the exports amounted to \$24,139,482 and trade with various countries.

the imports to \$22,108 916. The total of ex We quote a couple of paragraphs—comports for these 73 years was \$1,458,159 324, paring the aggregate trade of Usanda in 1873, the year when prices reached their and the total of the imports \$1,299,977,998. beight, with that of 1893, when prices have gone down to a point as regards many things never reached before, and what is the result? world's enterprise." the continet is equal in area to Europe and North America com The figures as published in 1873 showed as aggregate trade of \$217,800,000, while those of 1893 show \$247 600,000, or an apparent increase of a listle less than \$30,000,000; bined, and combines nearly 12,000,000 rq miles. Its greatest length is 5,000 miles; There are now ninety-two Chietian church to the trade of 1893, and there will appear a Nerve Exhaustion is quickly cured by less than \$153.000.000, or say an increase in round numbers of 70 per cent. as compared with 20 years ago, or if the figures of 1873 A primary school has been opened at Nez representing values are reduced by the amount of the fall in prices, the result so far se the percentage of increased trade is con-cerned is the same. These figures are based upon an estimated general tall in prices eince 1873 of 83 1 3 per cent., though German statisticians place the per centage at about

The tennage of vessels engaged in foreign trade entering and clearing at and from Canadian ports was in 1873 about 11,750,000 tons and in 1893 about 18,550,000 tons, or say an increase of about 58 per cent., while the volume of increase of foreign trade by railway will easily account for the 12 per cent. required to make up the estimate of 70 per cent.

My feet were so badly swollen that I could not wear my shoes I got Yellow Oil and to my astonishment it gave instant relief, and two bottles comp'etely cured me Mrs. W. G. Mc Kay, Berwick, Oat.

It is pointed out that there should be an expansion of our trade with the West Indies, especially in cheese and butter, but the necessity is shown, as regarde exports of these goods, of using different It is pointed out that there should b exports of these goods, of using different kinds of packages from those in common boxes and of lighter weights.

For Conscience Sake.

Mr. Laurier addressing a public gathering, To about 70,000 European soldiers in In- recently, said he appeared before that andidis there are 160,000 native regulars, and as ence, however, not with the intention of quarreling or fieding fault with the consci-DEAR SIRS-I was suffering very much from have no fault," said Mr. Laurier, with a emile, "to find with the man who votes either Grit or Tory, but I would be better pleased if the conscience of the mac impels him to vote Grit rather than Tory." "But," said he, becoming more gra-

men, whether they be Grit or Tory, tor often forget that the Government exists for the people and not the people for the Governorget that questions with which they have to deal do not mean merely the advance of Mr. So-and So, but that there affect the material interests of the people of this country I claim no merit nor any Spavia Liniment completely removed a curb from extraordinary virtue, though virtue is to be my horse. I take pleasure in recommending the remedy, as it acts with mysterious promptness to you from a more common thought when I in the removal from horses of hard, soft or calloused lumps, blood spavin, splints, ourbs, conscience and nothing else, because I am sure that if you do that upon the questions that now divide the parties you will be overwhelmingly on the side of the Liberale; you In 1845 a Scotch farmer sued the customs | will vote Liberal, whatever you may have

The 18th bi ennial session of the Supreme Lidge, Knights of Pythias, will meet in Washington on August 28th, to continue for a week. It is expected that over 100 ur form Knighte will go from New Brunewick. It is expected that 200,000 members and friends of the Order will part cipate. In Washington the first L'dge was instituted

The Order has a membership of 500,000 of whom 56.000 are of the uniform rank, which is the military branch of the organization. Besides this there is a membership of 32,000 in the endowment rank, one of the greatest benefit institutions in the world, with an endowment of \$70,000,000, and which in the year 1392 paid out \$2,000,000 in indemnities

to its members and their families. Many and valuable prize will be offered for competition.

Boys and Youths Overcoats and Suits at the ghoet of former prices, at Hagh Hoy's.
