Miscellaneous.

The soul of a rajah, who had been released from the cares of this world and an uncongenial wife, presented himself at the gates of Paradise. 'Have you been in Purgatory yet?' demanded Brahma. 'No; but I have been married.' 'Enter then—it is the same thing.' At this moment another soul arrived, who begged Brahma to allow him also to enter. 'Softly, softly—have you been in Purgatory yet?' 'No; but neither has that other fellow—he died the same day I did.' 'Very true, but he had been married.' 'Married, indeed! Why, I have been married three times.' 'Away, then, to the lower regions,' said Brahma, sternly; 'Paradise is not made for imbeciles.'

Visitor (to the office boy)—Please ask the editor if he is too busy to see me?

Office boy (a moment later)—Yes. He says he is too busy.

Visitor—Very well, tell him that I will call again next year. I wanted to pay my subscription.

May—Why didn't you remain Mollie Rusher's bow?

Madge—She's too old fashioned to suit my taste. Why, she actually sent me a note last week with a green 2 cent stamp on the envelope.

Wiggsy—Do you believe that Washington never told a lie?

Biggsy—Well, I don't know; if he didn't he never went fishing.

He was warned against the women—
She was warned against the man,
And if that won't make a weddin.'
W'y, they's nothin' else that can.

It Leads the Leaders.

The foremost medicine of the day, Burdock Blood Bitters, is a purely vegetable compound possessing perfect regulating powers over all the organs of the system and controlling their secretions. It so purifies the blood that it cures all blood humors and diseases from a common pimple to the worst scrofulous sore, and this combined with its unrivalled regulating, cleansing and purifying influence on the secretions of the liver, kidneys, bowels and skin, render it unequalled as a cure for all diseases of the skin From one to two bottles will cure boils, pimples, blotches, nettle rash, scurf, tetter, and all the simple forms of skin disease From two to four bottles will cure salt rheum or eczema, shingles, erysipelas, ulcers, abscesses, running sores, and all skin eruptions. It is noticeable that sufferers from skin diseases are nearly always aggravated by intolerable itching, but this quickly subsides on the removal of the disease by B B B. Passing on to graver yet prevalent diseases such as scrofulous swellings, humors and scrofula, we have undoubted proof that from three to six bottles used internally and by outward application (diluted if the skin is broken) to the affected parts, will effect a cure. The great mission of B B B. is to regulate the liver, kidneys, bowels and blood, to correct acidity and wrong action of the stomach and to open the sluiceways of the system to carry off all clogged and impure secretions, allowing nature thus to aid recovery and remove without fail bad blood, liver complaint, biliousness, dyspepsia, sick headache, dropsy, rheumatism, and every species of disease arising from disorder of the liver, kidneys, bowels, stomach and blood.

We guarantee every bottle of B B B. Should any person be dissatisfied after using the *first* bottle we will refund the money on application, personally or by letter. We will also be glad to send testimonials and information proving the effects of B. B B. in the above-named diseases on application to T. MILBURN & Co., Toronto, Ont.

'I want my money back,' said the square jawed woman. 'This stuff ain't what it's cracked up to be, by a heap.'

'No?' ventured the druggist.

'No, indeed. Dosen't it say on the bottle that 'three applications to the hair will covert the most pronounced brunette into a charming blonde?'

'I guess it does.'

'Well; it didn't work with me. I'm blonde enough but I don't seem to charm for a cent. He's gone and married that snug nose I widder on Central avenue.'

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be gid diness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

HOW SHE WAS CURED.—Mamie—Oh, George, I feel so faint! What is good for fainting, George?

George (excitedly)—Now you've got me!

Mamie—Oh, I am so glad to hear you say so, dear George! I feel better already.

For Over Fifty Years.

Gentlemen,—In driving over the mountains I took a severe cold which settled in my back and kidneys, causing me many sleepless nights of pain. The first application of MINARD'S LINIMENT so relieved me that I fell into a deep sleep and complete recovery shortly followed.

Enraged Contributor—Your proof-reader made nonsense out of that article of mine this morning, sir—outrageous nonsense, sir!

Editor—By George, I couldn't make anything out of it at all! I'll raise that fellow's wages.

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

'Jennie,' said the young woman fiercely. 'I'm never going to have anything to do with another church fair.' 'Why not.' 'All the young men are over at the dining table betting on who will get the oyster. Isn't it scandalous?'

To Those Interested in Fruit Growing.

IT is often said that the New Brunswick is a splendid apple, none better, but it lasts such a short time Why can't we grow a good keeper like the American Baldwin. We have that apple in the Wealthy which is just as hardy and productive as the New Brunswick, the apple being as good if not better than the Baldwin. Wealthy apples are for sale and on exhibition at G W. Sipp's, where those who want a good apple or are interested in fruit growing are cordially invited to call and see the best apple ever introduced to this part of the country.

Dr. Hoskins of Vermont, authority on fruit growing says, that fruit growing is profitable six hundred miles further north than was supposed to be possible before the Wealthy was originated.

Secure a Free Homestead of 160 Acres,

And give you facts regarding successful Farmers that will surprise you.

The Canada Northwest has the most productive soil in the world. Its wheat fetches the highest price; its live cattle are admitted to the English markets, while United States cattle are not. There is a market for the farmer at every station; and there are schools and churches wherever there are settlers. It is not subject to drought nor floods, to grasshoppers or to cyclones or tornadoes. Ask any Canadian Pacific Railway agent for books and maps concerning it; ask for "Farming and Ranching in Western Canada," or the "Free Farms" map, or "Actual Experience," and read the testimony of men who have come there from Eastern Canada. Young women are in great demand; they find occupation as domestics directly they arrive, and readily get married to prosperous young farmers. Young men or young women can start life the colonist without money They make the money there; an independence is gained in a very few years by the thrifty.

The old settlers of New Brunswick should use their influence with the young men who intend emigrating to keep them within the Dominion, where they are offered better advantages than in the United States and do not lose their nationality.

Lose no time in getting to the West and choosing your location. First come, first served.

A WILD GOOSE CHASE.—Chappie (faintly)—'Doctah, may-aw-head feels awful! Does grip evah go to the brain?

Doctor—Sometimes.'

Chappie—'I have pains rushin' around all ovah, in me arms and hands, and feet and everywhere.'

Doctor—'That's grip.'

Chappie—'What's it trying to do, doctah?'

Doctor—'Trying to find your brain, I guess.'

Oh, What a Cough.

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask yourself if you can afford for the sake of saving 50c, to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. For lame back, side or chest use Shiloh's Porous Plaster. Sold by Chas A. McKeen.

BOTH WAYS.—'And so you are going to be married?' 'Yes; and I am so happy! I love Charles with my whole heart.' 'Has he any property?' 'Yes, I believe so. And as he isn't very well, I have permitted him to make a will in my favour.' 'Very good in him, I'm sure. But you have some property of your own. Have you willed that to Charles?' 'What a ridiculous idea! Of course not; but I've arranged it so that he can't get hold of it.'

Gallant Rufus Choate.

On a pretty girl saying to Rufus Choate, "I am very *sad you see,*" he replied, "O, no; you belong to the old Jewish sect; you are very *fair-I-see!*"

Nothing adds so much to the beauty of a fair girl, as a clear, bright, healthy complexion, and to secure this pure blood is indispensable. So many of the so-called blood-purifiers sold to improve a rough, pimply, muddy skin, only drive the scrofulous humors from the surface to some internal vital organ, and disease and death is the inevitable result. On the contrary, Dr. Pierce's Golden Medical Discovery strikes directly at the root of the evil, by driving the impurities entirely out of the system, and with a fresh stream of pure blood flowing through the veins, nothing but the softest and fairest of complexions can result.

'Johnny has fallen down and covered himself with dirt and broken his thumb.

'I noticed a sign on Fulton street yesterday; Kids cleaned and repaired.' Better take him there.'

Shiloh's Consumption Cure.

This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cure the worst cases of Cough, Croup and Bronchitis, while its wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a cough we earnestly ask you to try it. Price 10c, 50. and $1. If your lungs are sore, chest, or back lame, use Shiloh's Porous Plaster. Sold by Chas. A. McKeen.

What do you think of a man who will, at the table, tell the Lord he is thankful for the things before him, but as soon as he says 'Amen' will begin storming about the cooking?

THE "Myrtle Navy" brand of smoking tobacco has stood the test for over twenty years, and during that time it has lost no friends and gained scores of thousands. This lengthened experience shows that it is no mere passing fashion which has gained it the approval of the public, but its superiority in the essential qualities which makes a first class tobacco.

Gus De Smith—Ah, Miss Bride, I weally fear I fatigue you.

Birdie McGinnis—I would not be so rude, Mr. DeSmith, as to contradict you.
