An English Clergyman.

Makes a Statement on a Subject of Universal Interest.

The Rev. Alexander Gordon, M. A., Falkland Road Egremont, in Chashire, England, has made public the following statement. which will be read with special interast in Canada: 'I have used Hawker's nerve and stomach tonic on two occasions and found that it admirably serves its purpose. At one of these times I was run down through overwork, and the tonic—two bottles—renewed me, giving tone to the whole system. through overwork, and the tonic-two bottlesrenewed me. giving tone to the whole system
I can the roughly recommend this medicine to any
similarly placed." Hawker's nerve and stemach
tonic is a perfect nerve restorer and invigorator,
and blood and fi-sh-builder, as well as a valuable stemach tonic and aid to digestion. It is a
certain cure when faithfully used for all diseases
arising from nerve exhaustion weakened or impaired digestion, or an impoverished or impure
condition of the blood such as nervousness, weakuess, nervous headache, sleeplersness, reuralgia
lors of appatite, dyspapsia hysteria, and the prostrating effects of la grippe or any nerve weakness
of heart or brain arising from worry, overstrain of mind or body or excers sof any nature Hawker's nerve and stomach tonic is manufactured by the Hawker Medizine Co., St John N. B. Canada and can be obtained from all druggiets and dealers. Price fifty cents a bottle or six bottles for \$2.50

Woodstock's Industries .- No. 5.

CARRIAGES, ETC. Anyone, from this county, who has visite towns in this and the other provisces, mas have noticed the inferior character of teams-horses, vehicles and b trness -as com-Woodstock and throughout Carleton County. portant industries; let me particularise:-The same general impression effects strangers from outside, who visit our town, and it is no unusual thing to hear such persons express

try and town seen upon the streets. States. That state of things is now changed; in the county where the roller process is used a States built wheeled vehicle or sleigh is rare and the product is most excellent. Mr. Britand to a very large extent this supply comes from the work shope of the county or the town. from a 21 foot overshot water wheel. Mr.

D. A. GRANT & CO. Came to Woodstock from Grafton in 1880 and

day morning the

27 men are employed, viz: 9 blacksmiths;
6 painters, Thos. Boaks foreman; 3 trimmers,
John Chesley foreman; 7 wood workers, F
Grant foreman; 1 outter; 1 engineer.

The power is from a 26 h. p. steam engine 60,000 feet of lumber are used; most the rims and spokes are imported.

The machinery consists of a surface planer, band saw, 2 circulars, out off saws, buz planer, morticing, drilling and boring machines, eand belt, emery wheele, turning lathe, fanners for 4 forges.

They manufacture 2 seat blackstones; Wind sor, Boston and English surreys; gents' phaetons; ladies' phaetons; Bedford waggons; democrate—what is a democrat? a two seat ed carriage like an express waggon;—chad bourne; corning and business waggons; Ban gor buggies—these make a very handsome carriage and are superceeding the phaetons; piano box buggies; concord waggons; dog carte, farm wagons and any other kinds of wheeled vehicle that may be wanted; sleighe, All the work, except as specially noted, is done on the premises. The cheaper grades of tops are imported as are the light axles and

They formerly imported their gears but now manufacture a much superior article to This establishment turns out yearly some 300 wheeled vevicles and 200 on runners which are sold in Nova Scotia, Newfoundland, all parts of New Brunswick—they have an established agency in St. Stephen while, of course, the home demand is very great. Orders have been received from the North West which, however, could not be filled on ac count of the freight rates for so great a dis tance. On June 1st two carriages were ship ped to fill orders from Grand Manan, and, too, quite a number of orders come from the United States. When our reporter called the firm was building a large peddling cart for the W. Woollen Mills and was told that

no less than 7 meat carts had been made over and repaired this spring. In the two warerooms there was a large and varied show of carriages completed or ready for the final finishing touches. The painting and upholetering being remarkably attractive and tasteful.

They use 4 tons of white lead per year and other paints and varnishes in proportion; and their bills for upholstering goods amount to Mr. Grant gives constant superinten dence to all branches of the business. His employes in the several departments are skilled; good material is invariably used, the result being that the output of the establishment in their make-up, painting, upholstering and trim ming does the manufacturer and the town oredit. Mr. Harry Grant is the efficient side of the river. While the government are subsidizing ferries in different parts of the county, it would be well for them to remember this one.

The blacksmiths are H. A. McLean and William Carroll.

Harness maker, J. E. Kelly, and the boot and shoe maker. M. A. Tompking who is

Mr. Grant reports business as good this year as it was last; he considers the changes in the tariff, as for instance in springs on which the duty has been somewhat lowered, of some advantage to his business.

oredit. Mr. Harry Grant is the efficient

Mr. Estey moved into town from Grafton a few years ago and erected a three story building, 30x60 feet, on the corner of Queen and Richmond streets, where he now carries on an extensive business.

He employs 4 men in his chops besides those who do certain parts of the work out.

The postmaster is J. J. Hayward; D. S. Jones is Parish Court Commissioner.

There is a Superior School with two departments, George Wheeler teaching the advanced and Miss Bell the primary.

eide. The painting is done by McKenzie; Colby Henderson, Upper Woodstock, makes the bodies and gears and Charles Plummer, Jacksonville, does the upholstering. He imports his tops and stock for heavy wheels from Ontario, and his light wheels from Untario He uses some 14.000 feet of domestic lum-

ber and his entire stock bill is about \$5,000. The machine work is done by the W. W. W. Company and the iron work in his own blacksmith shop. This latter is an important factor in connection with Mr. Estey's general business as he has here an extensive horse shoeing and repair trade and last year did \$2,000 worth of work on the bridge.

Mr. Estey makes some 30 light carriages of various styles a year; shout 20 farm wag.

Will be sold cheap for Cash.

Bristol. Bristol, your readers know, is well loca'ed being near the Shikteh wk, at the entrance of the Glassville road and opposite the fig

It is a growing p' se and has a bright fo ture before it. It has become the site of im BRITTAIN'S MILL.

The grist mill of G. A. Brittain is located near the bridge, on the Glassville road. Here surprise and satisfaction at the handsome and | for 20 years he has carried on the business of well appointed "turn outs" belonging to coun-til now his work has, all over this up river section, a grand reputation. The mill is 24 There was a time, and not long ago, when, x 52, with an annex 24x30; there are two run in order to have made such a showing, is was of stones and a roller mill for making bucknecessary for purchasers to go to the United wheat flour. This is said to be the only milt ly seen here; Uanada supplies the demand; tain also runs a carding machine in his mill W. S. Wiggins is the miller assisting Mr. Brittain. The customers of the mill come from all parts of the up-river country, Aber became established here, in a capital locality deen, Brighton, Kent, Peel, S monds, Wick at the southern end of the Meduxoakeag low and Aroostook county. The mill is very complete in its appointments; the proprietor also runs and works a large farm. His resimed cedar hedge, is quite attractive and in viting to the traveller.

> Last year reference was made in the SEN TINEL to the wood working factory. That cetablishment was entirely destroyed by fire. A new one has, however, taken its place and two young men Mesers. Brittain and Barter

Near the mouth of the Shiktehawk stream just above the R. R. bridge, Mr. Erlon W. Bell has a saw mill, where he manufactures a large quantity of logs brought down that stream. He also runs a planer and lath matter the discip's generally on hand to assist and promote the gospel work of his day, was considered a model especially worthy of similar reasons been given to the first of a series of mission churches of London, England.

LAZARUS. two crews of 5 each as the mill runs day and aight. The power is from a turbine water wheel of about 40 horse power.

A short distance above, Lockhart Bros. own and run a large mill, the machinery product is mostly for home consumption.

Jediah Giberson has a small wood-working factory on the little stream and manufactur

doors, sashes, mouldings, etc. for local trade.

A number of the sporting men have leased the Maddox property and are grading and getting it put in order for a trotting park.

Leonard Hotham has got a good half mile track nearly completed. The directors are Mathew Colwell, Wm. McIatosh, J. E.K. ley and Ion Contin. and Jos. Curtis. They expect to have the track open for the public this summer.

A good ferry was formerly run here, and is needed now, but since the building of the Florenceville bridge that has drawn a great part of the travel that way, and made it unprofitable to keep a ferry here. The result is that many who would cross here cannot, and have to go round by the bridge, and Bristol thus looses a large trade from the

Harness maker, J. E. Kelly, and the boot and shoe maker, M. A. Tompkins, who is now building a tannery a short distance from

W. B. Tompkins, makes and repairs carriages, etc , employing 3 men; he uses water power to run his machinery. of some advantage to his business.

CHESLEY ESTEY.

Mr. Estey moved into town from Grafton

One of the duty has been somewhat lowered, of rdd his machinery.

The general traders, who have well filled stores of well assorted goods are Edwin Phillips, W. A. Sherwood, O. A. Phillips, C. A. Phillips & Son, William McIntosh and D. S.

Isachar Boyer has a livery stable and attends the trains with a team, while Anson Boyer is the mail carrier to Glassville, Beau-

The hotels are two, one kept by Mr. C. A. Phillips; the other, the Bristol House, by M. Colwell. Here, Dr. Atkinson has his cozy residence and, with Dr. Churchill, ministers

of various styles a year; about 20 farm waggons, a considerable number of pungs, and
does a very large business in sleds.

His output includes Bangor, Piano box,
Corning, road waggons, Phaetons, etc., open
and top, of which we were shown some very
handsome specimens, in his show room, which
for comfort, elegance of finish, as to mountings, painting and upholetering, were first
class.

When Travelling

Mr. Elbridge Everett has the frame of a new house in course of erection. It will supply a Mrs D Fraser, of Arthurstte, is visiting Mrs Wm Johnston and other friends in the vicinity of Burnt Land Brook

Mr Harding Shaw, of Mars Hill, has been on a visit this week to the family of Wm Johnston, and has returned to his home in Maine. On the 28th ult, the teacher at Riley Brook. Miss Lint, was united in matrimony to Jacob Kilburn. The happy event was presided over by Isaac Gaunce, Esq Congratulations. seen from the road.

Dyspepsia and Debility

Easily Banished.

No troubles are more common and prevalent in our midst than dyspepsia and nervous debility. These horrid ailments make life miserable for thousands, and many die every year because they have received improper treatment and bad care. Hur dreds of lives during the past year have been saved by Paine's Calery Compound, that wonderful medicine that copes so successfully with dyspepsia, indigestion and all nervous effections. Mr. H. G. Poirier, merchant, of Belledune, N. B., writes as follows; B., writes as follows: of misery and woe. I cannot say too much in its favor, and would urge all to give it a trial at

B., writes as follows:

"It gives me very great pleasure to say something in favor of your wonderful remedy. Paine's Celery Compound. My object is to let others know what a valuable medicine it is for those who are afflicted with dyspepsia and nervous debility. For years I have been a victim of these dreadful troubles, and have suffered terribly from time to time. I have tried to get relief and core by using various advertised medicines, but all failed to give the desired results. I fortunately aveyour medicine a trust some time ago, and sconfound I had got hold of a valuable and honest agent. It soon commenced to do me good, and after using it for a time it has cured me.

I know of nothing I can so stronly recommend to the suffering dyspeptic; if it is faithfully used it will give him a new and enjoyable life instead of misery and woe. I cannot say too much in its TANS. SON BLACK,

KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptab's and pleas-ant to the taste, the refreshing and truly beneficial properties of a perfect lax-ative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance. Syrup of Figs is for sale by all drug-gists in 75c. bottles, but it is manu-factured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.
