Miscellaneous.

The following poetical appeal won for its author the prize of $1000 offered for the best appeal to newspaper men to pay up their subscription:

'Lives of poor men oft remind us, rich men won't stand a chance. The more we work there grow behind us bigger patches on our pants.

On our pants once new and glossy, now are stripes of different hue, all because subscribers linger and don't pay us what is due.

Then let us be up and doing; send in your mite, however small, or when the snow of winter strikes us we shall have no pants at all.'

Patient's friend—And what did the doctor say?'

Patient's wife—He said he'd have to make a diagnosis.'

Patient's friend—Don't you have a diagnosis. I know a man who was taken sick just the same way, and the doctor made a diagnosis—said he did anyway,—and the man died the next morning.'

Don't

let that cold of yours run on. You think it is a light thing But it may run into catarrh. Or into pneumonia. Or consumption

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

Laura—While Jack was calling the other evening, he made the statement that he would kiss me or die in the attempt.

Belle—Yes? (after a pause). Well, did he kiss you?

Laura—You haven't read any account of Jack's death in the papers, have you?

Young husband (in a low tone to his wife, who meets him at the railroad depot with his mother—Didn't I telegraph you not to bring your mother to the station?'

Merchant—Well you see, customers hate to leave without that odd cent, and by keeping them waiting for their change, they generally see something else they want.

"Gift Enterprises"

Seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing* if possible. Grocers get 6 boxes for 5 of some kinds, and are off red all sort of 'Nick Nacks' with others, as an inducement to recommend such Soaps to the trade

It is a well-known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME-SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

A criminal about to be executed said good-by to the prison chaplin and to the warders, then shook hands with the executioner, but to the reporters he merely nodded, saying, 'I'll see you journalists later on.

How to get a "Sunlight" Picture.

'How long have you lived in this state?' inquired the registration official. 'All my life,' replied the lady, with a gleam in her eye. 'I am sorry, madam,' rejoined the official, 'but I am compelled to ask you how many years you have resided in the state.'

Relief in Six Hours.

Distressing Kidney and Bladder diseases relieved in six hours by the 'NEW GREAT SOUTH AMERICAN KIDNEY CURE.' This new remedy is a great surprise and delight to physicians on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. It relieves retention of water, and pain in passing it, almost immediately. If you want quick relief and cure this is your remedy. Sold by Garden Bros., druggists.

Dear Sirs,—I had a mare which was foul-skinned and hide bound, the hair standing on an end, but after I used one of your Packages of Powders, I found a wonderful difference in her appearance, and she is now as sleek and glossy as any animal can be. 'Maria,' he said thoughtfully, 'I want to ask you something.

'What is it?'

'Do you think that you'll ever have a vote?'

'I do, assuredly.'

'If you get one, and I run for office, will you cast it for me?'

She was thoughtful for some time then she said:

'Hiram, I can't say yet. Not till our debating society has passed on the question whether a woman's first duty is to her fireside or her country.'

Mrs. Nextdoor—Your little boy climbed over the fence and ran all over my flower beds.

Mrs. Suburb—Horrors! They had just been watered, hadn't they?

Oh, well, never mind; the exercise won't hurt him if he did not get his feet wet.

You ought to be very proud of your wife. She is a brilliant talker.

You're right there.

Why I could listen to her all night.

I often do.

He (very concernedly)—I don't think I should like to marry any girl unless I knew she was of a self-sacrificing nature.

She—But wouldn't that prove it?

Ladies in want of any description of Fur Goods, will find a Rich Display at Hugh Hay's.

He (angrily)—Do you take me for a fool?

She—No; I wouldn't take you under any circumstances.

A Terrible Experience.

Mr George Tribe, of Strafordville, Ont., a pretty village near the shores of Lake Erie, went through an experience lately that he will never forget. He tells it in his own words:

For three years I suffered from skin disease in its worst form. I tried Kennedy's Medical Discovery and the Cuticura remedies, and doctored one year with the best physicians in the land, but got no benefit; they pronounced my disease a Scaly Eruption but failed to remove it. It came on in red blotches and spread over my body: the skin became dry and formed hard, white scales; the itching was intolerable, but I am now completely cured by the use of Burdock Blood Bitters. I can truly say that I owe my good health to B B B, and I advise all sufferers to use this splendid medicine.

GEORGE TRIBE, Strafordville, Ont.

She (a woman's rights woman)—Do you believe that woman should have the right of being the equal of a man?

He—Well, if she wants to let herself down so far I don't see any reason why she should be prevented.

Heart Disease Relieved in 30 Minutes.

Dr. Agnew's Cure for the Heart gives perfect relief in all cases of Organic or Sympathetic Heart Disease in 30 minutes, and speedily effects a cure. It is a peerless remedy for Palpitation, Shortness of Breath, Smothering Spells, Pain in Left Side and all symptoms of a Diseased Heart. One dose convinces. Sold by Garden Bros.

'There is something about you that I like exceedingly,' said Mr. Callowhill to Miss Ricketts. 'That's your own inordinate egotism,' replied the girl. 'My egotism?' 'Yes, sir for nothing is about me quite as much as you.'

Ringing Noises

in the ears, sometimes a roaring, buzzing sound, are caused by catarrh, that exceedingly disagreeable and very common disease. Loss of smell or hearing also result from catarrh. Hood's Sarsaparilla, the great blood purifier, is a peculiarly successful remedy for this disease, which it cures by purifying the blood.

Hood's PILLS are the best after dinner pills, assist digestion, prevent constipation.

'How's all the folks up your way?' 'Well mother ain't so peart now, Molly's got the measles. John's stove up with the rheumatism, an' Dick down with snake bite. When air you a comin' to see us.'

If you suffer with neuralgia, bathe the parts freely with hot water and then apply Dr. Manning's german remedy, which is an infallible cure for this complaint.

It is stated that the following notice was read last Sunday from a suburban pulpit: 'The pastor will preach his last sermon this evening, and the choir has arranged a special praise service for the occasion.'

Only a cold in the head, neglected, produces catarrh. Only twenty-five cents invested in Hawker's catarrh cure will effect a speedy cure. Try it.

WOOL AND RUTS.

How hard it is to get out of a Rut. Our strongest reason for doing as we do, is often

"Because We Always Have."

If you raise wool, or work in wool at home, we wish to say a few plain words, while you give your attention. You pay for carding wool into rolls, six cents. You hire some one to spin at 25c. a day. They do two pounds, this costs you 12½ cents a pound, then you board them, it is worth 25c. a day making the spinning cost 25 cents per pound, *besides the carding, 6 cents.* Now we do all this for nine cents at the factory. Are you in that rut, we wish to help you out.

REMEMBER!

W. Woollen Mill is a saver of labor to the wives and daughters, as the mowing, raking and pitching machine save labor of husband and boys.

We are taking wool at cash price in exchange for Cloth, Yarn, Blankets, Flannel, Horse Blankets and Woollen goods.
