G. Gloger, Druggist, Watertown, Wis. This is the opinion of a man who keeps a drug store, sells all medicines, comes in direct contact with the patients and their families, and knows better than anyone else how remedies sell, and what true merit they have. He hears of all the failures and successes, and can therefore judge: "I know of no medicine for Coughs, Sore Throat, or Hoarseness that had done such effective work in my

family as Boschee's Sore Throat, German Syrup. Last winter a lady called Hoarseness, at my store, who was suffering from a very severe cold. She could hardly talk, and I told her about German Syrup and that a few doses would give relief; but she had no confidence in patent medicines. I told her to take
