SAMUEL & JAMES WATTS,

Moetry.

What Was His Creed?

From shivering trees the leaves-a pall

The poor may know.

For flower and weed

Drooping below. What was his creed?

For hungry people, young and old; Hope he inspired; kind words he said

To those he sheltered from the cold.

For we should feed

As well as pray. What was his creed?

I cannot say.

His faith in words he never writ,

He loved to share his cup and crust With all mankind who needed it.

In time of need

A friend was be.

What was his creed?

He told not me.

Worked well with band and head.

For life is brief.

Sweetened his sleep and daily bread.
Let us take heed,

What was his creed-

What hie belief?

Splegt Tale.

A VICTOR.

'Miss Wardour will be here to-day.

which she was reading, in her comfort-

able seat behind the silver coffee-urn,

with a look of mild surprise in her blue

'Miss Wardour! Why, Charlie! thought that she and -and you -

t, Daisy? Well, yes; it is true; but

obligations to her, for, had she not done

'But, Charlie, isn't it a little unusual,

There was nothing to do but submit,

not married Mr. Cheswicke and there

was little probability of it. But she had

written and asked me to receive her for

a few days. How could I refuse?

dead, every trace and vestige of it.

that other woman as I loved her!'

'Ah, Charlie!' cried our guest, putting

corner, quiet and unobtrusive, keeping

in the moonlight which flooded the room.

dreamed the truth.

Daisy looked uncomfortable.

My wife glanced up from the letter

He put his trust in Heaven, and he

And work be gave to charity

In worde he did not put his trust,

XLVI.-18.

His charity was like the snow-

He had faith in loaves of bread

Soft, white and silent in its fall;

Not like the noisy winds that blow

Is heard in the whispered melody: ·Oh love, my love, had you loved but me To many a sorrow the key may be: 'Oh love, my love had you loved but me Her eyes met mine with a look their depths which made my heart leap. It was not love-thank God for that !but gratified vanity, which more than one man has mistaken for love. My hand went down upon hers and

sweet, low voice sang softly, tenderly,

meaningly, the words of a sad old song

Of a book I was skimming the other day

·Oh love, my love, had you loved but me !

Than 'Love, my love, had you loved but me!

Few words and simple; but, oh, how much The singer has told in that little touch!

Of bright hopes blighted and true love cross-

Which keeps on haunting me all day long

With i's sweet and mournful melody:

-"A Life's Regret:"-

Turning the leaves in an idle way,

found a line at the end of a song,

Sadder a burden could never be-

How hard a story of chances lost,

imprisoned the velvet fingers. 'Florence!' I murmured, 'why did you jilt me? Why did you cast me off?' Her head dropped. 'I will tell you frankly,' she said. 'I was mercenary, and you were not rich.

Mr. Cheswicke was a millionaire-andand I madly threw aside your love for his gold! Oh, Charlie! Charlie darling. I have regretted it ever since! My heart has wept tears of blood over my mad

Now, it happened-or had a kind of Providence directed it?-that I had heard a different version of this story that very day—had heard it from no less but he distrusted the disinterestedness of her motives and had come to her one day and told her his fortune was gonelost in a mad venture and he was a poor man. She had promptly released him 'Were once betrothed lovers? Is that from the engagement.

'So I knew just what value to set upon the fair lady's 'tale of woe. Florence-Miss Wardour, I mean-saw But some devil prompted me and stooped and kissed her upon the shining dark hair, which she wore in a huge knot at the back of her head. 'Poor child!' I said, softly.

There was the rustle of skirts, a flash to say the least, for a lady to visit at a of white drapery, and, with a gasp, I his intended wife? And to come with- realized that my wife, standing unobout an invitation from me, seems odd at served beside the open window, had overheard and witnessed the scene. With a muttered imprecation over my Now I—Charlie Dane—six months a benedict, a popular lawyer, and with a own madness, I dashed through the open

"How to Cure All Skin Diseases"
Simply app'y "SWAYNE's OINTMENT." No in-

Simply apply "SWAYNE'S CINTMENT." No internal medicine required. Cures tetter, easema, itch, all cruptions on the face, hands, nose, &c. leaving the skin clear, white and healthy. Its great healing and curative powers are possessed by no other remedy. Ask your druggist for SWAYNE'S CINTMENT. Lyman Sons & Co., Montreal, wholesale agents.

Charles W. Weyman was C T. A. Inspector for Kings Co. He was dismissed by resolution of the County Council. Motion was subsequently made to the Supreme Court for certiorari to remove the resolution of the Council, and now the Court bas granted the rule, holding that by an Act of Assembly an luspector could only be dismissed for cause, and in this case the affi lavit failed to disclose any sufficient cause and there had been no evidence whatever of any wrong doing on the part of the Lappeotor. The dismissed of Weyman was an arbitrary act with no cause, simply for the purpose of turning him out and without giving him any opportunity of being heard.

Simply apply "SWAYNE'S CINTMENT." No insure a new lease of life. As it was with Mrs. Cope so was it with Alies Harris, the young lady in the employ of Mrs. Hunters who has been restored to health and strength by Pink Pills. Miss Harris has just passed her twentieth year, and is a daughter of George Harris, who lives at Yarmouth Heights, and is employed by Mr. Geo. Boucher, florist and plusteman.

'I believe Dr. Williams' Pink Pills saved my life, and I am quite willing that every-one should know it, was the reply of Miss Harris when asked if she had been benefitted by Pink Pills, and if so would she make public her story. Continuing, ane said. When I was twelve or thirteen years of age I was first taken sick. The documer said my blood had all turned to water. For five years of turning him out and without giving him any opportunity of being heard. a short time, or if I got the least bit warm I white and glassy, and I was so thin and pallid that every one believed I was dying of consumption. During the five years I was ill, I was attended by five physicians in St. Thomas, two in Detroit, one in London and one in Aylmer, and none of them could do anything for me. I was so far gone that they had no hopes for my recovery. Towards the last my feet and limbs swelled so they had to be bandaged to keep them from buret-

> reliance could be placed in her statements. "She looke like a different girl from what she was when the came here a year ago, said Mrs. Hunter,
> The facts above related are important to waxy in appearance, troubled with heart palpitation, headsches, shortness of breath on
> the slightest exercise, faintness and other
> distressing symptoms which invariably lead
> to a premature grave unless prompt steps are
> taken to bring about a natural condition of

It has more than three times the strength of Cocoa mixed with Starch, Arrowroot or Sugar, and is far more economical, costing less than one cent a cup. It is delicious, nourishing, and BASILY certain curs for all troubles peculiar to the female system, young or old. P.nk Pilla.

blood. In this emergency no remedy yes dis-covered can supply the place of Dr. Williams' Pink Pills, which build anew the blood, exrengthen the nerves and restore the giow of health to pale and sallow cheeks. They are

Is his speech on the tariff in the House of Commons, Mr. Macdonald, of Huron, quoted from statistics showing that the average per opita earnings of laborers, in the Dominion last year, was \$593. Of these earnings, however, the amount received by the laborer as wages was but \$272 per head, leaving \$324 as the share of his earnings which went into the coffer of the protected employer.

And Mr. MoInerney of Kent, N. B., thus moralised on the farmer: He did not think that it was altogether a good thing for the Osmadian farmer to be able to ship his products across the line into the United States.

"The farmer wants but little here below," ducts across the line into the United States.

"The farmer wants but little here below," continued Mr. McInerney, "and if he could send his products over into the United States he would probably be content to go along in an easy way without making any efforts to find other outlets. Shut out from this market, the Canadian farmer has been led to turn the products of his farm into manufactured products; invention has been stimulated, and all resources of people brought into active that of a strong, healthy young woman. HARTLEY & CARVELL, Agents. all resources of people brought into active that of a strong, healthy young woman.

Mrs. J. E. Hunter, wife of the evargelist. told the reporter that Mise Harris was a good, reliable and truthful girl, and that perfect Minard's Liniment Cures Burns, etc. Other Chemicals

are used in the preparation of war and whose condition is, to say the least, more critical than their parents imagine. Their complexion is pale and
