If you raise wool, or work in wood of home, we wish to say a few plain words. while you give you attention. You pay for carding wool into rolls, six cents. You hire some one to spin at 25c. a day. They do two pounds, this costs you 12; cents a pound, then you beard them, it is worth 25c. a day making the spinning cost 25 cents per pound, besides the carding, 6 cents. Now we do all this for nine cents at the factory. Are you in that rut, we wish to help you out.

W. Woollen Mill is a saver of labor to the wives and daughters, as the mowing, raking and pitching machine save labor of husband and boys. We are taking wool at cash price in ex-change for Cloth, Yarn, Blankets, Flannel, Horse Blankets and Woollen goods.
