Sunday School Column.

Wakefield Parish S. S. Convention. The 21st session of the Wakefield Parish S. Convention was held in the Baprist Church Jacksonville, on Tuesday the 21-June. The weather was very wet and upt v orable, and the attendance was much smalle than had been anticipated; several of the schools of the parish were not represented. The session began with a devotional service, at the close of which the work of the session was entered into, President J. Connolly

summer, 12 were kept open all winter—only one school in the parish not evergreen; and that recently that school had again been re-organized, and that a new school had been or anized at Upper Water—in the Parish last of the winter—only one school in the parish not evergreen; and that a new school had been or anized at Upper Water—in the discussion on districted day. Set ganized at Upper Waterville, leaving only four places in the parish unprovided with S. S. privileges viz, Central and Lower Wake-field, Hartford and Oakville. The schoole that were represented were re-

Jacksonville Baptist in a written report as

To the President, Officers and Members of Wakefield Parish & S. Convention:-The Jacksonville Baptist Sunday School, un-der the superintendency of Mr. Frank A. Good, proposal covering the entire ground; and for the past year, reports good interest in the work and a steady increase in membership. Last December, this school met with an irreparable loss by the death of our much respected and honored superintendent, Robert Hannah. This school has been in session every Sunday the President and Mr. Charles Wilson. This school has been in session every Sunday during the year, the total membership being upwards of 60, having a daily average attendance of 40, including the six officers and teachers who are generally found at their posts, and upon whose faithfulness much of our success depends. About one half of the membership consists of advartis Shaw, assisted by his amiable and advartis Shaw, assisted by his amiable and adults and these, by their presence, do much to encourage the young in the study of the word.

Fraternally submitted,

J. FARLEY. James Simonson: officers and teachers 9;

c That when used simply as a reference, tittle or no objections could reasonably be urged against the use of lesson helps in the

On motion the place for holding the next session of the Convention, (Oct. 18) was left with the Executive Committee to arrange for. The evening session was opened with a devotional service conduced by Rev. C. Comben. After which the President took the chair and the work of the session was resum

Excellent addresses were dilivered by Rav

B II. Thomas, on "The Book we Study," and by Rev. C. Comben on "Faithful Bible S udy essential to Spiritual Life."

A local choir, led by Miss Minnie Watson at the organ, interspersed the work of the evening session with several very finely rendered selections from Gospel songs.

The collection amounted to \$1 14

Although the attendance was much smaller than had been hoped for the work of the cur-

than had been hoped for, the work of the corvention was interesting and profitable, and well repaid those whose thorough interest in Sunday School work made them so regardless of the inclement state of the weather as to in duce them to attend. A few came from quite

a distance and we trust they carried away from the Convention hearts aflame with the

Haying Tools,

The above Convention met in the Hemphill School District school house, on Tuesday the 5th. at 3 p.m., Mr. William Lamont, in the chair. The school house had been beautifully decorated with evergreens for the occasion, by Mr. Home's pupils, and was well filled by a deeply interested audience. After praise, and prayer by Rev J. Home, Mr. Lamont, in a short but forcible address, declared the Convention op ened, and called on Mr. Hiram Biggar, Secretary, for the usual minutes, The minutes were read, and on the motion of Mr. Home, who paid a high compliment to Mr. Biggar for the remarks. You have worked hard. Yes sir, I came here for work, I have seen service. I have travelled those were kept, were approved of and sustained.
