Poetry.

Canadian Honor.

XLVI.-45

Folks tell me our Canadian mark

he Yankee confidential cierk

He ata's perhaps so pison smart

An' he's allers honor bright.

As them that's Yanks by right,

But then, of hard work he ain't scart,

If some good man 'ud jest say wanet,

Twas honor made our England grand,

Boys quit the farm and lent a hand

And be allere honor bright.

l'hey d da't care a single cent

For right that wasn't might,

ed half the votes in parlyment

Was down on bo for bright.

With meetin's of all sorte.

And lead 'em to the light;

For He was bonor bright.

Think of the land you love;

Not yet won't Heaven above.

Lill all the world is forord to own

A walkin' in God'e sight,

Canadian honor bright.

and parsone, too, they make me sick,

At what they call church courts

3), my dear young Canadian friends,

Eagland can't splice our ragged ends

You've got to make her manbood known

Spleat Tale.

Aunt Jane's Bureau.

Jack Thornton believed he had the

pest little wife in the world. He had

peen married about six months, and, as

ne told his 'old bach' friends, the honey-

the more remarkable because soon after

the year 1889. You remember the old

eplied Alice, with energy. 'What was the parson made me say after him-

arm around his neck and kissed him.

must admit, little wife, is blue.

I should never miss it.'

he ever gave you?'

for richer, for poorer'-

the richer' of the bargain.

J. Cawdor Bell, in The Week.

Why don's they try to feed their floke,

and wond'rin' whose the next they'll stick

Ef Uhriet came down, He'd give 'em shocke

ain't no politician now.

Biter and biten bit.

I wanet was, but I quit : was all a nesty dog pit show.

'He's allers honor bright!'

In the old days, afore

lumbering article of furniture.

and brought the old violin, his next b st triend, to provide, as it had often done, consolation in their trouble:

He sways them with harmony merry and loud. He fills with his power their hearts to the brim Was aught ever heard like his fiddle and him? Next morning bright and early Jack fell to polishing Aunt Jane's bureau .-With a soft rag, a little oil and a fair share of 'albow grease' the old walnut sides of the relic fairly shone Over the breakfast table Jack began speculating how much they were likely to get for

the bureau, Not less than \$12,' was hopeful Alice's opinion, 'and while you are gone ifter old Mr. Myers, who is the most nonest of the secondhand furniture dealers, Jack, I will take out and dust the irawers so that whoever buys my aunt's present will find it clean inside as well

s out. 'I was thinking, my dear,' said Jack. as he put on his well worn overcoat, 'that perhaps poor Werner, the trombone play r, will have no place to go to for his Chanksgiving, and it would be nice it we could manage to entertain him tomorrow.'

'Just like you, you old darling!' wa he little woman's comment, and she added-Why, of course we can have poor Werner and will enjoy his company You might drop around and see him after you have called on Mr. Myers.' With a goodby kiss Jack Thornton

went on his way, his errands of business and sociability being important enough to occupy his mind and to cause him to forget the gloom of the immediate future. Alice was not given to repining, and yet as she began to take out the drawers of the old bureau she could not refrain from a few tears, not, you must understand at parting with that piece of furniture, but at the dire necessity which prompted

As she removed the first drawer her thoughts went back to the old farmhouse not many miles north of Cincinnati, where she had passed her childhood and received what share of Aunt Jane's love was not given to her chicken farm, which occupied the first place in her affections As the second drawer was taken out and carefully dusted the little woman thought of the first meeting with Jack He had come from the city in answer to Uncle William's advertisement for boarders for the summer. It was a case of love at first sight. Her guardians had offered no objection to the match. In moon had never ceased. And this was deed Aunt Jane had seemed glad to be relieved of the charge of the orphan child. they were married Jack struck a streak Then, as she pulled out the third drawer, Alice recalled the memorable of bad luck which culminated about a event of the wedding, when Jack's Odeon week before the Thanksgiving festival of friends had come out to Elmville and the orchestra had given a concert in the farmproverb, 'When poverty comes in at the | yard, to the delight of the entire neighloor, love flies out at the window.'borhood and the consternation of Aunt

matches which proved that this, like people all brought presents, and Alice many of those old chestnuts, is a sad was richer that day than she had ever The fourth drawer stuck, and after a 'I have bad news for my little woman co-night,' said Jack, as Alice was clear- few hard pulls at the brass knobs the BARRISTER AND ATTORNEY-AT-LAW, ing away the supper things and tidying up busy housewife was about to give it up the little sitting room, while Jack got uutil Jack returned when she suddenly out his pipe and she produced the tobac- remembered that on that wedding day co jar preparatory to the post prandial she had been so vividly recalling her aunt had at the dinner which was given Alice took the lid off the jar, and with | in the barn made the one speech of her ner own fingers filled up the meerschaum life, an effort which, by the way, had

Regular meeting of the Woodstock W. C. T. U., on Thursday, at 3 o'clock. p. m., in their Hall—first Thursday of every month being the Union Prayer Meeting, Women cordully invited to attend.

A Chicago writer gives the following reasons why there is now so much poverty, orime and misery in that great city : 'There tives but one baker to each 70 families, and me grocer to every 98 families, while there is one liquor saloon to every 35 families.' It will therefore be seen that twice as many liquor sellere are being supported by the peo-ple as bakers and grocers.

The temperance principles of the regiment of Illinoie Infantry Volunteers, known as the One Hundiet and Two Dozen." are well illustrated in an incident related by the re-gimental chaplair. In the battle of Cham-pion Hills, Orderly Sergeant Abraham Newland, company D, was shot in the face, and lett to die upon the field, but was picked up later and carried to the hospital. Sergeant Newland's jaw and mouth seem-

ed to be all shot to pieces, and he was in a sinking condition. Seeing this the surgeon ordered him to have a little brandy, which the dying man, se they thought him to be, re-Colorado bas 3,000,000 acres under artifi United States people spend \$42.000,000 a some etimulant or die. Some of these things, Mr Alward was here to night to enlighten us on. He was to give us the benefit of his reading and study, and, what was of as much importance, the results of his observation and experience. Mr Gillmor trusted of fourteen, including a son aged 105, and a his visit to Gassville would not be in vain. Mr Alward, who was dressed a la mode, congratulated himself on his large and evidently intelligent audiesce. He disclaimed all pretencoughs, colds, hoarseness, sore throat, pain in the crest, asthma, bronchitis, croup, whooping cough, quinsy, influenzs and all throat and lung troubles, Norway Pine Syrup is the best remedy known.

There is a monastery at St. Hororat, on are island near Caunes, France, which was built in the fourth century. No woman has ever been allowed to enter its walls during the church contained butter. Whence did the come?

From milk 100 parts of which come.

tained 8 50 parts of butter fat, 4 10 parts of passine and albumen, 1.25 parts of sugar, .65 of Rhoumatism Can Be Cured.

Hagyard's Yellow Oil has cured Chronic Rheumatism, Stiff Joints and Swellings of years duration after all other means had failed In with the butter fet went to make up cheese. To all forms of inflammatory and muscular pain it produce good milk for dairy purposes we wanted to feed chiefly for butter fat. There was not from 8 even up to 22 tone of ensilege green fodder could be raised on the acre. Tae least Bhe amatism Cured in a Day.

South American Rheumatic Cure, for Rheumatism and Neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable and mystericas. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 ceats. Sold by Garden Bros, Druggists.

Bishan Pattern of Niem Viele many lines todder could be raised on the acre. The least crop he ever grew was 8 tons, the largest 16 tons; but many raised 10 tons and even 14 tons on average good land. Corn and horse beans were the best crops for enertage. Frost stopped the growth of corn but did not destroy it; it faculitated its preparation for siloing. After the blossoming stage ourn contained twenty per cent of solids—after the roasting stage from forty to forey two per cent, daubling its value.

sad the seed ho'es-esch receiving 6 kernels of Miss E. L. Taylor.
Holland, Man.

The United States Supreme Court recent y gave a decision that "oli grants by Lagis atures are revocable at the will of the grantor." This decision is considered of There was another excellent easilage cropgreat importance among the advocates of government ownership of railroads, as will bushel; 100 bushels of sunflowers could be erument, but which they have forfeited.

A Boon to Horsemen.

One bottle of Esglish Spavin Liniment completely removed a curb from my horse. I take pleasure in recommending the remedy, as it acts with mysterious promptness in the removal from horses of hard, soft or calloused lumps, blood spavin. splints, curbs. sweeny. stifles and length of time in ripening, likewise the action of churning. Foaming was from one of two causes, too much soid or too low a tempera-

ing removed to butter workers tray. In the present case it was immediately transferred to
