What The Monetary Times IS A high class paper devoted to the interests of the Coon Coats, Corsican primate map of Canada. The oldesk, most reliable, most widely read, most enterprising business man's weekly in the Dominion.

A Journal that has stood the test of twenty-seven years, and one that has always kept abreast of the times: What The Monetary Times is NOT

It is not a journal devoted exclusively to the Dry Goods trade, the George trade, the Hardware trade, the Leather trade, Benking, Insurance. or any one of these branches, but one which deals with them all and a great many more as occasion demands. Each bears a relation to the other. It therefore follows that if you read The Monetary Times each week you will be a well inform ed man, for it is only that kind of business man who is best equipped to at ain success in these days of striving after the lighty dollar. Asthma and Bronchitis Cured.

HALIFAX, N. S. C. E. PUTTNER, Esq., PH. M.: SIR,—I consider it my duty, not only to your-self, but to my fellow creatures who are suffering self, but to my fellow creatures who are suffering from Asthma and Bronchitis, as I had for some time previous to using your "EMULSION OF COD LIVER OIL with Hypophosphites," to give my testimony to the most wonderful good effect it had. Having suffered for some time with Asthma and Bronchitis, accompanied with great nervous exhaustion, and having carefully read your Essay on the combination and uses of your EMULSION, I may persuaded to give it a trial, and on using two was persuaded to give it a trial, and on using two bottles I began to receive great benefit and relief and after using three bottles I was completely revived and am to-day perfectly free from either Asthma or Bronchitis, and my nervous system much invigorated and built up. I have found it very pleasant and palatable, and with no taste of oil whatever, and can with great confidence recommend it to those suffering as I did previous

Heard as He Writes.

We have had sent us from Ottawa the August No. of Hoard's Dairyman, of Fort Askin son, Wis., which periodical has a deservedly high reputation am mg farmers and dairymen. It bears evidence of the potent personality in a presperous state. of its editor, W. D. Hard

The number now before us contains corres pondence from Mr. Hoard, dated at Frederie on and points in N.v. Scotia. The Fred ericion letter was written just after the conwife, and all others whom it may con- ference at that city. In his correspondence, as in his speeches, a sample of which latter we have already favored our readers with, Mr. Hoard exhibits a flattering appreciation of the province, its resources and its people. His peculiar interest is, of course, dairying; on Saturday the twenty-seventh day of October in this work he is engaged hears and soul. His advice and his impressions are worthy of consideration. Treating of a trip on the St.

as a sense of greater prosperity. There were but few herds of cows to be seen. The New A pleasing event occurred on the event. Brunswick farmers grow large crops of hay and sell the same in Southern and Esstern markets. Did they but pursue the wiser course of selling the hay to large herde of cows, their country would at once take on additional fertility, profit and beauty.

Again he writes :-Both cheese and butter making have taken setrong start in New Brunswick since Prof. Robertson established several cheese factories and creameries in various portions two years

It is a worthy and beautiful sight, full of gracious promise, when a woman like her. possessed of Lath, fortune and position of the nighest character, identifies herself with the world's workers. Some of the shoddy snobs

of real aristocracy. And he concludes the correspondence thus: "Our impression concerning the future pos-Provinces is simply this: Everything is especially favorable to the production of butter

Mrs William Speer, who have a sole to be around again.

Times are very quiet here pecially favorable to the production of butter and cheese of the very finest quality, providing the farmers will do their part. As yet but little attention has been paid to earnest, skilful improvement of coelitairs. skilful improvement of quality in cows. The Mr and Mrs E Swan, of Lo average of August milk in butter fat is too visiting relatives in this place. tow for good profit. There needs to be more attention paid to breeding, to the production of a dairy cow for dairy business, and also to the science of dairy feeding and more skilled dairy handling. This will soon come

in dairying, will do the work completely for Eastern Canada." DIAMOND DYES Have Established a Wonder-

ful fame. AIR: Red, White and Blue. O, dyes, used from ocean to ocean.
Ye Diamond Dyes, pure, fast and true ?
No wonder that famale devotion
And first thoughts are centered in you.
Ye bring, to each home, joy and pleasure,
And many a dollar ye save;
To every good housewife a treasure,
A friend, a companion and slave.

A friend, a companion and slave,
A friend, a companion and slave,
Diamond Dyes bring to all joy and pleasure,
And many a dollar they save.

Dismond Dyes always ready for duty,
Working merrily, never forlorn;
Ye restore to brightness and beauty
Each garment soiled, taded and worn.
Throughout this extended Dominion,
All people have heard of your name,
And critics are all of opinion
That ye are entitled to fame.

All people have heard of your name, All people have heard of your rame, Diamond Dyes in this fair, young Dominion, Have established a wonderful tame.

Upper Woodstock Items Our roads have recently been well repaired by the liberal application of gravel under the careful direction of our capable supervisor, Mr. Randolph Good. Mesare. Walter Trecartin and Wm. McCluskey have done most of the work, and a good job is the result. The excellence of the mais road through this district is in marked Ladies' Astrachan Jackets and Gents
Fur Coats in abundance. All
Sizes and Prices.

Rumor hath it that Mr. Henderson's furniture Rumor hath it that Mr. Henderson's furniture factory is about to be purchased by parties here or removed to Woodstock. If the alternative has to be decided upon it is to be hoped that the purchase will be made, for it would be a serious toss to have this thriving industry removed—Our leading business men should make every reasonable effort to have the factory remain here, and the intending purchasers should be encouraged to go ahead with the enterprise. Mr. Thos. Ivory is building a good sized house to replace his mother's old one. He is ably assisted in the carpenter work by Mesers. F. W. and Thos. Britton. Signs of improvement of this kind in the village from time to time are

Mr. Humbolt Sharp is receiving congratula-tions on an interesting family event. It is a
