Capt. Lawlor, of Chelsea, Mass., arrived at St. John, on Sanday, in the tipy vess-I which he proposes to navigate across the Atlantic. It is an acme folding canvas boat. It is 12 feet over all. 10 1 2 feet keel, 4 feet beam, 14 inches de-p amidship, with flat bottom. She is constructed on scientific principles, and will be unsinkable and uncapsizable, or. in other words, she will not remain bottom up.

The judgment of the Privy Council, re the Maritime Bank case, establishes th fact of the priority of the province over ordinary bank creditors. Whether by inference their lordships have dealt with the position of the province as against note holders does not appear. But the judgment sustains the contention generally that the Lieutenant Governor directly represents the queen. This is a triumph for the provincialists.

The House of Commons, on Monday in committee on the railway resolution passed the subsidies to the Tobique Valley railway, Bouctouche and Moncton, Restigouche and Victoria, Woodstock and Centreville, and Sr. John Valley and River du Loup.

sion took place on the proposed subsidy morning, the former to attend the meeting of to the Temiscousta Rulway company for Presbytery, St. John, and the latter to visit twelve miles of road. Mr Lurier moved that the resolution

May 25th, 1892.—3mos-22. A small deer made its appearance i

the pasture of T. A. Dalling, Richmond. the other day, and sported round among the animals grazing there for some time. by calling at the residence of Frank Foster, Maia One cow that had recently been deprived St., Woodstock of her calf, acted as though she thought Woodsteck, July 6th, 1892 -1 ins-pd-28, the deer was her lost offspring and made many pathetic attempts to win it to her

Yarmouth, N. S. was again afflicted by fire on the 1st inst. The fire started indeed the most pleasing episode of his entire ministry thus to find that his course had been Manufacturing Company's establishment, such as to win the commendation of the citi which it totally destroyed and with it zone at large. He wanted the people of George Allen's cooperage and steam Nellie Bucon-Hitkins Woodstock to know how fully be appreciated barrel factory; the Chute Organ comtheir act, and would ask the SENTINEL to se pany's factory; the Crosby mill; Crawley's boat shop and steam planing mill and some seven or eight residences. Loss placed at about \$50,000; insurance less

Two young men belonging to Cannan, ADMINSTON. - were drowned by the upsetting of a boat in which they were attempting to cross the Aroostook river, some six miles below Presque Isle, on Sunday last. Their bodies were recovered and brought to their homes. Canuan and interred on Account of Wakefield Parish S. S. Wednesday morning. The unexpected death of these two fine young men and their double funeral, especially following so soon the sudden death of Michael

his bed, some weeks previous, has thrown a pall of gloom over that whole settlement Interesting missionary meetings were held in the Albert St. Baptist church The picnic in Kilpstrick's grove, last week. Mrs. Martell, Provincial Secretary of the W. B. M. U., met with Celeb ation. mises to be a pleasant affair for all who the delegates from all the Societies of Carleton, Victoria and Madawaska counties,, and organized a county convention. At the afternoon session, which opened at 2.30, very interesting reports were given by the delegates, representing the different Societies, and the county Secretary gave a cheering report of her work. In the evening a public meeting was Rev. B. H. Thomas, Mrs. A. D. Hartley, amounted to \$5 00.
