Miscellaneous.

It happened in a sunday school The subject under discussion was Solomon and his wisdom. A little girl was asked to tell the story of Solomon and the women who disputed the possession of a child. She timidly rose up and answered:—'Solomon was a very wise man. One day two women went to him quarrelling about a baby. One woman said 'This is my child,' and the other woman said. 'No, this is my child.' But Solomon spoke up and said:—'No, no, ladies; do not quarrel. Give me my sword and I will make twins of him, so each of you can have one.'

A cross-grained Scotch farmer, whose wife was at the point of death, was called to her bedside to hear her last words. She gave her husband clear instructions as to all family and domestic matters, and coming to her own burial, specified all the persons she particularly wished to be invited. 'An', John,' she concluded, 'you an' Willie ill ride in the first coach wi' my mither; you'll promise me that, noo, John, will ye no?' 'Aweel,' said John, reluctantly, heaving a heavy sigh, 'that's my day's sport spyilt, at ony rate.'

'What's John doing now?'
'College.'
'And Bill?'
'Lawyer.'
'And Dick.'
'Preachin'.'
'And the old man?'
'Well, he ain't a-doin' of nuthin' much, 'cept supportin' of John, an' Bill, an' Dick,'

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

A Toronto woman after burying her seventh husband, erected a monument to the whole lot. It consisted of a marble hand, with the index finger pointing to the sky, and on the base instead of names, ages, etc, were the words 'seven up.'

Cumso (who staid at home)—'Did you enjoy the Easter service, my dear?'

Mrs. Cumso—'Did I? Well, there wasn't a woman in the whole church who had on as stylish a bonnet as mine.'

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Knacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

There are 250,000 words in the English language, and most of them were used Sunday by the woman who discovered, after coming out of church, that her new Easter hat was adorned with a tag on which was written:—'Reduced to $2 75.'

How to get a "Sunlight" Picture.

Send 25 "Sunlight" Soap wrappers (wrapper bearing the words "Why does a Woman Look Old Sooner Than a Man") to Lever Bros, Ltd., 43 Scott St., Toronto, and you will receive by post a pretty picture, free from advertising, and well worth framing. 'Yes.'

'Well, I have sold it for 500'

'My! my! What are you going to do with the money.'

In a Washington county town a while ago the local champion liar was brought up before the justice for stealing hens. 'Twas a pretty plain case and by the advice of his lawyers the prisoner said, 'I plead guilty.' This surprising answer, in place of the string of lies expected, staggered the justice. He rubbed his head. 'I guess—I'm afraid—well Hiram,' said he, after a thoughtful pause, 'I guess I'll have to have more evidence before I sentence you.

Bright's disease had developed as the result of her ten years' suffering from Kidney disease — Dodd's Kidney Pills again saves a victim from the grave

BROCKVILLE, Feb. 26—Anyone who asserted a year ago that Bright's disease was capable of a cure would have been written down as fit only for a lunatic asylum. But it has been conclusively proved that Dodd's Kidney Pills are a cure for this disease, that was so long looked upon as fatal. Mrs. J. Oliver, of Phillipsville near here, is one of the living witnesses who can testify to this fact She suffered from diseased kidneys for ten years, and Bright's disease had developed when she heard of and used Dodd's Kidney Pills, which have restored her to perfect health.
