amendment, that there be no action taken in amendment, that there be no action taken in regard to the flag until next January session.

Coun Tweddale seconded the motion, not because he thought a flag unnecessary but because he believed that the county at one time was presented with a flag, and he thought a committee should be appointed to look it up and have it properly placed.

Coun Brymer repeated that there was no record where a County Council had purchased a flag. He did not think they had a right to involve the finances of the county for

right to involve the finances of the county for the purpose, and beside when they made their estimate for the year, there was nothing said about a flag. It the thing is thoroughly already a flag. The cost, some \$19, was a small matter, but add many \$19 together and it would make a great deal of money. Coun Day would not teel so well pleased if he should lose his; election there was one thing the (Day) could not do and that was to evade the truth. He (Brymer) was willing to wind up, if Coun Day would tell them whether or no come under any arrangement council might be was to be a candidate at next election ; if elected, he had no doubt he would willingly Coun Spike was favorable to Bowmaster; give the county two or three flags.

Moved and seconded in amendment to the at one time this spring his was the only ferry between Grand Falls and Andover. He amendment, That the Secretary Treasurer thought Bowmaster had acted in good faith and the Warden be a committee to procure in the matter, and had a right to expect that the flig already donated by Hon John Coeti-the council would do what is fair. He gan, and now in the hands of some private

thought the proposition of Coun Day a good one. He had a talk with Dorsey in the spring, who said the boat was not in good condition, and that he could not afford to pay license and build a boat. Dorsey did not year.

start his boat; between Dorrey's and O'Neil's On motion Tweddale, seconded Ryan, the following resolution was sdopted Coun Tweeddale wanted it understood that he had no objection to Bowmaster or his tions from Chief Commissioner, a portion of the

manner of running the boat, but only as to by-road money is to be retained by government manner of transacting business between council and the operator. Parties should first ty; therefore.

Resolved—That in the opinion of this Council lease, and then ferries should be equipped. Ferries when operated should be done so una road machine would be of no use for by-road purposes in the County; and further.

Resolved—That the Secretary Treasurer do der the arrangement of the law. We say parties must first take out license and then wire the Chief Commissioner asking him to

the council can act as proposed by Coun Day.

[It should not be left open for parties vol available, to be applied this year on the roads. putarily to incur expense, and then come to Adjourned until to morrow at 9 a. m. the council and say when you pay this ex-Oc. and \$1.

Coun Ryan, Is it the duty of the county to maintain ferries? To his mind, the county had no more right to maintain ferries than they had to maintain their by-roads. If they leased those ferries for a term of years what leased those ferries for a term of years what road commissioners for Gordon and by-road.

These are an excellent thing especially in Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized, but with the information at present them he did not see his way clear to vote for Country authorized authorized authorized authorized authorized authorized aut to have credit given him, each year, for his highway tax, in return for supplying water for public on road from Four Falls to Boun-Ooun Davidson said the proposed mode was for public not a business way; let a license be taken out before the matter is dealt with, or else

Bill of conetable Price, \$2.10, for serving read-tax executions, Grand Falls, ordered Petition for a pound in Sisson Ridge paid, and charged to Grand Falls.

Bill of constable Price, \$2 30, serving de-Order en'rusted to them promptly and careully filled the Prices Moderate and all work

Oun Tweeddate judged from the number of names on the petition, that there would be no difficulty in gesting the pound at the property of names on the petition, that there would be no difficulty in gesting the pound at the property of time. As for himself he was perfectly commissioner of highway in Parish of Perth,

willing that the request be complied with, but as all assessments had to be ordered in Moved Brymer, seconded Twesdale, That January, it might not be proper for them to the bill be paid and charged to the parish of order one now. All they could do was to Perth.

give encouragement and assurance that the request of the petitioners would be complied with when the time came that they could do so. It was a question whether they had the right to order the assessment now.

Cons Brymer would offer a suggestion. It was sometimes difficult to get the pound-keeper to make his premises the pound, fearing lest some malicious person should burn him out. Let the conneillors of the parish get some person to build a jound with the assurance that the councillors, were returned.

Perth.

Coun Brymer explained that the bill was hinded him to present to council. It was tor services as commissioner of highways, from that required by act, and wanted council, if they had the power, to give him remuneration. He had to leave his home and travel quite a distance, while all the other commissioner had to do was to consent to what he Willett had done. He had to close the old road up, so that by-road money should not be expended upon it. Then comperson to build a jound with the assurance that if they, the councillors, were returned again, they will see that an assessment is ordered. He had known this done in, at least, one instance. Coun Tapley said that if it was legal to do placed the lumber obstruction on it; hearing pound, each contributing to the cost. ber, he drove down to their place, only to learn that they had sold the lumber to cer

Lorne, for the erection of a pound in Sisson Ridge for the sum of \$1200. Darried.

Committee of Ferries submitted their report, which was read.

On motion of Day seconded by Brymer, parish agreed to pay an officer for exera work, the council had not objected. During the Coun Brymer said there were many prece-Moved by Tapley seconded by Barker, eight years that he had been a councillor that the matter of H H Tibbits, for revisor that had been the practice, but if that prece-

ed a constable and field driver, and Ralph a parish moved and the other councillor of St Peter, pound keeper, parish of Drumwond the parish seconded a motion to pay, it was Bills of A A Dixon, \$38 62, for repairs on Grand Falls lock up, and Jimes F McClusters. With regard to the propriety of the key, \$10 46, for materials for same, total bill, in his mixed, there was a question. The law provided a remedy in such cases. How-On motion, Ethner Tompkins and Paschal ever if the councillors of the parish were sat-Jero were appointed pound keepers and Wm is field to have the bill paid and the amount obarged against parish, as between county Jero, field driver, the parish of Andover.

On motion, George Diniu was appointed a constable, and George Uraig, Gen Acton and George Hudson, by-road commissioners, parish of Perth.

Is a projected pound keepers and wind is lead to have the bill paid and the amount obarged against parish, as between county and parish, and deducted from next year's accessment; if they assumed the responsibility, explaints of Perth.

dover, \$4 50, who reed and, on motion Day, ear he was grateful to the Warden, who act-seconded Ryan, the same was not entertained as though he was affaid that he, Brymer, might oppose him at next election, but be Bill of J A Lyrice, constable service in that as is might, the warden had certainly Queen vs Rogers, \$16.45, laid over till all shown partiality between his parish and him, Beymer. He might treat the parieh fairly On motion Wilson, seconded Day, Resolve even if he did not use him (Brymer) square; ed that the sessement on Frank A Turner, he should give their parish fair consideration to parish of Grand Falls, be reduced \$300, if he did slight its councillors. and the secretary notify the trustees in school district, and that he be refunded the tax on \$300 valuation, and amount charged to particle Grand Falls.

The Warden explained that he had not given an arbitrary ruling, he did not court discussion, but he was only desirous that their business might be done in a business like

Petition of William C Bedell, asking re way. When a bil came in that was not acduction on valuation, from \$2600 to \$1500 cording to law, they should not entertain it; was read and, on motion Day, seconded Mul herrin, the prayer of the petition was complied with, a reduction of \$1,000 was made, by law for closing the road and the law exed ordered charged to parish of Andover.

On motion Tweeddale, seconded Mulherremoved. As regarded respect for the counrin, Ordered that the secretary tressurer be cil and councillors, for the parish and for instructed to issue a ferry license to D Bow himself, as presiding offlier, it was his duty Os motion George Orpin was appointed a construction of Lorse.

Os motion George Orpin was appointed a construction of Lorse.

Oun Brymer said if the warden did not court discussion by did not court discussion, he did, and he wanted On motion the secretary treasurer was or- it reported. The warden stated that he dered to call on William Inman, Lorne, to wanted matters conducted in a business like hand over what road money he holds, to J O way, and wanted to treat that board fairly, but to show his personal feelings towards Telegrams received regarding by road ap. him, (Brymer,) he would remind the council propriation were read.

Moved Day, seconded, That the secretary
reasurer be instructed to procure a flag for warden listened to them, but when he, County buildings.

Coun Ryan said he understood that two sake his seat. He was always willing to years ago Hon John Costigan gave the coun- be obedient to the rules of law and order, but be considered that this bill should and must Coue Brymer said it could not be pointed be entertained. If this was the first bill of out where in any one instance a municipality the kind that ever came before them he would had taxed the ratepayers for the purchase of not say a word, but they had been doing the a flag.

Cons Day said it had been suggested that the law authorized them to pay for extra the Minister of Marine and Fisheries be asked to furnish a flig, but while he knew Cossigns to be a liberal man, he knew that he
had meny claims upon his meane, and thought
the county was well able to buy the flag. It wou'd not cost much and if councillors were willing to contribute to the purpose, he would willingly pay the 12th part. It was a small matter and he thought for the credit of the loyal people of Victoria they should have Coun Tapley remarked that it was certainafing for their public building.

Coun Brymer said it was easy for Coun road. Day to say what ought to be done. He was Coun Spike said that when he first came willing to pay one twelfth, but other coun- to the council board. Andover presented a cillors had just as much money and were just bill similar to the one before them and it was as loyal as ne; the difference was that Coun fired out without any motion. He seked Day, being a member of the Board of Health, Coun Brymer if he could point to a case where might have some bills for a large amongs to a bill like that had been paid by the council. present and thus be better able to quatribate | Coun Brymer-This same Willett has had

councillors no doub: were willing to deal with right, but never felt like voting on what he did not understand. It appeared there was Coun Day said he had much pleasure in only one commissioner who laid out the road, reporting the general health good, and that while the law said there should be two. he had no bille, as a member of the Board of Moved Spike, seconded Tapley, in amend Health, to present, so that his worthy friend ment, That the bill be not entertained. Car-

Coun Brymer, give me a piece of chalk, Bill Sheriff Tibbits, \$21.00, half year's that I may make a wide mark, in token of salary as gaoler, and cleaning court house this being the first instance of the kind.

Moved Brymer, seconded Tweeddale, in On motion Robert Clyde was appointed

tor the purpose than others. He did not like bills paid here for similar work.
