Mr. Gladstone on Drunkenness. The temperance question has not hitherto been the burning question in England that it has been on this continent, so far as politics are concerned, and socially it has been far less condemned. Of late years, however, there has been a vast change in this respect and now temperance, if not prohibition, is a live seue at nearly all times and on all occasion The other day Mr. Gladstone referred to the national vice of England, in his speech at Liverpool, and made an appeal to the people that has attracted great attention. GENTS:—I have been a sufferer for several years with LIVER COMPLAINT and DYSPEPSIA, NERVOUSNESS, SLEEPLESSNESS, and PILES. I have tried Physicians, and many so-called cures, but obtained no relief until I tried your MEDICINES. I have now taken 6 bottles SKODA'S DISCOVERY. 6 boxes LITTLE TABLETS, and feel like a new man. much better than I have like a new man, much better than I have been for years. I am satisfied that a con-tinued use of

SKODA'S REMEDIES, will COMPLETELY CURE me. I have much pleasure in recommending these REMEDIES to suffering humanity, as SUPERIOR MEDICINES.

Very truly yours, GEO. REDDEN. SKODA DISCOVERY CO., WOLFVILLE, N. S.
