Clements. He had wandered in search of the picturesque with Nora, had sac-rificed gloves and boots in the pursuit of wonderful boughs and inacessable flowers. He had listened to Georgina till his ears fairly ached, and he was divided in his Hon. G. W. Ross President own mind as to whether the performer or the listener deserved the most pity. He had admired Cordelia in every variety of costume, in every effective attitude; had seen her eyes raised, and the long lashes of the drooping lids; and marvelled at the whiteness of her hands, at the profusion of her curling hair; had considered her a beauty, a weari-

ness, and a burden of spirit. But he could find but little time t speak to Maggie. He saw the evidences of her industry and taste in every detail of housekeeping; knew whose skill directed the servants, whose fingers filled the flower vases, whose eyes were everywhere. But the very perfection of all these arrangements kept the little woman too bu y for many idle moments, and in the evenings the older sisters were all

Two months had passed and instead of June roses early fall fruits and flowers But the world said, frowning. "We shall not were abundant in Mossville when Pau Goddard passed again through the village and called at Dr. Clement's office.

'I am so sorry,' said Howard, as he cordially shook his friend by the hand. 'All the girls are away. Uncle James invited them to pass a month at the White mountains, and they deserted 'Then you are alone?'

'Oh, not entirely. Maggie stays 'Oh, Miss Maggie is here. Shall intrude if I stay a day or two, How- |. 'Intrude, Paul? Far from it. I am
