Miscellaneous.

Lord Aberdeen tells the following story of himself:—He left London at midnight in a sleeping car for the north. In the morning when he was awakened he saw a stranger opposite him.

'Excuse me said the stranger, 'may I ask if you are rich?'

Somewhat surprised, his lordship replied that he was tolerably well-to-do.

'May I ask,' continued the stranger, 'how rich you are?'

'Well, if it will do you any good to know,' was the reply, 'I suppose I have several hundred thousand pounds.'

'Well, went on the stranger, 'if I were as rich as you, and snored as loud as you, I should take a whole car, so as not to interrupt the sleep of others.'

Here is a schoolboy's definition of eternity:—When our ships all come in; when the sea gives up her dead; when Father Time hangs up his scythe; when the heavens are rolled up like scroll; when Gabriel blows the ram's horn; when the solar system collapses; when we find the lost Charley Ross and the man who struck Billy Patterson; when Johnny gets his gun; when society becomes pure, and 'after the ball is over'—then will be eternity.

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

Enfant Terrible—Mrs. Myles was praising you to-day, mamma, to Mrs. Renwick, I was on the other side of the garden wall and heard 'em.

Mamma—What did she say?

Enfant Terrible—She said there was worse old gossips than you in the town, after all.

"Gift Enterprises"

Seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing* if you believe. Grocers get 6 boxes for 5 of some kinds, and are offered all sort of "Nick Nacks" with others, as an inducement to recommend such Soaps to the trade.

It is a well-known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Old Aquaintance—It's nearly two years since I've seen you; I expected that you would have thrown off widow's weeds ere this. Still mourning for your poor husband?

Widow (sorrowfully)—Yes; for the second one.

How to get a "Sunlight" Picture.

Send 25 "Sunlight" Soap wrappers (wrapper bearing the words "Why does a Woman Look Old Sooner Than a Man") to Lever Bros., Ltd., 43 Scott St., Toronto, and you will receive by post a pretty picture, free from advertising, and well worth framing. This is an easy way to decorate your home. This soap is the best in the market and it will only cost 1c. postage to send in the wrappers, if you leave the ends open. Write your address carefully.

'There never was a husband,' exclaimed Mrs Strongmind, 'that was worth his salt.' 'And only one wife,' meekly replied the husband. 'Her name, my dear, I think, was Mrs. Lot.'

Relief in Six Hours.

Distressing Kidney and Bladder diseases relieved in six hours by the "NEW GREAT SOUTH AMERICAN KIDNEY CURE." This new remedy is a great surprise and delight to physicians on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. It relieves retention of water and pain in passing it almost immediately. If you want quick relief and cure this is your remedy. Sold by Garden Bros, Druggists.

Husband (preparing to go to the club)—You kick at everything I do. You used to say I was the light of your life.

Wife—So you are yet. That's the reason I don't want you to go out at night.

Rheumatism Cured in a Day.

South American Rheumatic Cure, for Rheumatism and Neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by Garden Bros, Druggists.

Mutual Friend—It really is shocking, dear, the way in which you and your husband quarrel and carry on. I wonder you don't separate from him. Injured Wife—What! go away and leave him alone to do just as he likes? Not me!

SIRS—My baby was very bad with Summer Complaint and I thought he would die, until I tried Dr Fowler's Extract of Wild Strawberry. With the first dose I noticed a change for the better, and now he is cured and fat and healthy. MRS A. NORMANDIN, London, Ont.

Fond Wife—Do you love me, Algy?

Fond Husband—Love you! Why, I believe that I would be ass enough to marry you the second time if I had the chance.

Skin Diseases are more or less occasioned by bad blood. B.B.B. cures the following Skin Diseases: Shingles, Erysipelas, Itching Rashes, Salt Rheum, Scald Head, Eruptions, Pimples, and Blotches, by removing all impurities from the blood from a common Pimple to the worst Scrofulous Sore.

Why, Dottie, I thought you were going to be married? So I was, and the banns were put up and everything, but but as we didn't get any presents we've put it off till times are better.

Consumptives, cheer up! You are not going to die, if you will but take Miller's Emulsion of Cod Liver Oil, "the kind that cures" coughs, colds, bronchitis and the first stage of consumption. Every bottle warranted. No oily taste like others. In big bottles, 50c and $1.00, at druggists.

Aunt Chloe—I'se readin' dat de gods has amblosher an' neckchure ebery day.

Uncle Ephum—Dat's nuffin, honey; we's got watermilyuns.

DEAR SIRS—I have been using Burdock Bitters for Boils and skin diseases, and I find it very good as a cure. As a dyspepsia cure I have also found it unequalled. Mrs. Sarah Hamilton, Montreal, Que.

Does it take your wife long to make up her mind when you ask her if she wants to go to the theatre? No, it takes her longer to make up her face.

DO YOU PAINT?

NO one needs to be told that the object of using Paint is to Preserve and Beautify. Our climate calls for a good paint. What then has proved to be a good overcoat, as it were to interpose between the elements and our buildings.

THE ELEPHANT WHITE LEADS are the very best to buy, use and recommend.

Our reasons for saying so—It is corroded by the old Dutch process from the highest grade of Pig Lead, noted for its freedom from all impurities. A world-wide reputation has this popular Scotch Lead in the Old Country, and in India, Australia New Zealand, the "Elephant" Brand of White Lead is a household name.

GEM - WHITE - LEAD,

Blue, Yellow, Red and Black Leads.

ABOUT MIXED PAINTS:—Elephant Liquid Paints are made from genuine colors of great covering power, they will dry quickly with a hard glossy surface and will wear freely under the brush and can be applied by anyone.

If you want good and satisfactory work done, be sure that you get our celebrated Elephant Brand, and do not allow yourselves to be imposed upon by having inferior brands forced on you because they would prove to be a source of annoyance and trouble.

KALSOMINE Elephant Brand.—15 shades of exceeding beauty. These are really first class water colors and are manufactured in all the latest and most fashionable tints, clean, sweet and wholesome.

Mrs Hussiff—And, now, having had a lunch, I want you to saw that wood. It won't take you more than an hour.

Rural Ragges (with dignity)—You'll excuse me, madam, but in makin' a mornin' call I stick ter social etiquette. Twenty minutes is my limit, an' that space has elapsed.

In an Exeter, N H, town meeting, the question of building a new fence about a burying ground, was considered. Judge Smith opposed it: 'what is the need, Mr. Moderator,' said he, 'of a new fence about such a place? Those who are outside of it have no desire to get in and those who are inside have no desire to get out.'

Mrs. Sauers (to Willy, as Minister calls to see Mr. Sauers)—Willy is your father in?

Willy—Yes, he's upstairs going over your scrap-book.'

Mrs. Sauers (puzzled)—Scrap-book! You mean my family account book.'

Willy—Well, it's all the same! He and you always have a scrap every time he goes over it.'

A teacher asked a very juvenile class which of them had ever seen a magnet. A sharp urchin at once said he had seen lots of them. Where? inquired the teacher, surprised at his proficiency. In the cheese.

HE BOBS UP AGAIN.

Sam. Murray, whom the Doctors had Pronounced as Incurable, Still on Deck —Now Acting as Foreman for a Big Lumber Concern

NORTH BAY, Sept 3—Sam Murray's name is one that has often figured in newspaper columns during the past eighteen months because he was cured of paralysis and blood poisoning by Dodd's Kidney Pills, after half a dozen physicians had pronounced him an incurable. On the strength of physicians' certificates, Murray was paid his disability claim by the Grand Trunk. Since he was cured by Dodd's Kidney Pills, he has been accepted as a first-class risk by a leading life insurance company. About a year ago, he got a position as foreman for the big lumber concern of Davidson & Hay, of Toronto, and the fact that he was able satisfactorily to attend to the trying duties of such a position, is ample evidence of the permanency of his cure.

Clara—May I come to your wedding? Agatha—I cannot promise you that. My parents are so enraged at my choice that I hardly know whether I shall be allowed to go there myself.

BELLEVILLE, January 4 h, 1878

Messrs DICK & CO., Montreal.

"Dick's Blood Purifier" is the best of all the Condition Powders I ever used. It makes a horse thrive and feel well, improves his coat and keeps him perfectly clean in the legs, no matter how long he stands in the stable. I gave half of the first box to a gentleman who had a fine trotting stallion that was swollen in the legs, and had scratches from being out of condition, and in a few days his legs were perfectly clean, and the cracks healed rapidly.

JOHN JOHNSTON.

It is a good thing people are not treated nowadays as Ananias was for lying. Why so? Why if we were, Albert, nobody'd be left alive but you and I, and you'd be paralyzed.

Peculiar to Itself.

Hood's Sarsaparilla is peculiar to itself, in a strictly medicinal sense, in three important particulars, viz: first, in the combination of remedial agents used; second, in the proportion in which they are mixed; third, in the process by which the active curative properties of the preparation are secured. These three important points make Hood's Sarsaparilla peculiar in its medicinal merit, as it accomplishes cures hitherto unknown.

But it is not what we say but what Hood's Sarsaparilla does, that tells the story. What Hood's Sarsaparilla has done for others is reason for confidence that it is the medicine for you.

'Many sports here?' asked the enthusiastic athlete as he got off the train at Sycamore, Miss.

'Plenty, stranger,' replied the native, "There's huntin', fishin an' lynchin'."

What no Fellow Can Find Out.

Four men may eat green fruit with impunity, but a fifth may try the experiment and an hour or so later be tied up in knots with cramps and dysentery. Who the fifth man will be is one of those things no fellow can find out, and consequently all should take time by the forelock and prepare for such an attack by keeping on hand a bottle of PERRY DAVIS' PAIN-KILLER, which is a safe, quick and infallible cure for diarrhea, cholera, cramps, or indeed any disorder of the stomach. This excellent medicine can be bought at any reputable drug store. 25c. will purchase the Big Bottle. New size.

His Wife—But, Henry, why do you wish to burn your love letters to me? Didn't you mean what you said in them?

Her Husband—Well, yes. But I've just made my will and I don't want any lawyer to use them as proof of my insanity when I'm dead and gone.

More Victims Than Any Other.

There are more victims of nervous prostration in this country than any other physical or mental disability. It is the Nemesis of the man who overworks himself. But more and more of the victims are learning that Hawker's Nerve and Stomach Tonic, sold by all druggists, is a certain cure for nervous prostration in its many forms.

Young Wife—Oh, George, there's smallpox in town, they say. What in the world would we do if the baby should catch it?

Young Husband—By Jove! I hadn't thought of that. Let's go and both be vaccinated right away.
