MEDICAL MEN. Are Interested in the Discovery of a Remedy for Brighe's Disease

MONTREAL, Dec 24—The subject of kidney disorders and diseases is one receiving special attention from the medical profession just now, attention from the medical profession just now, probably owing to the fact that a disease of these organs caused the death of Russia's Czar Among other points attractive to the profession is the case of Dr McCormick, of Richmond. Que, a practitioner well known throughout Quebec and Ontario He has lately published a letter announcing that he was curad of Bright's disease by Dodd's Kidney Pills. This case has a peculiar interest for the medical mea, because until these pills were offered for sale, this disease was universally considered incurable. That belief is now thoroughly exploded by the success of this remedy, to which numerous victims of the disease owe their lives and sound health.

Among other points attractive to the profession of Russia's Czar Among other points attractive to the profession who will show by analysis that SMITH'S CHAMOMILES contain any calomel or poisonous mineral. They are purely vegetable and cannot harm the most delicate child. They are the most effectual remedy known for Headache, Backache, Stomache, and all other kinds of sches, pains that arise from a disordered condition of the stomach. Smith's Chamomile Pill's will cure all bad taste in the mouth. Smith's Chamomile Pills will cure dyspepsia if used according to directions.
