'I have great pleasure in testifying to the fact that Paire's Celery Compound has caused a remarkable change in my condition. I was troubled with a very bad type of E-zems on my face, and in patches over my body for four years; and was under treatment of three doctors at different periods. I have also tried other remedies, but all proyed useless. At last I bought a botfle of Paine's Celery Compound, and put in Iodine of Potassium, as recommended on the label. The one bottle did me so much good that I bought five bottles more, and now am happy to say I am perfectly gured, and completely free from the roublesome disease.'
