human affairs is known. Mr. Gladstone has should say made no difference as to the agoi- of a by law, was in order. Majesty the privy seal; he retires to the than if I had brakemen; did not violate any deniet of his family and his books, a commoner, having declined the honor of a la reply to a question, Mr. S:ewart said peerage offered him by the Queen. All the that a butting oullieion must necessarily be reasons, and there is much speculation indulged in by English writers on the matter, be the case in a collision of trains running in force. eye, a outaract, for which an operation is out to the jury their duty to determine by same terms as last year. stone at the present crisis to resign will, death, and where the blame, if any, should thorized to obtain an overflow slarm for doubtless, in good time be revealed. Meanwhile he leaves his high position in public life still to live, it may be hoped, for many ceased come to his death accidentally, and years and while living and long after he has from the evidence before us we are unable ceased to live to bold a firmer place in the affections of his countrymen and of the world

It is well expressed by a London corres-Mr. Gladstone has retired to the ranks as Nawport, R I. a commoner, and yet will ever be known as J. R. Tompkins, E. Florenceville, was one of the world's greatest statesmen. Eug lishmen, regardless of political efficiation or belief, will acknowledge the splendid services to the country and humanity now

On the 3rd inst , the resignation was ten dered to Her Mejesty, accepted and announced in the Court circular. To readers outside of ariet scratic circles the order in which this great national event appears, seems pe culiar. The Court circular states that-

day afternoon." Then follows a list of bany, Prince and Princess Henry of Batten burg; the Hon. Thomas F. Bayard, Ambae sador to the Court of St. James, and the French Ambassador, ending with the names of Mr. and Mrs. Gladstone. It then goes on to enumerate all those who attended Her Majesty's dinner party, wherein the names of Mr. and Mrs. Gladstone come last. This followed by the information that the Queen and Princess Beatrice went out this morning, and then comes the sancouncement anent the council had been held. Finally following the bridges in this councy.

The announcement that the Right How. W. E. Gladstone had an audience with the Right How. W. E. Gladstone had an audience with the Right How. W. E. Gladstone had an audience with the Right How. W. The Right How. The Right How. W. The Right How. W. The Right How. W. The Right How. The Right How. W. The Right How. W. The Right How. The Rig French Ambassador, ending with the names Whenman. Queen and tendered his resignation, which ! was graciously accepted by Her Majesty. It adde that the Queen has summoned Earl arer at St John of the J.P R, had his right sffairs, and offered him the post of prime the wheels of a moving train, under which to bear that Frenchman's speech. minister, vacated by the Right Hon. W. E he fell, that amputation was necessary. Gladstone, M P, and that E at Rosebery has Gen. Superintendent H. P. Timmerman, of ocepted Her M.jety's offer.

The speech from the throne, proroguing parliament, prepared by Mr. Gladetone, his last efficial ac', has been signed by the Queen. If one may judge from the various statein the history of Parliaments and one the re- bim, and Mr. Jones was able to be about on furnishes sitogether the best method for bidy, F. B Bull, H. B, Smith, Chas. H. then this young couple will be very happy. sulte of which may be of gravest importance, bearing in mind the diverse elements and

What May Follow?

Now that Mr. Gladstone's retirement from public life seems to be a determined fact, even the English Tories show alarm, recognising the important influence be has wielded and fearing the consequences when that inof British politics. The London Times says Passengers who were on the train last "that in some sense it is a turning point in Saturday between Grand Falls and Edthe history of the Kingdom. The House of Commons will be profoundly changed by his withdrawal from public life. The House Owing to the hard enow on the track the Coher speakers were Peter Management of Changes and Butter. The first address was by Jas. Good, proprietor of Jacksonville Cheese Factory. are degenerating, and respect for constituted turning rquare across the track. There was suthorities is regarded by many as a mark a gale of wind, blowing the snow into great of weskoess."

A eleeping car service has been established run up from Green Point to Edmundston, through, every evening, except Sundays, and shout 11 o'clock. After coaling up a start prove a great comfort to travellers from Woodstock, and north as well as from Woodstock on the ton. Passengers from Woodstock on the ton. Passenge ton. Passengers from Woodstock on the buried to the windows in the heavy drifts. night, train can take the sleeper at Debec, go to bed, and remain there undisturbed unbeaten, and walking into the village brought til reaching Bangor. The price is \$2 for a contact and a basket of proportion of outser lat ascorsained, here as a social state of the windows in the heavy drifts. But this brave little Henderson was not to be beaten, and walking into the village brought til reaching Bangor. The price is \$2 for a contact and the proportion of outser lat ascorsained, here, a wife and eight children to mourn his money or in cheese, according to the actual absence in the home circle, for he was a low beaten, and walking into the village brought out a gang of shovellers and a basket of promany quarts or ibs.

Additional to the proportion of outser lat ascorsained, here, a wife and eight children to mourn his absence in the home circle, for he was a low beaten, and walking into the village brought out a gang of shovellers and a basket of promany quarts or ibs.

Opposition of outser lat ascorsained, here, a wife and eight children to mourn his absence in the home circle, for he was a low beaten, and walking into the village brought out a gang of shovellers and a basket of promany quarts or ibs.
