The Legislative Council in the past has undoubtedly done some good. At one time its membership embraced many men of great intellectual force and of wide and cultivated intellectual force and of wide and cul experience. But it became sadly deteriorated were A. Mcl. Beveridge, of Little Falle; Fred and unwisdom was as reasonably to be looked for, in its deliberations and conclusions, as Huntington. The out of town guests in-

sult is apparent and that is that the respon- to their new home at La. Crosse, Wis. sibility resting on the Government and As Howorth's Hibernica, sembly is largely added to. For careless

Could not restrain their emotions strengled to death. Dr. T. J. O. Earle held Indenture of Mortgage, bearing date the twenty As they gazed on the silent pail, strengled to death. Dr. T. J. O. Earle held fourth dath of Montgage, out by date the twenty-sn inquest on Monday, and the verdict was returned in accordance with the facts.— Globe, A. L. LAW, And felt that one had departed Bills introduced in the assembly for mere popular effect must then be determined upon their metits, as members can no longer air themselves as anxious servants of the public only mindful of the public will and wants and then bring influence to bear on another branch to "kill the bill." The one branch must be careful and wise as to the perfecting of all legislation. These lessons will be prectically learned by legis fators and laid to heart and the electors will, it may be hoped learn, also, the importance of sending as representative men. The one branch must be determined upon that was frequently evoked The "Two Dans." were so cleverly made up that it was very diff-oult to distinguish them spart. The songs and jigs were especially good and were entuination. The one branch must be careful and wise lessons will be prectically learned by legis-fators and laid to heart and the electors will, it may be hoped learn, also, the importance of sending as representative men.
