That little cottage, the very farthest side, and the snow was falling, whirling, that could be seen standing lonely and driving in the gathering darkness. Lizzie used to wonder afterward was her destination, and it was a good whether she sat there hours or only a few minutes It seemed to be black 'The snaw'll keep aff for awhile yet,' night all at once. To venture out into she thought, and if I shouldne win hame the maze of blinding drift would be sfore dark mither'll hae the lamp lit in worse than madness. She crept out of the winds, an I'll no feel lauesome.' | the shelter through deep snow and feel-There is no place in the world more ing for the wall strained over it with a solitary than those mountain glens in vague, desperate hope of seeing her the dead of winter, but this girl was not mother's light. Darkness unbroken! vas only one other dwelling. That was

was only one other dwelling. That was a cozy enough building of gray stone, with a tidy bit of ground about it, just where the moorland road began to slope apward and became a hill track. Luzzie Lowden had long ago made up her mind hat she would take the other side of the moor rather than pass close by the door of Allan (Frant, the gamekeeper. There are the fall around for the storm or crouch down beneath the scauty roof beside the body of Allan (Frant.

She sobbed once or twice helplessly.

What would her father and mother do without her? Then, when she had groped her way back, she knelt down in her wet clothes and said some words of the storm or crouch down beneath the scauty roof beside the body of Allan (Frant.) of Allan Grant, the gamekeeper. There ised to be two brothers at Moorfoot—Allao, the gamekeeper, and Sandie, the younger, a shepherd. Now there was but one, for Sandie, the blythest lad an darkness, but hardly any feeling of horror the brawest in a' the glen,' 'the dainty seemed to touch her now. It was the hiel' of the 'auld folk,' and the 'secret pitiful thought of that other man that me' in more than one maiden's heart, filled her mind—the man she loved deep under the black ice on Loch Effeck. Disappeared suddenly and strangely, This was where all her fears and hopes had ended. This was the reason he had there seemed little mystery in it after not met her by the Queen's well that all. Sandie had too much push and April night. She always knew he had spirit some said, to remain long what he not played her false, whatever others

was—a shepherd in a quiet glen. He might think. had been heard to say that he would be 'aff' some fine day, and they would need to find anither to dance 'Chillie Callum' What would it matter? Only one could at the gathering in summer and sing a judge him now. Oh, to think that she, choly eyes, around the house and over the well known track, and all Allan said came and went, and always the snow was that Sandie 'hadna cam' hame last fell, and the dead man lay within touch night, and as his money has gone too, of her hand. It was strange, but the he supposed he was spending it some-where.' feeling of almost unreasoning hate and horror which she had felt in regard to him 'An nae wonder, he was fair sick o' seemed to have melted away. the likes of him.' was the commonest

Then the cold took hold of her, and comment when his words were reported, that awful numb feeling, chilling blood for the elder brother was a favorite.
