**Ho—You know, darling, that I am**

**not very rich, so if we are married we**

**must live as cheaply as possible. Can**

**you be economical?**

**She—I should think, Harold, I had**

**shown you that already.**

**Ho—Shown me—how?**

**She—Why haven't I saved money for**

**papa by sitting in the same chair with**

**you every night you have been here for**

**the last year?**

**Bulkins was very pious, very fond of**

**the ladies and very bald on the back of**

**his head. The other evening he was**

**calling on a girl, and was giving her con-**

**siderable church talk.**

**"A Miss Mary," he said, "we are**

**satisfied over very carefully. Even the**

**airs of our head are numbered."**

**"Yes, Mr. Bulkins," she replied, "but**

**one of the back numbers of your ap-**

**pear to be missing."**

**The young man had been telling the**

**lady quite a lot about himself.**

**"You remind me," she said, "of a story**

**I once read."**

**"What was it, may I ask?"**

**"O, I don't remember the story at all,**

**she exclaimed artlessly; "but I remem-**

**ber it didn't have any moral to it."**

**What Am I To Do?**

**The symptoms of Biliousness are unhappy**

**to most people. They differ in different**

**individuals to some extent. A bilious man is**

**seldom a breakfast eater. Too frequently, alas,**

**he has an excellent appetite for liquids but none**

**for solids of a morning. His tongue will hardly**

**be as clean as a mirror. He will hardly be**

**in bed at any time; if it is not white**

**and furred, it is rough, at all events.**

**The digestive system is wholly out of order and**

**Diarrhoea or Constipation may be a symptom or**

**the two may alternate. There are often Hemor-**

**roids or even loss of blood. There may be giddi-**

**ness and often headache and acidity or flatu-**

**lence and tenderness in the pit of the stomach.**

**To correct all this it is not enough to cure Green's**

**Stomach Pills, it costs but a trifle and thou-**

**sands attest its efficacy.**

**And Sally—Goodness me! How can**

**the President be so extravagant with the**

**people's money?**

**Uncle Reuben—What's the matter,**

**mother?**

**Aunt Sally—Only think of keeping**

**those pesky friends on government pres-**

**erves.**
