### Wonders

Vigor in restoring gray hair to its original color, promoting a new growth, preventing the hair from falling, keeping it soft, silky, and abundant, and the scalp sool, healthy, and free from dandruff or humors. The universal testimony is that this preparation has no equal as a dressing, and is, therefore, indispensable to every wellfurnished toilet.

"I have used Ayer's Hair Vigor for some time and it has worked wonders for me. I was troubled with dandruff and was rapidly becoming bald; but since using the Vigor my head is perfectly clear of dandruff, the hair has ceased coming out, and I now have a good growth, of the same color as when I was a young woman. I can heartily recommend any one suffering from dandruff or loss of hair to use Ayer's Hair Vigor as a dressing." - Mrs. Lydia O. Moody, East "Some time ago my wife's hair began to come out quite freely.

growth of hair. I am ready to certify to this statement before a justice of the peace."—
H. Hulsebus, Lewisburgh, Iowa. "Some years ago, after a severe attack of brain fever, my hair all came out. I used such preparations for restoring it as my physicians ordered, but failed to produce a growth of hair. I then tried, successively, several articles recommended by druggists, and all alike fell short of accomplishing th desired result. The last remedy I applied was Ayer's Hair Vigor, which brought a growth of hair in a few weeks. I think I used eight bottles in two years; more than was necessary as a restorative, but I liked it as a dressing, and have continued to use it for that purpose. I believe Ayer's Hair Vigor possesses virtues far above those of any similar preparation now on the market."

What Am I to Do? The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not whit and furred, it is rough, at all events. The digestive system is wholly out of order and Diarrhos or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even less of blood. There may be gid-diness and often headsche and scidity or flatu-

lence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it costs but a trifle and thousnds attest its efficacy 'Can you change a \$20 bill for me' he asked, with an important air that net-
