J. FLETCHER TWEEDDALE.

Arthurette, Victoria Co., N.B., Sept. 3rd, 1894.

TERRIBLE CALAMITY.

St. Paul, Minn., Sept. 2.-The town o Hinckley, Minn., between this city and Du luth, has been wiped out by forest fires and the list of dead will exceed two hundred. A train from Duluth reached a mile and a half above the town some time after midnight and was forced to return to a point five miles away on account of the flames. Half a dozen of the passengers, however, secured a handear and rode through the fire to

great numbers perished. The whole country around Hinckley is on fire and the full extent of the disaster cannot be learned for a day or two. Millaca called for help yesterday afternoon and the relief forest fires in Northern Wisconsin. The loss of property is over a million dollars. Taree yet been received from Millaca and how much may have been the suffering cannot at this time be known. The flames have been threat despatch received this noon from Pine City ening around Bridgeman, and as it is very dry all over that part of the state, the worse

is feared. The party that came through the fires around Hinckley in the handour suffered severely from burns. They tell many sad stories of what they saw. One woman had evidently tried to save her five children and was overtaken by the flames and the whole family perished close to the railroad track. Another case was that of a mother who ran into her burning house to save her child. Her husband followed her Tobique River Items.

and the walls of the house caved in before

Notice Notice and the same of the same conditions of the same conditi was all too short for the measure of protection desired, and a telegram was sent to Rush city for more. Five hundred feet were sent, but it never reached Hinckley. The main part of the village lies in the north fork made by the crossing of the Duluth and Eastern by the crossing of the Duluth and Eastern

About three o'clock in the afternoon, the fire literally jumped into town. Its approach was not gradual and it did not eat its way along, devouring everything in its path, but came in huge leaps, as if to overtake everything fleeing before it, and then burned back at its leisure. It was described by those who witnessed its onward progress on Hinckley and elsewhere, as if it were forced along by a cyclone of its own generation. The intense

forward forty to eighty acres.

The fire first struck Hinckley on the east eide of the Duluth track and the brave fight ers were obliged to give up the unequal battle, and elready too late in many instances turned their attention to their personal safety. If Its History and Re-The Eastern Minnesota train from the south stricken city fled to it for safety. A number of box cars were coupled and filled, and then covered with men, women and children .-Some were bareheaded, some were coatless some few clutched a pitiful bundle of the more precious of their portable possessions.

Families were separated, children joined the throng, and left parents. The train pulled out just ahead of the fire and succeeded in

Editors, for slive, having taken to Kettle River and stood in the water with only their heads out.

> Augustus Taylor, of Sandstone, said There were a great many who went to a pond near the city and stood in the water up to their necks and held their children, while there threw water over them to keep them from burning. Hundreds of them went aearly wild with fear, and rushed around the streets like so many wild animals. Many of them were not able to get to any place where they would not be caught by the flames, and being overcome by the heat and smoke they fell by the roadside and were either smothered or burned to death. There are a great many who went out toward the simber and who will probably never be found, as the fire lasted so long that it would entire ly consume their bodies. A great many came from Hinckley to Sandstone for safety There was at least 100 bodies found in the water at Hinckley. The people had gone there for protection, had been overcome by the heat and drowned.'

The approximate total property loss in Wisconsin is \$1,420,000; about half insured forest fires in Northern Wisconsin. The loss pletion.

KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to ils presenting

in the form most acceptab's and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation.

It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free frem every objectionable substance. Syrup of Figs is for sale by all drug-gists in 75c. bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.
