Good resolves the beginning of a new year generally inspires; and among such non common Christianity, than the resolve that, while getting all of real good out of our ourso fortunately situated.

New Governor.

mion Privy Council having arrived with the dedimus and commission; Judge Tack administered the cath coath of office. The ceremony took place at the Governor's residence as unifortunately he was too ill to go to the Countil to go to the Coun At Fredericton, on last Friday, Hon. John

Mr. Fraser is a native of Northumberland County and is 64 years old, Admitted t the bar in 1852 he was made a Q O. in 1873. He was in politics from 1865 to 1882 when he was appointed a Judge of the Supreme last week. Court in place of Judge Duff, deceased. He represented York in the Assembly from '65 as an anti confederate to the overthrow defeated. In 1871 he was appointed to th Legislative Council and made president the Executive. In '72 he resigned and ac cepted the office of Provincial Secretary in the King government, being elected for York days with his parents at Newcastle by acclamation. On the retirement of Hon. Mr. King, Mr. Fraser became Attorney General and leader of the government; in '82 he resigned and ran for York, a gandidate for the House of Commons, but was defeated and, as before stated, was appointed a Judge.

wife, a daughter of the late Judge Fieber.

An Interesting Case. before the Courts in St. John, for some days A Mrs. Bradshaw, of Hampton, is seeking to Connel recover from the Baptist body property valued at some \$80,000, bequeathed to it at lege, Sickville, is spending her vacation at held services on the public streets about his death by the claimant's late husband. Mrs. Bradsbaw claims that, when she mar ried in 1877, it was understood that she should share equally with the other heirs to the property, but that soon after her mar riage, her husband, unduly influenced by certain clergymen, made a will giving the bulk of his property to the Baptists.

Teachers' Institute.

The Congress of teachers, held here last week, composed of bright, intelligent and cultured ladies and gentlemen, who are devoting themselves to that most honorable and important tack the training of the young, must have a tendency to exalt the profession as well as contribute to greater uniformity and thoroughness in their methods of work. Al are learners and such intercourse and consul tation as the meetings of the Institute afford

While our teachers were met in deliberation bere, similar gatherings were being held in several counties of the province and t general result must be good.
