *property that he does not own*, or otherwise *assessing the same twice as personal property and Real Estate.* And the Election Act should be amended so as to have *printed ballots* similar to the Dominion to be used in all local and municipal elections with a similar form for voting. The absurdity of our *proceedure in* the matter of selecting juries must be plain to the most stupid observer. Under the present system it lies in the hands of the sheriff to *determine any matter either civil or criminal before it even comes before His Honor.* We believe that a far better way would be for the Council to select the panel and the sheriff simply serve the notices. *similar to the Maine system*

Mrs. George Cox of this place crossed the dark river on the 24th. She had been ailing for over four years and patiently submitted to all the suffering in resignation to the Divine Will. She was a native of Ireland and come to this country in 1850 and resided here ever since. She was an estimable lady, an affectionate mother and kind neighbor, and will be very much missed in the community. The services were attended by the Rev. Leo A. Hoyt of Andover.

Weather mild and travelling excellent.

Our quiet place is made lively during the winter season by the bells of the lumbermens teams About 14 miles from here is the River Nashwaak, where Mr. Alex Gibson, the Lumber king of N B., has parties engaged in cutting lumber for his Mills, at Maryaville, N. B. Some of the largest operators are Mr Robert Aikins, of Fredericton, Mr. James Hallet & Co. and J. & R. Hallet of Millville, York Co. N. B. These parties have a large number of men and teams employed. They have a large amount of lumber yarded and are at present hauling in their yarded lumber. Their supplies of hay, oats, beef, &c, have come from here and the adjoining sections, Windsor, Glassville, Knowlesville and Florenceville. Hay and beef is some what lower in price than last year. Oats ranges from 40 to 45 cts per bus.

Our school, which has been closed during the past year, was opened at the beginning of the present term. It commences with a large enrollment and a percentage for the past month of 84. The school house has been rebuilt, and enlarged. The people of this dist. have worked earnestly and hard to get the building built they now have for school purposes. It will do credit to the place.

We need a Railway through this part very much to carry out the products of the soil, the forest, etc. Railways which in a new country are the pioneers of civilization, have received great impetus of late years in this Province. Yet the need of a road through this section of Carleton Co. cannot be doubted. We hope that the time may not be far distant before our hope may be realized, and we have an artificial river traversing this eastern section of Carleton.

Our mail is brought to us three times per week by our very obliging mail carrier Mr. Wellington Craig of Rockland. H.

Feb. 5, 1891

At the last meeting of Jacksonville Lodge I. O. G. T., the following were elected officers for the ensuing quarter: W. C. Good, Chief Templar; Annie Watson, V. T; John Farley, Sec.; Ida Harding, A. S.; Coun. L. R. Harding, F. S.; Rev B. H. Thomas, Chap; Fred Smith, Treas; Kate Emery, S J. T; Stanley Harper, Mar.; Maggie McLean, D. M.; Lilly Slipp, G; John Harding, Sen.; Annie Broderick, Organist; John Harper, Sr., P. C. T.

Rev Dr. McLeod of Fredericton, occupied the pulpit of the Baptist Church last Sabbath, at 11 a. m., and though the weather was most unfavorable he spoke to a large audience. In the afternoon, the pastor, Rev. B. H. Thomas, delivered a very edifying discourse on Temperance and spoke of the importance of doing everything possible to promote the cause in our land. He was followed by Dr. McLeod, who made some very interesting and appropriate remarks.

The pic and basket social held on Monday evening in Temperance Hall, under the auspices of the Jacksonville Lodge, for the purpose of raising a fund to increase the salary of the C. T. A. Inspector passed off pleasantly. A goodly number were present, and L R. Harding, Esq., acted as auctioneer. The sum of $24.05 was realized from the sale, and handed over to the District Secretary. We hope soon to hear from other lodges

Looking through the SENTINEL I find correspondence from various parishes, but the correspondent from this parish seems to have nothing to say, so I will take the responsibility upon myself to write a few lines.

Business here is quite dull, but then, as you are aware, this is a dull time of year generally.

The farmers are engaged in hauling hay to and loading it upon the cars. One day last week there was shipped from this place some six cars loaded with hay, straw, oats and bark.

David Keswick and Geo. R Burtt are prosecuting the lumber business as usual, but owing to the depth of snow in the woods, some of the men are coming out.

J. T. G Carr of this place, is doing a large business in hauling hay, having shipped to St. John several car loads.

For the encouragement of Sabbath School workers as well as for those who ought to devote more of their time to this work, I may say we have two Sabbath Schools in this little village, both of which have a good attendance and are in a thriving condition.

Mr. Joseph Bleakney occupied the pulpit of the F. C. B. Church, Sunday evening, but owing to the bad roads the audience was small. There was Methodist meeting in Matheson's Hall, Sunday evening, with a good attendance present.

Tuesday evening of each week the Lodge of I. O. G. T., meets in Matheson's Hall, with a membership of 69. I think I am safe in saying it is the second largest lodge in the county, and in other respects second to none. The lodge is in good working order.

We have also a Court of Foresters, a good order, we believe, which is gradually increasing its membership. This lodge meets in Matheson's Hall, on the evening of the 2nd and 4th Mondays of each month.

WASHINGTON, Feb. 2.—Chief Justice Fuller to-day announced that the supreme court decided to grant the petition of the counsel representing the British government for leave to file an application for a writ of prohibition to prevent the district court of Alaska from proceeding to carry out its decree for the future made in the case of the schooner Sayward, libelled for unlawfully taking seals within the waters of Behring sea. The rule requiring the Alaska court to come here to show cause why a writ of prohibition should not issue, was made returnable the second Monday in April.

BRONCHITIS

Is an inflammation of the bronchial tubes—the air-passages leading into the lungs. If other complaints are so prevalent, or call for more prompt and energetic action. As neglect or delay may result seriously, effective remedies should always be at hand. Apply at once a mustard poultice to the upper part of the chest, and, for internal treatment, take frequent doses of

Ayer's Cherry Pectoral

C. O. Lepper, Druggist, Fort Wayne, Ind., writes: "My little sister, four years of age, was so ill from bronchitis that we had almost given up hope of her recovery. Our family physician, a skilful man and of large experience, pronounced it useless to give her any more medicine, saying he had done all it was possible to do, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Pectoral, and I can truly say, with most happy results. After taking a few doses she seemed to breathe easier, and, within a week, was out of danger. We continued giving the Pectoral until satisfied she was entirely well. This indisputable evidence of the great merit of Ayer's Cherry Pectoral has given me unbounded confidence in the preparation, and I recommend it to my customers, knowing it cannot disappoint them."

"Ayer's Cherry Pectoral cured me of a bad cough and my partner of bronchitis. I know of numerous cases in which this preparation has proved very beneficial in families of

Young Children,

so that the medicine is known among them as 'the consoler of the afflicted.'"—Jaime Rufus Vidal, San Cristobel, San Domingo.

"A short time ago, I was taken with a severe attack of bronchitis. The remedies ordinarily used in such cases failed to give me relief. Almost in despair of everything anything to cure me, I bought a bottle of Ayer's Cherry Pectoral, and was helped from the first dose. I had not finished one bottle before the disease left me, and my throat and lungs were as sound as ever."—Geo. B. Hunter, Altoona, Pa.

"IMITATION IS THE SINCEREST FORM OF FLATTERY."

THE best proof that MINARD'S LINIMENT has extraordinary merits, and is in good repute with the public, is THAT IT IS SO EXTENSIVELY IMITATED. These imitations resemble the genuine MINARD'S LINIMENT in appearance only. THEY LACK THE GENERAL EXCELLENCE OF THE GENUINE.

This notice is necessary, as injurious and dangerous imitations, LIABLE TO PRODUCE CHRONIC INFLAMATION OF THE SKIN, are often substituted for MINARD'S LINIMENT because they pay a larger profit. Insist upon having

MINARD'S LINIMENT,

remembering that any substitution by the seller of an article SAID TO BE THE SAME is in his interests. 9ins-1
