B., And the shadows that o'er its surface glide; And darkness and death enlikened become Attorney.at-Law, Mid those elequent things whose lips are dumb RY PUBLIC, CONVEYANCER, &C ACCOUNTS COLLECTED

SAMUEL & JAMES WATTS,

Poetry.

(For the Carleton Sentinel)

Where the tall trees shadow a gliding stream,

Deeper and further the night shadows creep, Wooing the Earth and her creatures to sleep,

I wander alone, in a thoughtful mood, Seeking the company of solitude.

St. Joseph's, N. B , Oat. 22ad, 1891.

Selegt Tale.

BLINDMAN'S BUFF.

'I hope you will like Jack,' said Gert-

appened to mention Mr. Jack Bonner?

light, talking together as only girls can.

They had met only that very summer at

the hotel. They seemed drawn to each

mer months they had walked together,

rowed together, and talked and talked

together-told each other all their sec

Gertrude was tall, fair, and a beauty

of the delicate type. Jessie was petite and dark, and wonderfully pretty, too. That very afternoon Gertrude had re-

ceived a note from Jack Bonner telling

She knew what he meant : he had just

eturned from a year at a German un-

iversity and she had finished school.

They had been lovers for years, and now

he was coming to make a formal an-

nouncment to her father-then they

would really be engaged For some reason she had never told Jessie about him

as she had about all the other young

to Jessie. They were not formally be

trothed, but, of course, Jack loved he

and she loved him, to desperation by her coquettish ways. And now she wanted

her new friend to admire Jack, too.

After a long pause Jessie said:

'Oh you wait until you see him.'

he would be there to-morrow.

were together. Jack asked:

Did she deserve it?

Gertrude, darling'-

consciousness.

chafing her hands.

Some one picked her up, and in spite

She struggled to free herself from

of a sudden, sharp pain in her ankle, she heard the well-known voice saying :

'Gertrude, darling, are you hurt?'

hing about Jessie! She is beautiful.'

The next afternoon the girls were sit-

ting together under a big elm tree behind

the hotel, when they saw a tall, hand-

some, sun-burned man striding along to-

'Oh, Jack!' cried Gertrude, springing

toward him. Then she presented him

men. She hardly knew just what to say

rets, and sworn eternal friendship.

her he was coming to see her.

ade to her dear friend, Jessie Parks.

'Jack? Who is Jack?'

has just come to night.' 'She had been keeping that as a sur-prise for you. My darling he added. Winning my steps to the narrow stream's side To watch by its brinks the oceanward tide : 'I have been so wretched, for every day the joke grew more and more serious, until I wondered how I was ever to see you to explain.

'And you really love me?' she faintly He covered his face with kisses, then

added, softly: 'You know I owe you a little punishment in return for all the wretched days and weeks you have given Woodstock to select from. 'But I did not mean anything,' she

protested.

'Neither did I,' he replied. Ireland Before the Flood.

"The history of Ireland, according to ng down over her waste paper basket as Casar. This lady was a niece of Noah if looking for something she had thrown and when the Ark was being built she in by mistake, 'Jack is-Jack,' and she and her father applied to be admitted inaughed a little. 'Harriet, haven't I to the company which was to go into it. The request was refused by Noah, and You know you haven't,' pouted Jessie. the lady then applied for advice to her to build an ark The two girls were sitting in the twiior herself, which she did according the pattern of Noah's, aud entered it a long with her husband Fiontan, two other men, Ladhra and Bith, and their wives, and fifty beautiful girls. The party arrived in Ireland on Sunday, the 15th day of the moon, and forty days be fore the flood-a short period to embrace which is narrated of them. The females were divided between the three men and they each took possession of certain districts. Ladhra died first, being the first person who died in Ireland, and giving the name of Ard-Ladhra to the place when he died. His wives were divided between the two surviving males. Bith died next, and his wives returned to the Lady Cæsar and her husband. Fiontan. however, found himself unable to satisfy the expectations of his seragh thus in creased, and fled and concealed homself in Leinster. His wife then removed to place in Connacht, called Cæsar's Wood where she died of a broken heart six days before the flood. The remainder of the party were drowned by the flood excep fiontan, who, according to some account survived till the eighth century, when he gave to St. Finnan an account of the history of Ireland up to that time, and appeared before the monarch of Ireland

'Is he handsome? and who is he anyaccompanied by six companies of his descendants. There exists in the Book of Ballimote a poem attributed to bim 'Do you want me to fall in love with giving the earlier history of Ireland, and another account makes him pass through Gertrude started with a jealous pang various transmigrations. Eochy O' How could Jessie so misunderstand Of course she did not want Jessie to fal century, and Dr. Keating, writing in love with Jack-at least she did not want Jack to fall in love with Jessie, but she couldn't explain it very well Jessie would see after Jack came-and

Debates on the Stump.

The custom of debates upon the stump between opposing political candidates has never become common in this part of the country, nor is it likely to become so. The reason is that a man who is an He entertained them all the afternoon with stories of his university life, his orator and used to public speaking, or TROUS OXIDE GAS used for travels abroad and his journey home. Who has ready humor and plenty of as-Hertrude sat listening, and she re-| surance, has an immense advantage of membered afterward that Jessie asked one whose views may be sound and who him a good many questions, and that he would make a much better public officer, seemed attracted by her instantly.

Gertrude had never seen her look so handsome. She sat listening to Jack, in New York, for instance, the candidlooking at him through her half-shut ates would be very unequally matched eves, over which her long, dark lashes upon the stump.

A quick wit, a talent for ridicule, the That night, when Jack and Gertrude sympathetic power of putting an audience in good humor and raising a laugh 'Why haven't you ever told me auy- against an opponent, easily influence a crowd, and give the advantage of a pub-Because I wanted you both to be sur- lie discussion to the speaker who possprised—to like each other.' she rather esses such gifts. A platform discussion After that Jessie and Jack were together a great deal, and Gertrude was
nowerless At first it seemed to her powerless. At first it seemed to her argument is very much less effective up-a breach of friendship that Jessie should on such an occasion than the skill and try to steal away her lover. Yet there charm of the advocate. Indeed, the was no reason why Jessie should know chief service of the platform in a politappeal to party spirit, and to secure As the days went on Jessie seemed astonished at Gertrude's petulence. She used to refuse to go with them their with facts and appealing to reason, is walks, and began to smile with such made less upon the hearer than the read-

sweetness upon a young man at the er, Webster and Seward affected a hotel who had been sighing his soul a-way for her that his head was quite tion as great men and leaders, but much esser men "carried the crowd. Only a week had gone by when Gert-rude had seen enough to be convinced take for a party to encourage public dethat Jack had fallen in love with Jessie. bates unless it was as sure of the quality She had never realized how much she of its speaker as of the soundness of the loved him before. And she thought views which they would advocate. The with remorse how she used to pain him intellectual work of a campaign is done among the millions of readers at home, One night she was sitting all alone in not among the few hundred hearers at a the summer house when she saw by the meeting. Of course the speakers adbright moonlight Jessie and Jack going dress these millions also in the reports towards the lake. How many times of their speeches. But the immediate they had been together, she thought. effect at a meeting is produced by the Why had this punishment come to her? cleverest speaker, not by the most intelligent, able, judicious man. Wanted in business to-day—each feature is as good as the next. A whole page most timely illustrates 'A Group of Pretty Dolls,' and tells how to make them; 'New Ideas For Church Sociables' will interest theusands of church women; Max O'Rell's wife is sketched in the capital series of 'Unknown Wives of Well-Known Men,' while Rachel Sherman, opens the new series of 'Clever Daughters of Clever Men'; Palmer Cox's A cab horse a few days ago ran away; it struck into a by street off the Boulevards and came into collision with a brougham, in which a lady and gentleman were seated, both of whom were injured. The name of the gentleman, a functionary, was given in the journals, surrounded with all the sympathies. The gentleman's wife at once drove to the hospital to nurse her husband, and there learned that his lady friend was his mistress, who had an establishment and "Brownies' are irrestatible in there fun; Ella Wheeler Wilcox tells of 'Mistakee We Make With Men'; Dr. Talmage has a whole page on Thanksgiving, and, likewise, has Marie Parloa: 'Mise Franch, of the State Department' is an excellent etory by Mary Bradley, as is also another short there is no end to the good things in this, by far the best number of the Journal ever made. Ten cents is the price of this number, or One dellar a year subscription price. The Curtis Publishing Company, Philadelphia.

A New York paper has the following seneible remarks spent the naming of the baby

recently born to Mrs. Cleveland:-What ear splitting cries we hear daily in the streets of every large city! But these itimerant dealers who hawk their wares about are, when daughter. Ruth is all that a feminine name Mrs. Oleveland is to be congratulated on under restrictions, a useful portion of the com-munity, and not such nuisances as the caterrh It means "Beauty," and what more appropmunity, and not such nuisances as the datarra hawkers. This is a stubborn disease to conquer, but Dr. Sage's Catarra Ramedy does it. It is mild, soothing and antiseptic, unlike snuffs that irritate, or solutions that burn. It corrects offensive breath, and restores taste, smell and hearing. Nasal catarra often ends in consumption. Apply the only ours in time. Price 50 cents, by all druggists.

It is a good, old fashioned name—one that carvers of the refined and dignified simplicity

tion. Apply the only cure in time. Price 50 cents, by all druggists.

An old man was buried the other day at St. Crepin, France, but was dux up soon after, as one of the bearers said he thought he heard a movement in the coffin. The old man was found to have moved his hands, and he was soon restored to consciousness and life. easily be perverted and spoiled. The coun-Mr. R. L. Allan, of Ottawa, writes; "Having been troubled with weakness of the lungs and general debility the past two years, I concluded to give Puttner's Emulsion a fair trial. I have "Mollies" whose rightful name is Mary, taken seven bottles, and find my health much taken seven bottles, and find my health much improved, my lungs stronger, my weight in-oreased twelve pounds."

"Mollies" whose rightful name is Mary, and the whole broad of "Lotties" and "Dollies" and "Nannies" and their like. Is will be hard to make a nickname of Rath

It is estimated that nearly 2,000,000 nil-
