The fact, however, that B. B Manzer's. to-night we have before us a bill which will be of great benefit to our County is a matter of much satisfaction to me. I am sorry that the Government has not seen its way clear to include the road on the Eastern side of the river, but I am in hopes before long to be able to secure a subsidy for that line. I need not tell you, Mr. Chairman, that I have heretotore been opposed to what is generally known as a "Lobster Act," sed that my policy has been that roads should be granted subsidies entirely on their merits. I think the leader of the Government, and other members of the administration, will bear me out in the statement that since I have had the honor of first representing the County of Carleton, I have persistently pressed upon them the importance of granting a subsidy to the Wordstock & Centreville road.
