SPOTS AND BLEMISHES, CAUSED BY BAD BLOOD, CURED BY B.B.B.

DEAR SIR:—I am thankful to B.B.B.
because I am today strong and well
through its wonderful blood-cleansing
powers. I was troubled with scrofulous
spots and blemishes all over my body
and was advised to try B.B.B. I took one
bottle, and positively say that before
I had taken half of the second
bottle I was

PERFECTLY CURED.
I am so pleased to be strong and
healthy again by the use of B.B.B. and
I can strongly recommend it to every-
body.

Miscellaneous.

Patrick and Michael were talking over
the grim subject of autopsies, and Michael
said:
"And sure it's me that would never
permit the murtherin' doctors to make
their autopsy wid me."

Pat:—Fussal and vedo, Mike.
Mike:—It would be necessary for the
specimens to walk over me dead body
first!

Pat:—I had, an' why mightn't they do
that, Mike? It's a simple moider ye
have, me by. Now, for me own part,
shin I'm dead I'll have an autopsy sure.

Mike:—An' why will ye have it, Pat?
Pat:—Because I don't deny meself the
small satisfaction of knowin' what I
had wid.

"His expressions are very objection-
able," said the precise young woman. "I
think I shall have nothing more to do
with him."

"Why," inquired her company.
"He writes me that he reached home in
good shape."

"That is thoughtful on his part."
"I know that. But "good shape" is
such bad form."

What Am I to Do?
The symptoms of Biliousness are un-
pleasant to the eye. They differ in different
individuals to some extent. A Bilious man
is seldom a breakfast eater. Too frequently,
he has an excellent appetite for liquids, but
none for solids of a morning. His tongue will
hardly bear inspection at any time. If it is not
white and coated, it is red, at all events.

The digestive system is wholly out of order
and Diarrhoea or Constipation may be a symptom
of the two ailments. There are often heavy
rheums or even loss of blood. There may be
dizziness and headache and acidity of stom-
ach and tenderness in the pit of the stomach.
To correct all this it is not enough to try Green's
August Flower, it costs but a trifle and thor-
oughly cures the ailment.

Mr. De Styles—Well, are all your en-
gagements for a summer at the fashion-
able resorts completed?
Mrs De Styles—Nearly, but I'm in
such a quandary. I have arranged to
go to our house plants to a flower show,
out to a cat house, and our dog to a
carnival boarding house, so that all will be
well and I will not fail, but what in the
world shall I do with the baby?

For Over Fifty Years,
Mrs WASSON'S SOUTHERN SYRUP has been
used by millions of mothers for their chil-
dren's teething. It is a natural and healthy
substitute for any artificial feeding. It is
made of pure cane sugar and is perfectly
safe for infants. It is a most valuable
remedy for all ailments of infants, such as
colic, wind, and teething. It is a most
valuable remedy for all ailments of infants,

"Be mine, sweet one," he implored as
he knelt at her feet.
"I am sorry to give you pain," she an-
swered, "but I cannot be. Cease to think
about me and find some other girl who
will make you happy."

"That's a good idea," he said, as he
arose and dusted his trousers knees with
his handkerchief. "I was a fool not to
think of it before."

Then she was mad.

"Why does your husband drink so?"
"It's all on account of a soft spot in
his stomach."

"A spot?"
"Yes. At least I think that's the
cause, for every time he takes a drink I
hear him say, 'Ha! that goes right to
the spot.'"

"Gift Enterprises"
Seem to be all the rage in the Shop Business,
owing to the idea of some manufacturers (I get-
ting something out of me) of some possible. Goods
get a bogus lot of a few kinds, and are offered
at a "Black Market" price, and others, an ad-
vance to recommend such to the trade.

It is a well-known fact, however, that a genuine
article made in the shop of a manufacturer, is
never sold at a low price. It is a well-known

Little Johnny—Aunt Julia, what
makes those funny spots on your face?
Aunt Julia (who is very freckled)—I
believe it's because I have so much iron
in my blood; it is only when I have been
out in wet weather, though, that they are
noticeable.

Little Johnny—Oh, yes; I know!
You go out in the weather and the iron
in your blood gets rusted.

Admiring Friend—Well, that is a
baby!

Parent—I was going to say that if you
had any doubt about it you might come
home with me, and I stay all night.

Mr. Bondstock (tenderly)—Do you

teach you from?
Miss Wurmum—Your pocketbook.
