"I have used Ayer's Hair Vigor for some time and it has worked wonders for me. I was troubled with dandruff and was rapidly becoming bald; but since using the Vigor my head is perfectly clear of dandruff, the hair has ceased coming out, and I now have a good growth, of the same color as when I was a young woman. I can heartily recommend any one suffering from dandruff or loss of hair to use Ayer's Hair Vigor as a dressing."—Mrs. Lydia O. Moody, East "Some time ago my wife's hair began to

### come out quite freely. Ayer's Hair Vigor not only prevented my wife from becoming bald, but it also caused an entirely new

growth of hair. I am ready to certify to this statement before a justice of the peace."—
H. Hulsebus, Lewisburgh, Iowa.

"Some years ago, after a severe attack of brain fever, my hair all came out. I used such preparations for restoring it as my physicians ordered, but failed to produce a growth of hair. I then tried, successively, several articles recommended by druggists, and all alike fell short of accomplishing the desired result. The last remedy I applied was Ayer's Hair Vigor, which brought a growth of hair in a few weeks. I think I used eight bottles in two years; more than was necessary as a restorative, but I liked it as a dressing, and have continued to use it for that purpose. I believe Ayer's Hair Vigor possesses virtues far above those

C. O. Lepper, Druggist, Fort Wayne, Ind., writes: "My little sister, four years of age, was so ill from bronchitis that we had almost given up hope of her recovery. Our family physician, a skilful man and of large experience, pronounced it useless to give her any more medicine, saying he had done all it was possible to do, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Pectoral, and I can truly and, within a week, was out of danger. We continued giving the Pectoral until satisfied she was entirely well.
