KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 75c. bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

Wilmot Parish S. S. Convention.

A session of the Wilmot Parish S. S. Convention was held in the F. C. B. Church, Lakeville, on Wednesday, January 17th inst. The president being absent, H. T. London was requested to take the chair. The afternoon meeting commenced at 3 o'clock by singing "We need Thee every Hour;" then Rev. Mr. Lucas conducted a bible reading, after which Rev. Joseph Parkins offered prayer. The chairman then declared the meeting open for the transaction of business. The Minutes of the last session were read and approved.

Bros. I. S. Carvell, G. E. McClintock and H. T. London were appointed a nominating committee to report at the evening meeting. The Secretary gave a short verbal report of his work during the past year. G. E. McClintock, Superintendent of the Methodist School, Centreville, and I. S. Carvell, Superintendent of the Union School, Lakeville, gave a favorable report of their schools. H. T. London, Superintendent of the school at Good's Corner, reports that school closed for the winter. The school at Charleston was represented by John Lipsitt and Mrs. G. Delong; they report the school closed for the present. Rev. Mr. Lucas, then gave an address, showing the great responsibility resting upon parents and professing Christains in neglecting the work of the S. School.

A collection was taken up and the afternoon session closed by singing, and the Benediction by Rev. Mr. Lucas.

The evening session commenced at 7 o'clock by singing "Onward Christian Soldier," (Mrs. G. R. Smith at the organ) after which Rev. Mr. Lucas led in prayer. After more music, a scripture lesson was read by Rev. Mr. Parkins, then H. T. London, G. E. McClintock and Rev. Mr. Parkins offered prayer, after which the chairman took charge of the meeting. The nominating committee report as follows:—For President, I. S. Carvell; V. P., Charles Merithew; Sec Treas, Colin King. Additional members of executive, H. T. London, Harrison Stickoe and William Barrett. The report of the committee was accepted and the officers elected as recommended. The newly elected president then took charge of the meeting, and called upon Rev. Mr. Lucas, who gave a normal lesson on the blackboard, asking questions, many of them being readily answered by S. S. scholars and others. The lesson was interesting and instructive and will not soon be forgotten by many who had the privilege of receiving such instruction. The Rev. Mr. Parkins then gave a short address, showing the great need of more earnest work on the part of parents and all Christian workers in the interest of the S. School. E. L. West also gave a short address in the interest of S. S. work.

Rev. Mr. Lucas gave a very interesting account of the work he is engaged in, stating that he finds in many sections of the province a great lack of spiritual instruction, where there are no S. Schools and but few preaching services. Mr. Lucas's address was earnest, full of instruction and has already begun to bear fruit, as many left that meeting determined to do more and better work for the Master through the instrumentality of the S. School.

The question slips were then taken up and the several questions answered in a very intelligent manner by the Rev. Mr. Lucas. A collection was then taken up amounting to two dollars, in aid of the P. S.S. Association. The evening meeting was then brought to a close by singing "Abide with Me," and the Benediction by Rev. Mr. Parkins.

Owing to the short notice of the meeting of the convention and the state of the roads the afternoon session was not so well attended as it otherwise would have been. At the evening meeting the commodious house was well filled with an intelligent and attentive audience, who listened with pleasure and, we trust, profit, to the addresses delivered and to the exercises of the evening, especially those of the Rev. Mr. Lucas.

C. KING,
Secretary.

A Boston Boy's Eyesight Saved—Perhaps His Life

By Hood's Sarsaparilla—Blood Poisoned by Canker.

Read the following from a grateful mother: "My little boy had Scarlet Fever when 4 years old, and it left him very weak and with blood **poisoned with canker.** His eyes became so inflamed that his sufferings were intense, and for seven weeks he

Could Not Open His Eyes.

I took him twice during that time to the Eye and Ear Infirmary on Charles street, but their remedies failed to do him the faintest shadow of good. I commenced giving him Hood's Sarsaparilla and it soon cured him. I have never doubted that it **saved his sight,** even **if not his very life.** You may use this testimonial in any way you choose. I am always ready to sound the praise of

Hood's Sarsaparilla

because of the wonderful good it did my son." ABBIE F. BLACKMAN, 2888 Washington St., Boston, Mass. Get HOOD'S.
