Building, King Street, up stairs.

The local government has issued a circular letter in which it is stated that, respecting the charge upon counties for support of in same in the provincial asylum, "I am author ised to inform you that, owing to a misapbe made even in part chargeable upon the include patients who were intended to be

New York Sun on Bonding.

the amounts of such charges.

The N:w York Sun is, of course, a great newspaper. It is, however, endowed with weakness, which is an inherent property of greatness. It "shines for all" but especially shines to blight President Cleveland and wither Canada. A marked copy of the Snn of the 5:h inst., has reached us from the nearly two columns, headed "Abolish the it favours Canadian railways and also upon the Canadian Government for subsidising the Grand Trunk and Canadian Pacific Rail ways, thus delibrately planning to deflect American treffit to Canadian ports. The Sun gravely argues that to abolish the bond ing system would mean the bankruptcy of the great Canadian railways, the overthrow of the Dominion and the seriously crippling of British powers upon this continent. The Sun says, showing the object it has

in view, namely, annexation :-The abolition of this anti-American sys tem is not a question of partisan politics far from it. It involves the earning power ways, costing not less than \$6,000,000,000 It destroys the confidence of capitaliets in American railway accurities. It retards delays the development of the resources of our trans-Mississippi States. Its abolition would compet the Canadian Pacific Railway deep consideration, and must tend to the would compel the Canadian Pacific Railway
Company to abandon its Anti-American policy, and exert its power and influence to sirable citizens from Canada more than we
