The Wicklow and Smonds Parish S. S hool Convention was feld at Summerfield on Tursday 14 h inst. The president, Rev. D. Firke, was present and led the devotional exercises, after which the meeting was openod for regular business. After reading of minutes the reports were called for. Eight schools reported. Both Superintendents and delegates spoke of being very much encouraged in S. S. work. Many of them spoke of the good results of convention work. Some good workers had never attended convention before, but spoke of the meeting as being so helpful they would always try to attend in future.

The afternoon was taken up in bearing reports, words of encouragement and approba-tion from President. We had also some good music. EVENING SESSION.

Devotional exercises led by Rev. D. Fiske, Rev. Mr. Parkine also joining. The first speaker on the programme was Mrs. B.Smith on, . How to increase the spirituality of our S. Schools.' R-v. J. E. Fiewelling also gave a short ad-Mrs. Beairsto then came forward and in a very pleasing manner taught the lesson for Sunday, Aug. 19, the whole convention forming a class. Many of the Questions were readily answered by scholars attending the different schools. At the close of the lesson the Rev. J. E. Fiewelling moved, and the R.v. Jos. Cabill, seconded, a resolution tendering the thanks of the convention to Mrs. B sireso for the interceting and instructive way in which she taught the lesson. The resolution was unanimously carried and the President conveyed the thanks of the convention to Mrs. Beairsto. The afternous ression

Italian Bishops requesting them to instruct the clergy to retrain from secular subjects in their sermons. The occasion for the letter by H T. London; Mrs. G. R. Smith at the organ, assisted by several singers from different localities, good music was provided, when Champs in the Stomach are instantly re a very interesting service of preise and prayer

and after the reading of the minutes of after-Friday afternoon a crowd of boys and men were playing base bult near Dekalb, Tex.—
A shower came during the game, and they all run to a large oak. Lightning struck the tree and seven of the party were killed outright. About a d zen of the boys were hurt and it is thought some of them will die.

and after the reading of the minutes of afternoon session the nominating committee hands on their report recommending for President, William Burrett; Vice President, H.

T. London; Sec. Trees, O. King; with G.
H. Sokoe, I S. Carvell, John Carmichael, and E nerson Usous additional members of Executive. The officers as recommended Gentlemen—I have used your Yellow Oil and have found it unequalled for burns, sprains, scalds, rheumatism, croup and colds. All who use it recommend it. Mrs. Hight, Montreal, in which he rounded no corners but brought

the late John Sims met at the old plantation, accompanied by 250 of their descendants.—
The descendants of John Sims were present to the number of 100, and about 200 other white people also came. The old master was eulogized by colored speakers. But no one expressed a wish for the days of slav-Sioat also gave an address, making many the hardihood to ascribe to tariff reform, vote of thanks was then tendered to the Truswhich they claim has been defeated in Con- tees for the use of their church, to the Rev. the depression in trade which is caus Jos. Cabiil and Flewelling for their valuable

Lakeville, Aug. 22, 1894.

W. J. Bachapan and Mr. Smith. The singing through the service was good, Mise Brigge

the Oarleton County S. S. convention opened The building trade everywhere ought to in the Methodist church, Lindsay, this day realize great benefits from free lumber. The at 10 30 a. m. On taking the chair, the Rev. A. Lucas read s telegram from S. J. On motion the Secretary was directed to officially notify Bro. Parsons of the pleasure which the receipt of his despatch afforded the Reports from Parish (ffixers being called

for was respended to as tollows :--Toe President reported for V. P. of Wood-stock parish; had found difficulty in getting returns ; bad not made many visits ; bad not Geo. W. Hovey, V. P., Northampton; one

new school organized in parish through the efforts of W. S. Saundere ; when he vieited it 40 scholars were present; had been a good deal encouraged the past year; one new school organized, one dormant one revived; pari-h is organized.

S. H. Shaw, V. P., Brighton, reported by letter ; 14 schools in parish : nine visited and in bealthy state; all but one use the inter-national Les one; owing to sickness was only able to made thirteen visite; six of the schools are evergreen; the interes: in the work is becoming more permanent, due large-ly to the efforts of Field Secretary Lucas and Bro. Parsons.

J. Barnett, Pariab President, B.ighton, acknowledged valuable accestance rendered by A. A. Belyes; the interest in school work was increasing, although hindred by the in difference manifested by a me and the sectarian influence that existed ; one very weak school in parish would need outside help to sustain it.

H. Forrest, V. P , Richmitd, reported shat there were 130 more scholars in Rich-
