WILD CHERRY BALSAM.

A'Favorite and Most Valuable Remedy for the CURE of COUGHS, COLDS, CROUP, HOARSENESS, BRONCHITIS, INFLUENZA

OR ANY FORM OF THROAT If Afflicted, Try It. It Will Cure You. Malcolm McLean, of Kensington, P. E. I., writes the following:

For five years I suffered from severe Chronic Brenchitis, for which the doctors and numerous patent medicines failed to give relief. My physicians and friends advised a change of climate as my only hope. HAWKER'S BALSAM OF TOLU AND WILD CHERRY was recommended to me, and I am happy to say that I was entirely cured before I had used two large bottles. I consider it to be truly a wonderful medicine, and cheer fully recommend it to all so afflicted. For Sale by all Druggists and General Dealers.

Long and Terrible Illness from Blood Poisoning

Completely Cured by Hood's Sarsaparilla. Mrs. Mary E. O'Fallon, a very intelligent lady of Piqua, Ohio, was poisoned while assisting physicians at an autopsy 5 years ago, and soon terrible ulcers broke out on her head, arms, tongue and throat. Her hair all came out. She weighed but 78 lbs., and saw no prospect of help. At last she began to take Hood's Sarsaparilla and at once improved; could soon get out of bed and walk. She says: "I became perfectly cured by

Hood's Sarsaparilla and am now a well woman. I weigh 128 lbs. eat well and do the work for a large family. My case seems a wonderful recovery and iysichus look at me in astonishment, a most like one raised from the dead." HOOD'S PILLS should be in every family

but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try.
