WOOL AND RUTS.

How hard it is to get out of a Rut, Our strongest reason for doing as we do, is often

"Because We Always Have."

If you raise wool, or work in wool at home, we wish to say a few plain words, while you give your attention. You pay for carding wool into rolls, six cents. You hire some one to spin at 25c a day. They do two pounds, this cost you 12½ cents a pound, then you board them, it is worth 25c. a day, making the spinning cost 25 cents per pound, *besides the carding, 6 cents.* Now we do all this for *nine* cents at the factory. Are you in that rut, we wish to help you out.

REMEMBER!

W. Woollen Mill is a saver of labor to the wives and daughters, as the mowing, raking and pitching machine save labor of husband and boys.

We are taking wool at cash price in exchange for Cloth, Yarn, Blankets, Flannel, Horse Blankets and Woollen goods.

Miscellaneous.

The humorist, Bill Nye, does not often get into a religious paper, but the Wesleyan gives him room this week for the following paragraph: 'A man may use a wart on the back of his neck for a collar button; ride on the back coach of a railroad train to save the interest of his money till the conductor comes around; stop his watch nights to save the wear and tear; leave his 'i' or 't without a dot or cross to save ink; pasture his mother's grave to save corn, but a man of this kind is a gentleman and a scholar compared to a fellow who will take a newspaper two or three years, and when asked to pay for it, puts it in the office and has it marked 'refused.'

'Harold, my boy,' exclaimed the proud, indulgent father, 'I'm glad to see you! How you have grown!'

The blood mounted to the pale, intellectual brow of the young man who had just returned from college, and his voice trembled.

'Father,' he said, with deep feeling, 'your handshake is 25 years behind the style!'

Don't

let that cold of yours run on. You think it is a light thing But it may run into catarrh Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

So you and Miss M'Tavish are now one,' Donald—That's what I thought when the minister married us, but now I find we are ten.'

Duncan—What do you mean, Donald?'

Donald—I just mean that she is one, and I am nae thing.

Jones—Who is that big man they've just carried by on a stretcher?

Wones—Oh, that was Herr Redblood, the Anarchist, who in his speech last night offered to lead the mob till the streets ran with blood to his waist.

Jones—What's the matter with him now?

Wones—A mouse ran up his trousers leg and he fainted dead away.

"Gift Enterprises"

Seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing* if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sort of 'Nick Nacks' with others, as an inducement to recommend such Soaps to the trade

It is a well-known fact, however, that a genuine article in this day of competition pays no fancy profits WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Bates—I don't know how you feel about it, but the fact is that my wife, your daughter, is a dreadfully hard woman to live with.

Gates—Well, sir, if you like you can change over and take her mother, You're welcome.' 'Oh! no, thanks.'

How to get a "Sunlight" Picture.

Send 25 "Sunlight" Soap wrappers (wrapper bearing the words "Why does a Woman Look Old Sooner Than a Man") to Lever Bros, Ltd., 43 Scott St., Toronto, and you will receive by post a pretty picture, free from advertising, and well worth framing. This is an easy way to decorate your home This soap is the best in the market and it will only cost 1c. postage to send in the wrappers, if you leave the ends open. Write your address carefully.

'I have heard it said, Miss Emma, that a kiss without love tastes like an egg without salt; is that true?'

'I don't know — I really cannot — I have never in my life—'

'Come now, Miss Emma!'

'Eaten an egg without salt.'

Relief in Six Hours.

'I wish, Mrs. Browne,' said the star boarder to his landlady—'I wish you'd give me the the receipt for that pudding we had yesterday.'

'I'd much rather give you a receipt for the board you had last month,' returned the landlady.

BELLEVILLE, January 4th, 1878

Messrs DICK & CO, Montreal,

"Dick's Blood Purifier" is the best of all the Condition Powders I ever used. It makes a horse thrive and feel well, improves his coat and keeps him perfectly clean in the legs, no matter how long he stands in the stable. I gave half of the first box to a gentleman who had a fine trotting stallion that was swollen in the legs, and had scratches from being out of condition, and in a few days his legs were perfectly clean, and the cracks healed rapidly.

JOHN JOHNSTON.

Neighbor—So the angels brought you a little brother last night.

Little Girl—Yes. That makes four children, an' the house is awful small, but I suppose it can't be helped. It's too hot to keep the windows shut at night,

Mrs. Strongmind—Don't you think woman's hand has played an important part in the great work of civilization?

Philosopher — Undoubtedly; but I don't think her hand has been quite as effective as her slipper.

DYSPEPSIA causes Dizziness, Headache, Constipation, Variable Appetite, Rising and Souring of Food, Palpitation of the Heart, Distress after Eating. Burdock Blood Bitters is guaranteed to cure Dyspepsia if faithfully used according to directions.

'A man in town is pullin' teeth free all this week,' said Mrs. Haicedg.

Some people laugh to show their pretty teeth The use of Ivory White Tooth Powder makes people laugh more than ever. It's so nice. Price 25c. Sold by druggists.

L. N. FLETCHER.

An animated discussion, punctuated with objurgation, recently took place in a town council in the north. Finally one of the disputants gave the other the lie direct. The latter made a plunge at him, and as the pair came to grips, the first exclaimed: 'I reiterate that you are a liar.' Whereupon the other remarked: 'Oh, if that's the case I accept the apology. If a man says he reiterates, that is all any gentleman can ask.' Accordingly he relaxed his hold and is still unable to account for the roars of laughter which greeted his observation.

Fred—How are you getting on with Miss Angell? Did you speak to her father, as you determined?

Frank—Yes.

Fred—And how did it come out?

Frank—So-so. I said to him: 'Mr. Angell, I love your daughter.' Said he: 'So do I; now let's talk about something else.

Fred—And then?

Frank—We talked about something else.

'Of course, it hurts, Josiah,' said Mrs. Chugwater, as she applied the liniment and rubbed it in vigorously, 'rheumatism always hurts. You must grin and bear it.' 'I'm willing to bear it, Samantha', groaned Mr. Chugwater 'but darn me if I'm going to grin.'

BE'S ALL RIGHT.

Richard Harrison has Backache for some Years—It was due to Kidney Disease—No More Backaches Now

HALL'S BRIDGE, Oct., Aug 6—Richard Harrison is well known here and everywhere highly respected That he has been a sufferer for some years from backache and other kidney troubles was a well known fact that gained much sympathy for him. Lately he has been moving aroud here as spry as a kitten and in the best of health All his kidney troubles had disappeared, so he said when questioned, and he further said that the cause of their disappearance was his having used a few boxes of Dodd's Kidney Pills The reputation of these pills as a specific in all kidney disorders is now firmly established in this part of Ontario.

'Do you think' said the intellectual young woman, 'that there is any truth in the theory that big creatures are better natured than small ones?'

'Yes,' answered the young man. 'I do. Look at the difference between the Jersey mosquito and the Jersey cow.'

'Well?' he replied.

'Yes, that's so; and so does 'stanza' chymes with 'bonanza,' but it ain't one boy a whole lot.'

Nothing Strange.

Intelligent people, who realize the important part the blood holds in keeping the body in a normal condition, find nothing strange in the number of diseases Hood's Sarsaparilla is able to cure. So many troubles result from impure blood, the best way to treat them is through the blood Hood's Sarsaparilla vitalizes the blood

HOOD'S PILLS are the best after dinner pills, assist digestion, prevent constipation.

Change of Seasons.

The budding forth of plant life as spring advances reminds one forcibly of the changes that are constantly going on in nature. Nor is man exempt from this change of the seasons, for, with the spring, comes either renewed strength and vigor, or a feeling of lassitude and a generally enervated condition. If you have that tired exhausted feeling you require a course of Hawker's nerve and stomach tonic, the greatest invigorator, blood builder, appetizer and restorative tonic of the age. All druggists sell it.

Mrs Rhoades—Think of it, Josiah There are people heartless enough to sell there own flesh and blood.

Maria—Why, here's an advertisement in this paper, 'Heavenly Twins,' 40 cents.

The stomach of man is subject to a dozen such common but painful affections as cramps, cholera morbus, cholera, diarrhœa and dysentery and by neglect any of them may be made chronic and dangerous.
