## his re-appearance.

It is the one under which we have lived and thrived and to which the government I lead proposes to adhere.

Dr. Colter certainly got a gratifying send off, as preliminary to his campaign. on Monday The convention meeting was large and the representation of the the Liberal party, which has heretofore behind us towers the Majesty of Engas a rule carried the elections in the land. He asks: County.

Occurring on the day it does. we can not of course do justice to the Conservative convention held to ratify the nomination of Major Vince. nor the supplementary exercises in the evening, which added great prestige to that ratification, the addresses of Hon. Geo. E. Foster and Hon. John Costigan. We are quite safe in saying, in anticipation, that those addresses were worthy the reputation the gentlemen named enjoy.

The platform adopted by the Liberal convention here, on Monday, is a terse and vigorously expressed document .--The last paragraph or plauk in the platform is its essence.

Vass, at ali events.

As stated last week the issues are easily defined. Mr. Vince is in favor of the government, the national policy and a fair and honorable measure of reciprocity. Dr. Colter is for a change of government, opposed to the N. P. and favor of unrestricted reciprocity.

So those who want the government and its trade policy sustained, and only desire limited reciprocity with what that P. m. may involve, will vote Vince. Those
