## Miscellaneous.

A minister who was well known in the city for his humorous sayings and witty replies, and for which he seemed to become even more famous in the rural parish where he spent the latter part of his life, was one day engaged in the garden attached to his country manse, attending to the propagation of celery, when a county squire, whose mansion-house and grounds were adjoining, and who was the principal heritor in the parish, was driving past with a friend. Observing the minister on the other side of the hedge, he called out to him—Well, Doctor, what are you busy about to day? The minister raised himself from his work, and, observing who his interrogator was, replied—I am just doing what my heritors should be doing for me—I am trying to raise my *salary*.'

Bobbie—Didn't you say yesterday that it was wrong to stride another?
Bobbie's Father—Yes, Bobbie.
Bobbie—Well, I wish you'd tell my teacher so.

### Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.
Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.
The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.
All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

Mrs. Gadders—What do you think of my new onyx clock?
Visitor—Beautiful! Is it an alarm clock?
Willie Gadders—Yes—
Mrs. Gadders—Willy, Willy! How dare you tell such an untruth?
Willy Gadders—Well, if you had seen how it alarmed pop when he got the bill, you would say it was.

### TIRED, WEAK, NERVOUS.

Nervousness, loss of sleep, loss of appetite and general debility all disappear when Hood's Sarsaparilla is persistently taken, and strong nerves, sweet sleep, strong body, sharp appetite, and in a word, health and happiness follow the use of Hood's Sarsaparilla.
The strong point about Hood's Sarsaparilla is that they are permanent, because they start from the solid foundation of purified, vitalized and enriched blood.

Faith, like light, should ever be simple and unbending; while love, like warmth, should beam forth on every side and bend to every necessity.

### "Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.
It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

# SCROFULA
CURED BY
# B.B.B.

MRS. JAS. CHASE.

Worst Kind of Scrofula.

DEAR SIRS,—I had an abscess on my breast and scrofula of the very worst kind, the doctors said. I got so childish I did not walk around the house without taking hold of chairs to support me. The doctors treated me for three years, and at last said there was no hope for me. I asked if I might take B.B.B. and they said it would do me no harm, so I began to take it, and before three bottles were used I felt great benefit. I have now taken six bottles and am nearly well. I find Burdock Blood Bitters a grand blood purifier and very good for children as a spring medicine.

An Irishman on one occasion passed a grocer shop, and seeing a pile of cheese on the counter, noticing the shopman had left the shop, thought it a good opportunity to get a cheese for nothing. He therefore stepped lightly into the shop, and taking a couple of cheese placed one on each side of the scales.
The shopman, hearing the noise came from the back shop and asked Pat what he was about.
'Ooch, says Pat, 'don't annoy yourself; I only wish to know if your cheese or mine is the heaviest.'
'Like your confounded cheek,' said the shopman angrily, 'if you don't take your cheese out of this at once I'll set the police on you.'
Pat lifted the cheese, and smiling at the trick he had performed, bade the shopman a respectful good-day.

DYSPEPSIA causes Dizziness, Headache, Constipation, Variable Appetite, Rising and Souring of Food, Palpitation of the Heart, Distress after Eating. Burdock Blood Bitters are guaranteed to cure Dyspepsia, if faithfully used according to directions.

'When my grandma spanks me,' said Tommie, 'it reminds me of an Irish baby I know.' 'In what way?' asked his papa. 'It's only a little Pat,' said Tommie.

### What is Dyspepsia?

The symptoms of dyspepsia are burning sensation of the stomach, distress and fulness after eating, headaches, and nervousness, irritability and sleeplessness. It is frequently brought on by irregular habits and careless methods of diet. The most aggravated cases may be completely cured by Hawker's liver pills, taken according to directions.

Hotel Clerk—No. 86's curtain got a fire from the gas last night.
Proprietor—U'm—telegraph to the insurance company, and—and charge No 86 50 cents for a fire in his room.

### Satisfactory Advance in Price.

Our shippers find that good prices can be realized for good animals, but ill conditioned ones are a drug on the market. Our stock raisers admit that most satisfactory results come from using *Dick's* Blood Purifier. It tones up the whole system. Be sure and get *Dick's*.

Spencer—What is the cause of Ponderly's illness? I hear he is laid up with nervous prostration.
Ferguson—Yes. The result of a mental accident.
Spencer—A mental accident!
Ferguson—Yes. A collision between two trains of thought.

SIRS.—I had such a severe cough that my throat felt as if scraped with a rasp. On taking Norway Pine Syrup I found the first dose gave relief, and the second bottle completely cured me. MISS A. A. DOWSEY, Manotic, Ont.

'Well, why don't you say that you wish you were a man?' asked Mr. Potts during the little discussion he was having with his spouse about some matters of domestic management. 'Because I don't wish anything of the sort, she retorted. 'I only wish you were one.'

### The Superiority

Of Hood's Sarsaparilla is due to the tremendous amount of brain work and constant care used in its preparation. Try one bottle and you will be convinced of its superiority. It purifies the blood which, the source of health, cures dyspepsia, overcomes sick headaches and biliousness. It is just the medicine for you.

HOOD'S PILLS are purely vegetable, carefully prepared from the best ingredients.

Cholly Chumbleigh—My father had a marvelous intellect, but he died quite young of consumption.
Teddy Trumpleigh—There is no danger of your inheriting it.
Cholly Chumpleigh—No, there is no sign of consumption in me.
Teddy Trumplegh—I wasn't speaking of the consumption.

A FAMILY FRIEND.—No family should be without Perry Davis' Vegetable PAIN KILLER. It can be given to the infant for colic, and to the adult for Rheumatism. There is scarcely a disease to which it cannot be beneficially applied. It contains no deleterious drug, but may be used for the various ailments of mankind. Get the Big 25c. Bottle.

Teasing Friend—What makes that new baby at your house cry so much Tommy?
Tommy (indignantly)—It don't cry very much; and, anyway, if all your teeth was out, and your hair off, and your legs so weak you couldn't even stand on them, I fancy you'd feel like crying yourself!

### BRIGHT'S DISEASE AGAIN.

**William Langley tries Many Remedies for this Disease without Avail—Dodd's Kidney Pills, a Remedy that Never Failed, Cured Him.**

LONDON, May 21—William Langley, of London South, contracted inflamation of the kidneys last fall, which finally developed into Bright's disease. As any man would, who was afflicted with this terrible disease, Mr. Langley tried every remedy that could be suggested. His experience was the same as all others, he got no relief until he began using Dodd's Kidney Pills. Then a change set in, Mr. Langley at once began to improve, and now he is cured. This is another case of Bright's disease, once considered incurable, that has had to succumb to Dodd's Kidney Pills.

# If you must draw the line at lard

and have, like thousands of other people, to avoid all food prepared with it, this is to remind you that there is a clean, delicate and healthful vegetable shortening, which can be used in its place. If you will
**USE COTTOLENE**
instead of lard, you can eat pie, pastry and the other "good things" which other folks enjoy, without fear of dyspeptic consequences. Deliverance from lard has come.
Buy a pail, try it in your own kitchen, and be convinced.
Cottolene is sold in 3 and 5 pound pails, by all grocers.

Made only by
The N. K. Fairbank Company,
Wellington and Ann Sts.,
MONTREAL.
