Certain it is that her Lady- results of the picuic. ship has won the hearts of the ladies in Canada by her zealous interest in all the lines of woman's work in moral and philanthropic enterprises.

U. S. Tariff.

While the tariff adopted by the Senate of the United States is not so liberal as the original Wilson bill, its passage is already having a reviving effect on trade in the States There is a very substantial reduction of the duties as under the McKinley tariff especially in those articles in the production and export of which our agriculturists are interested. We subjoin a comparative list of some
