It soothes every ache, every lameness, every pain, every soreness everywhere, whether internal or external, and in nine cases in ten speedily relieves and cures. Our good old Johnson's Anodyne Liniment was originated away back in 1810 by the late Dr. A. Johnson, an old fashioned, noble hearted Family Physician, to cure all ailments that are the result of irritation and inflammation, such as colds, croup, coughs, catarrh, colic, cramps, chilblains.

Johnson's Anodyne Liniment Its special province is the treatment of inflammation. Its electric energy everlastingly eradicates inflammation without irritation. It is important everyone should understand the nature and treatment of inflammation.
