Miscellaneous.

Teacher—You say, Jimmie, that your father bought a horse for $300 and sold him for $250; now, how much did he lose?

Jimmie—About $600.

'Why, Jimmie, I'm surprised. There isn't another scholar in the class who would not have given a correct answer.

'There ain't one of them what knows anything about it. The horse kicked a $100 setter to death. He smashed a new buggy and the maker didn't know it. He broke pap's leg and cracked two ribs for our Jersey cow. Now let your other smarties figure that out and see what they get.'

'Gentlemen,' said the sheriff, putting his head into the jury room, 'if there is no chance of your agreeing immediately on a verdict, the judge will step out to lunch.'

'Tell his honor he may go to lunch said the foreman.'

'I was about to add,' continued the sheriff, 'that the circus comes into town at 2 o'clock, and its twenty minutes to 2, now.'

'H'm!' said the foreman, 'tell the judge to hold on half a minute.'

Beware of trying to deceive children. How often must parents be taught this lesson?

'Why, mamma, you've got a gray hair in your bang!'

'Yes, dear. That came because you were so naughty yesterday.'

'Oh, mamma, what a naughty little girl you must have been to grandma! All her hairs are gray.'

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

'Well,' said Mrs. Bruggins, after a solo by a fashionable church choir tenor, 'if that isn't the ruddest thing I ever saw!' 'What?' inquired her niece. 'Why, didn't you notice it? Just as soon as that young man began to sing every other member of the choir stopped; but he went right through with it, and I must say that I admire his spunk.'

Edward Linlef, of St. Peters, C. B, says:—"That his horse was badly torn by a pitchfork. One bottle of MINARD'S LINIMENT cured him."

Livery Stable men all over the Dominion tell our agents that they would not be without MINARD'S LINIMENT for twice the cost.

'I don't think it's very good advice to give a boy to count twenty before he gets mad and hits another boy for hitting him,' said Abner. 'I tried it to day at school when Willie Anderson hit me, and before I'd got to three he hit me again. Then I began all over again, and just as I got to six he gave me another under the ear.'

'You should count by 10s, my boy,' said Abner's father.

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Mrs. Gushington—Oh! what a lovely, lovely picture! so true so—

Our Artist—Wait a bit, Mrs. Gushington—it's wrong side up—let me put it right first!—

Mrs. Gushington (unabashed)—Oh! Oh! Oh! why, that way it's even more lovely still!

Biliousness Cured.

GENTLEMEN,—I have used Burdock Blood Bitters for biliousness and find it the best remedy for this complaint. I used several other remedies but they all failed to do me any good. However, it required only two bottles of B.B.B. to cure me completely, and I can recommend it to all.

Yours truly,
WM. ROBINSON, Wallacesburg.

'Married life has its thorns as well as its roses,' she sighed.

'Yes dear,' he said, putting his arm about her tenderly, 'and it isn't fair that I should have the rose and you the thorn.'

Then she kissed him and a fragrance of June filled the house.

How to get a "Sunlight" Picture.

'Dear father, we are all well and happy. The baby has grown ever so much and has a great deal more sense than he used to have. Hoping the same of you, I remain your daughter Molly.'

Severe Abscess Cured.

DEAR SIRS,—I had an abscess just behind my right ear, in August, 1891. After suffering for three months, I began to take B.B.B., and after one month's use of it I was very much better, and the abscess entirely disappeared in four months. I am certain that Burdock Blood Bitters is an excellent remedy.

She—One that wont fit any other girl's finger.

Minard's Liniment Cures Distemper.

BY SPECIAL APPOINTMENT, SOAP MAKERS TO HER MAJESTY THE QUEEN

If you wish your Linen to be White as Snow, Sunlight Soap will do it.

Why,

Because SUNLIGHT SOAP is perfectly pure, and contains no injurious Chemicals to injure either your clothes or your hands. Greatest care is exercised in its manufacture, and its quality is so appreciated by the public that it has the Largest Sale of any Soap in the World.

How

Can you test this? If you have never tried SUNLIGHT SOAP, ask those who use it what they think of it, then try it for yourself. The result will please you, and your clothes will be washed in far less time, with Less Labour, Greater Comfort, and will be whiter than they have ever been before, when you used ordinary soap.

Is That

not the best way to decide the matter? First by enquiring what the experience is of those who already use it. Secondly, by a fair trial yourself. You are not committed in any way to use the soap; all we ask is: Don't Delay, try it the next washing day.

The little 5 year old had strolled into the church and seen the swell wedding. She was telling her mother about it afterward. The bride had been handsomely attired and wore a tulle veil, but the child was ignorant of tulle and exclaimed: "She was covered with mosquito nettin'."

'Indeed!' said the mother, much amused.

"Yes," said the youngster with unconscious humor, "but I didn't see any flies on her."

'I have been reading about the new railway at Jerusalem,' said Mrs. Snaggs to her husband. 'Isn't it strange?'

'Very,' replied Mr. Snaggs.

'Well, are you, at least, sorry for what you have done?'

'Certainly; the chair was as good as new.'

The Summer Death-Hate.

The greatest evidence of the dangers of Cholera Morbus, Diarrhea and Dysentery, is the increase in the death rate of all the leading cities during the summer months. Men and women can not be too careful of their habits of life during the heated term, and particular attention should be paid to the diet of children. A supply of PERRY DAVIS' PAIN KILLER should always be at hand, for it is the only medicine that can be relied on at all times as safe, sure and speedy. A teaspoonful will cure any ordinary case; but in severe attacks it is occasionally necessary to bathe the sufferer's stomach with the PAIN KILLER. All reputable druggists have it for sale. 25c price per large bottle.

AWFUL HEADACHES.

2 YEARS OF SUFFERING.

LIFE A TORTURE.

Kendrick Outhouse, of Tiverton, N. S., says: For several years I suffered from severe attacks of biliousness, which came on periodically, about every ten days. I had *awful headaches*, and the smell of anything cooking turned me sick. I became *weak and nervous*, and had no ambition or strength to work. I passed *many sleepless nights*, and for days could not retain food on my stomach. I suffered intensely with piles and hives, and my life was a *constant torture* to me. I became so weak that my friends *gave up all hopes* of my recovery. My brother brought me a bottle of

HAWKER'S
NERVE AND STOMACH TONIC,
and a box of
HAWKER'S LIVER PILLS.

I had not taken them long before I commenced to improve and in a short time I was *completely cured*. I grew strong and *vigorous*, my appetite returned, I *slept well* and in a few months had *gained 30 pounds* in weight. I have not suffered from piles or biliousness since, now 2 years, and am as *strong* and *hearty* as any man could wish to be. I firmly believe that

Saved My Life.

I hereby certify the above statement is correct in every particular.
