The marriage of the Dekcof Vork (Prince George of Wales) and Funces Widorstraw Mary of Feek took place at noon to day in the Ohapel Royal, St. James Palace. The wed in part in the first part of Patients of the highest nobility. The weather was beautiful, a more epincidid say being solidour seen in London. The consecutors was made one of national rejlicing and may members of the British glora weep in London. The consecutors was the control of the Patients of the Control of ment and the ceremony eclipsed in pomp and splendor any recent state ceremonial in conmeetion with the British court. The royal party left Buckingham Palace in four processions, each procession being accompanied by a Life Guards escort. The Queen rod in the handsome glass coach used at the op ening of parliament and on other special oc casions. The cheering as the royal carriage drove forward was immense.

The chapel was beautifully adorned with palms and flowers from the royal concervatories. The procession, including royal family and royal gueste, quickly came in eight and the members were conducted to their seats The Queen's procession, which included the Duchess of Teck and Grand Duke of Hesse, came next. During the progress of the bridener's March from "Lobengrin."

her mother on the occasion of her own martoilets of white satin and silver lace. The bridesmaide' gowne were made with low bodices and neither hats, wreaths nor viels were worn, only a simple rose in the hair. The brideemaids were the Pricesses Victoria and Mand of Wales, Princesses Alexandra and Beatrice of Edinburgh, Princesses Margaret and Victoria Patricis of Connaught, Princess Victoria of Schleswig Holetein, and Princess not?
