Just About to Fall.

Have you seen the happy mother when the be begins to talk? Have you seen her teach the tiny tangled way to walk? Ever mear each slender shoulder,

With her ready hands to hold just about to fall. baby's childhood days, When the golden gleam of sunset on her tangled

And the mother, though grown old mear enough to call With her ready hands to hold her, when she's just about to fall.

As the lifeless limbs grow colder : Mother !" hear her call. But there are no hands to hold ther, and she's

Lauxched alone on life's rough ocean, But the voyage is a lonely one, and sometimes, And by faith she sees another hand to hold her

Selegt Tale.

HOW IT CAME ABOUT.

ches of the cherry trees against the fair another young girl in the same predicawindows that were shaded inside by ment as worthy of imitation. starched white dimity curtains. Bright The days went on, very wearily to pretty Millie Dale.

bare arms, dimpled at the elbows; her that was to carry him to the train. round white hands ffying through the flour; her trim, well-shaped figure, in its brown calico dress big gingham apron and narrow white collar; ber daintilypoised head, with its mass of neatly arranged braids of nut-brown hair; her fine dark complexion, with its cherry red lips and pink-tinged cheeks, and her roguish, merry eyes, as brown as a berry, somehow there was such a barrier be-whose white lids just now were cast tween them. demurely down, as she dexterously mix-

ed her flaky crust. 'You are going to answer me, Millie, fellow in such awful suspense." thest end of the table, with his eyes fix- not I must do it.' ed intently on Millie's face : and Millie,

'Nonsence, Millie!' and his loud Theo's arms about her. voice rang hers down. 'You incorrigible 'Millie! I have been so wretched. coquette, you; why didn't you say 'Yes' and now you make me forever happy or 'No' when I asked you to marry me?' My brave, beautiful darling!'

He bit his mustache vexedly. How ought he to woo this shy, charming girl, who utterly ignored all his tender speeches, who blushed when he acciden-

tally caught her eye? 'You forget it!' he murmured bitterly. Do you ever remember anything but should sit upon the throne of England the receipt for pie-crust and Charlotte for over 50 years. 2. big tears splashed on her white ruffled stumbles on life's pathway, men are too apron, while she looked quickly around apt to spurn him and let him lie. Those to see if any one detected the weakness | who have done wrong and repented often

and her cheek flamed as she saw, leisur- world's ban and displeasure; but bitter Woodstock, Aug. 29, 1893 -tf 35 ely promenading to and fro under the experience is more able to testify of trees on the lakelet's edge, and in full these things."

view of her window, Theo Lynde, with a stylish dressed young girl on his arm-one of the boarders up at the hotel, she knew at a glance-and that, too, after all Theo had said about disliking such frivulous young ladies, and giving Hon. G. W. Ross President it as one reason for coaxing Farmer H. SUTHERLAND, Manager Dale's wife to take him as a boarder.

Well, Millie thought it was all over with them. What a big fool he had been not to see she never meant what she said, last baking morning. Any howand she caught her breath very like a sob-Theo Lynde was the only lover she ever cared a jot for ; and he had turned right around from her and begun to court another girl.

Up and down, up and down they walked, and Millie sat and watched them through a very tempest of emotion, first of jealous anger, then jealous love, then outraged love, then wounded affection and regret; and when it fairly came to that, Millie's beart grew sick, and the angry pride fled from her eyes before the surging tears and she moved away, from the window where she could not see

What was she to do to cure this heartache? What could she do? How, if she dared do anything, ought she to go

Those were the questions Millie Dale asked herself these June days, after she had foolishly done what a good many other girls have done before her-wantonly coquetted with their happiness. And she answered her self-imposed It made a very pretty picture—the picture—the pig sandy-floored kitchen, with the bran- anly, that I offer her behaviour to many

scoured tins hung on one side of the Millie, until the Saturday wien Mr. wall, and directly under these shining Lynde was to go away. His trunks rows stood the huge white-wood table were packed, and one of them Millie that had been scrubbed till it was white knew was full of daintily frilled and rufflalmost as the curtains. A large dough ed shirts, snowiest white vests, linen tray, partly filled with sieved flour, stood suits, that she herself had washed, starat one end; a half dozen deep, yellow ched and ironed. And then, when she pie plates were ranged along, and the dared delay no longer, Millie went into genius of the realm stood daintly by- the darkened parlor where Mr. Theo Lynde was reading, while he waited for I say she was 'pretty,' with her short Farmer Dale's wagon to come around,

> 'Mr. Lynde!' He started up, bowed and said: 'You are very kind to come to wish me good-bye, Millie." Perfectly free and friendly he was, but

Then she raised her face freely to

'Not to say 'good-bye,' Theo; to beg aren't you? It's hardly fair to keep a you to forgive and forget what I said the other day. I did wrong, and whet-Theo Lynde was sitting at the fur- her you want to have me tell you so or

Gradually the pink tinge in her cheeks pretending not to understand, raised her darkened to scarlet; yet there she stood, the beautiful penitent, waiting for her 'Really, Theo, you must pardon me. verdict. A moment's silence, and then forgot you asked me what time. forgot you asked me what time--' she felt Theo's kisses on her mouth and

'Oh, so you did! But I forgot all Perhaps afterward she may have explained how it all came about.

Remarkable Prophecies

Thomas the Rhymer made the following prophecies over 300 years ago: That there should come a time when-1. A Scottish sovereign, and that a woman, triffe with me a moment longer. Millie, Canterbury, another Scotchman Prime tell me now—do you love me or not? Minister of England, a third married to the Queen's daughter. 3. That carriages Then he paused to wait for an answer would run without horses. 4. That men send a message 100 miles in five minutes. All are now fulfilled as follows 1. The Queen's descent is from James 'No!' he echoed, in a voice thick with 1. (James VI. of Scotland). 2. The late pain, and sprang to his feet as if the Archbishop Tait was a Scotchman; so is ·I said 'No,' she returned cooly, 'but ter; so also is the Marquess of Lorne,

The Dewdrop and the Child. A delicate child, pale and premature-

through, and sparkle in the moonlight and through the morning onwards to 'Them's first-rate pies, anyhow, Millie; noonday. "The sun," said the child, you'll make 'em equal to your mother "has chased them away with his heat or DR. P. T. KEIRSTEAD. pretty soon. Mr. Lynde, them's fine swallowed them in his wrath." Soon after that came rain and a rainbow; Cherry pie, did you say? No I don't this, my child, thou art taught that what withers upon the earth blooms again in

> A Distinguished Honor Pald a Canade lan Journalist By Lady Aberdeen. The demand for the Telegraph Carnival Souvenir Number has been so great that another larger edition had to be issued to keep pace with the incoming orders. This edition is now being sold to the public at large. It is the same identical number, upon which Her Excellency Lidy Aberdeen personally congratulated the publisher, Mr. Frank Carrel, and later on paid him a further tribute of honor by asking permission The beacon light on the great statue to use many of the half tone engravings for her magazine, "Wee Willie Winkie." This of liberty enlightening the world, in New Souvenir, published in French and English, contains over 100 half-tone engravings characteristic of all kinds of Canadian sports, both is winter and summer, Their Excellentirued; its advantage as a beacon is not Minard's Liniment cures Garget in cows cies Lord and Lady Aberdeen and family in winter costume, and two magnificent colored supplements. No household should be without a copy. Sent to any address in Canada or the United States on receipt of forty cente. Address Daily Telegraph, Quebec, Canada.

It is stated by a Fort Fairfield water that the amount of freight paid to the Canadian Pacific Railway at its Fort Fairfield station during the year 1893 for the transportation of Arocstock products to outside markets was \$127,854 99. The amount paid on outward freight in 1892 was \$82,923.08. which shows a gain of \$44,931 91 tor 1893. The year 1893 shows an increase of \$12,000 on inward freight received at the station over 1892, and the amount received at the station for the transportation of passengers over the Canadian Pacific Railway during 1893 was \$1,854.31 greater than in 1892. Thus it appears that people paid at this point in freight and passenger fare \$58,796 22 more

had adopted the rule of self-protection.

of the requirements, and those who insisted on their 'right' to drink whiskey, etc., were permitted to go elsewhere and secure their drink. First, drunkards do less work than grow to a length of six feet, and are three certain and cannot be depended upon. The men. By their careleseness and incompetency they cause great loss. The following examples will illustrate the necessity of so-
