Miscellaneous.

PLEASE ATTEND TO THIS.—Of our \$5.00 a week, it takes \$2.00 to run a newspaper. It has been deemed advisable to ask that all Subscribers in arrears kindly remit at their early convenience. If \$5.00 is not picked up, \$3.00 will be taken every \$5.00 subscriber will now be able to "stump up."

Borus.—Can you lend me ten dollars, Bredun?—Yes. What do you want it for?—Borus—I am going away. Bredun.—To stay?—Borus—Yes, as long as the money lasts. Bredun.—Er—don't you want ten more?—No, Harry, I am sorry, but I am sure that we could not be happy together. You know I always want my own way in everything. But, my dear girl, you could go on waiting for me, you know, after we were married.

What Am I to Do?—The symptoms of Biliousness are unappetizing but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, also, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events. The digestive system is widely out of order and Dizziness or Constipation may be a symptom or the two may alternate. There are often hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity of stomach and tenderness in the pit of the stomach. To correct all this (if not effects cure) Green's August Flower, it costs but a trifle and thousands attest its efficacy.

'And now,' said the country cousin to the Boston girl, 'I have shown you everything on the farm.'—'Oh, George, you didn't do any such thing. Why, I heard papa say, before I had started, that you had a dairy mortgage on it that covered nine-tenths of the ground.'

Don't—let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or into consumption. Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself. The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of chest, throat, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boecher's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it does it." Bottle only 75 cents. Ask any druggist.

Mr. Hardheart.—What uncharitably noise is that?—Violet.—Only my motor, sir. He has the gout and is shrieking with the pain. Mr. Hardheart.—Well, I hope he is satisfied at last. He always wanted to be a howling awwl.

HAVE YOU READ

this description of rheumatism and neuralgia? Put your hand in a wax, turn the wax until you can't bear another turn, and that's rheumatism; give it another turn that's neuralgia. And still you'll suffer the tortures when you can't get a cure. You can buy a bottle of MINARD'S LINIMENT and be relieved.

'I like Sunday School better than any other school,' said Willie. 'I am pleased to hear that, my little man,' said the minister. 'Now, will you tell me why?'—'Yes, sir, it only comes once a week.'

To Consumptives.—The undersigned having been restored to health by simple means, after suffering for several years with a severe lung affection, and that dread disease Consumption, is anxious to make known to his fellow sufferers the means of cure. To those who desire it, he will cheerfully send (free of charge) a copy of the prescription used, which they will find a sure cure for Consumption, ASTHMA, CATARRH BRONCHITIS and all throat and lung troubles. He hopes all sufferers will try his Remedy as it is leaving those desiring the prescription, which will cost them nothing, and may prove a blessing, will please address, Rev. Edward A. Wilson, Wilkesburg, Kings County, New York—17-46

'Ah, friends,' said a good Irish priest to some of his people, who had been mixed up in a fight, 'you should have more toleration!'

'Yis, your reverence,' replied the ring-leader, 'we looked for some, but there was none to be found, and so we used stones.'

'GIFT Enterprises'—seem to be all the rage in the Soap Business, owing to the ideas of some manufacturers of getting something out of nothing, if possible. Grocers get 6 boxes for 6 cts. of some kind, and still you'll suffer the tortures when you can't get a cure. You can buy a bottle of MINARD'S LINIMENT and be relieved.

Benevolent Old Lady.—I wish to leave all of my property to charity.

Lawyer.—Your relatives might contest the will. Why not give the property to charity at once?—Old Lady.—Oh, no; they'd put me in a lunatic asylum!

A Canadian Favorite.—The season of green fruits and summer drinks is the time when the worst forms of cholera morbus, diarrhea, and bowel complaints prevail, as a safeguard Dr. Fowler's Extract of Wild Strawberry should be kept in the house. For 35 years it has been the most reliable remedy.

'Now, dearest Ethel,' said the ardent lover, 'since you have answered 'yes' to my proposal, I presume I shall not be too bold if I ask for a kiss.'—'You want the earth.'—'You mean heaven.'

He got it.

Distrustful People.—Make an exception in favor of Dr. Fowler's Extract of Wild Strawberry. It is known virtues as a cure for diarrhea, dysentery, cholera morbus and all bowel complaints. Those all who use it, but just disease, fever, sore, swellings and tumors; contains no alcohol, and is a medicine without a peer. There is no risk in trying. Your money back if it does not benefit or cure.

The Bird of Wisdom.—An owl is a wise bird. He is not a noisy bird. And said in an inaudible manner to me, 'Ter-hoot! ter-hoot! ter-hoot!'

I asked her, politely, 'You lovely old bird, have you got her feathers and spoke that word?'—That dreary, monotonous 'Who?'—Dr. Fowler's Golden Medical Discovery is a purgative, long, liver and blood remedy, a powerful tonic and alterative, and a reliable stimulant for weak persons; is pleasant for sore-throat, hiccup, indigestion, nervousness, swellings and tumors; contains no alcohol, and is a medicine without a peer. There is no risk in trying. Your money back if it does not benefit or cure.

She.—I don't suppose you are fond of kissing babies?—He.—Not unless they are girl babies about 18 years old.

TO THOSE INTERESTED IN FRUIT Growing.

'It is often said that the New Brunswick is a splendid apple, none better, but it lasts such a short time. Why can't we grow a good keeper like the American Baldwin? We have that apple in the New Brunswick, the apple being as good if not better than the Baldwin. Wealthy apples are for sale and on exhibition at W. Simpson's, where those who want a good apple are interested in fruit growing are cordially invited to call and see the best apple ever introduced to this part of the country.'

Dr. Hoskins of Vermont, authority on fruit growing says, that fruit growing is profitable, and that the fruit grower can make a fortune, and be as comfortable as the wealthy who are born so.

Yours Truly F. SHARP.

Eminent Personage.

May I ask whether you are related to the Mr. Smith whom I met at Venice last year?—Me Smith—I am not Mr. Smith, sir?—Eminent Personage.—Ah, that accounts for the remarkable resemblance!

'Suggest a motto for my new business venture, will you, Miss Agnes?—What is the business?—'A dairy farm.'—Then suppose you take: Leave well alone.'

Lives of others often remind us Married life may be sublime. We trust to be forgiven the parody of lines from Longfellow's immortal "Psalm of Life" that the happiness of the home depends largely on the health of the mistress of the home. Many are the tasks which daily confront her, how can a woman contend against the trials and worries of housekeeping, if she be suffering from those distressing irregularities, ailments and weaknesses peculiar to her sex? Dr. Fowler's Favorite Prescription is a specific for these disorders. The only remedy, sold by druggists, that gives positive guarantee in every case, or money refunded. See printed guarantee on bottle wrapper.

'What is the name of your eldest son?—I don't know.'—'What?'—'He was twins.'

'My, how that breaker roared!' said Jennie on the seashore. 'Yes. That fat man in bathing depended on its undertow,' answered Harry.

Vigilant Care.—Vigilance is necessary against unexpected attacks of summer complaints. No remedy is so well known or so successful in this class of disease as Dr. Fowler's Extract of Wild Strawberry. Keep it in the house as a safeguard.

'I often heard you say you wouldn't marry the best man in the world,' remarked Gazzam to his wife, teasingly. 'Well, I didn't!' snapped Mrs. Gazzam.

Teacher.—In what battle was Stonewall Jackson mortally wounded?—Pupil—I guess it was the last one he fought in.

Far Caper, Muff, Caps, Bats, Storm Collars, lace scarves, latest novelties, lowest prices, at B. B. Manser's.

Briggs.—I did not see you in church last Sunday.

Briggs.—No; I didn't get there until you had gone asleep.

'I remember Johnson's Androsyne Liniment,' said an old man, 'when I was a boy.' Same one.

'Pompey, what makes you so black?'—'Teh de sumo reason dat makes some folks forever talkin' wid der moufs, case I wuz bawn so an' neber outgrowd it.'

'I often prescribe Johnson's Androsyne Liniment for Erysipelas,' said a physician to a friend.

Also, for all their ecstasy. They knew not what was best: The young man reached the front door; The old man did the rest.

Hugh Hay's is headquarters for Opaque Blinds.

He.—Shall we try the triplex or buggy this morning, Laura?—She.—Either, George. I'm yours for wheel or for whos.

Minard's Liniment cures Distemper.

'Miss Bessie,' he faltered, 'do you think you could learn to love me?'—'I—I think I might, Mr. Spoonsmore,' she answered, with downcast eyes, 'if I were taught.'

And the next moment he had her taut.

Their house is happy; joys galore Rejoice 'neath their family dome. I know it, for it never bore A framed "God bless our home."
