The latest statistics gathered from all quarters of the globe, place the Protestant communicants of the entire world at 106, 000,000 and the Roman Oatholic adherents at 201,000,000. The estimate for the Protestants includes all of the denominations of that church. In the United States alone the Roman Oatholics claim 6,370,838 adherents, of which number 2,548, 33 are adult members. Satisticians say that it is very difficult to obtain accurate information regarding the actual number of Catholic communicants, as in their estimate they claim as adherents everyone in any way connected with their church. The number of adherents only is given.
