Miscellaneous.

"George, dear," said the girl, "do you ever dream anything?"
"Yes, occasionally," George reluctantly admitted.
"But, dear, she went on, anxiously, what do you suppose I might say if I should discover that the future husband of my only daughter dream?"
"He discovered it this morning."
"O George, and what did he say?"
"He said, 'Well, George, my boy, I don't care if I do.'"

There is a very clever small girl in England who reasons out a great many things for herself, and who cannot be deceived, as many other small girls are, by things that are told them for fun. Having been told by one of her aunts that the moon was made of green cheese, she immediately sought out her grandfather, to whom she said:
"Aunt J., says the moon's made of green cheese, but I don't believe it."
Mr. Hopperly—What? You only 16, Madge? You look older than that.
Madge—I know it. But I can't tell that I'm 21, can I, when my big sister is sticking at that age and everybody knows we ain't twins?
"Yes," said the physician, "he's dead, poor fellow. His heart has ceased to beat. That last statement attests it," said he, "and if there's anything about Slippy Pete that has ceased to beat, he certainly is dead."

Mrs. Hicks—I caught Mrs. Dix in a lie, to-day.
Hicks—What?
Mrs. Hicks—She said her husband got up in the morning and boiled the fire.

What Am I to Do?
The symptoms of Biliousness are unhappy but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, also, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.
The digestive system is wholly out of order and Diarrhoea or Constipation may be a symptom of the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if first efforts cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

Landlady—Why didn't you ring the dinner-bell, Minna?
Servant-maid—I couldn't find it, ma'am.
Landlady—I told you it was hanging in the hall.
Servant-maid—Excuse me, ma'am, you told me only this morning that it was the breakfast-bell.

For Over Fifty Years,
Mrs. Winslow's *SOOTHING SYRUP* has been used by millions of mothers for their children's colic, wind, and all the other troubles that come from indigestion. It is a safe and reliable remedy, and gives tone and energy to the whole system. Mrs. Winslow's *SOOTHING SYRUP* for children is the best remedy for colic, wind, and all the other troubles that come from indigestion. It is a safe and reliable remedy, and gives tone and energy to the whole system.

Stern Father—I don't believe that young fellow that is calling on Ethel has much business judgment.
Kind Mother—Why, John! Didn't I hear this very afternoon that not less than three judgments were taken against him?
He seems to have any amount of them.

I WAS CURED OF Acute Bronchitis by MINARD'S LINIMENT. J. M. CAMPBELL, Bay of Islands.
I WAS CURED OF Neuralgia by MINARD'S LINIMENT. SPRINGFIELD, N. B. W. DANIELS.
I WAS CURED OF Chronic Rheumatism by MINARD'S LINIMENT. ALBERT CO., N. B. GEORGE TINGLET.

A little thing, but me, oh, my, it made me see stars in the sky. Most awful quick. I touched the thing with my boot heel. It was a small banana peel. But oh, so slick!

TWO OPERATIONS. BOTH FAILURES.
A Case of Kidney Disease that Would Not Yield to Surgery or Medicine until B. B. was Tried.
GENTLEMEN—After having undergone two operations for a kidney complaint without securing lasting relief, I was advised by a friend to try B. B. I was given up by the doctors after the operations, and it was providential that I heard of B. B. After the use of six bottles I experienced so great relief and so good a change for the better that I felt no good if it would be lasting, as indeed they have been. The seventh bottle perfectly cured me, and I am now stronger and better than I ever was before. People say that B. B. is a fake, but I and who see me now can testify that I am the same person.
FANNIE RICHMOND, Quebec, Que.

Little Miss Mogg—'I've got a bicycle, and you haven't.'
Little Miss Freckles—Yes, and now everybody knows you wear darned stockin's.

"Gift Enterprises"
Seem to be all the rage in the Soap Business, owing to the fact of many manufacturers of getting something out of nothing if possible. Grocers get a box for 5¢ of one kind, and are offered all sorts of "Black Boxes" with others, and an advertisement to recommend such boxes to their trade. It is a well-known fact, however, that a genuine article in the way of cheap soap is a rare commodity. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

She—And am I, really and truly, the only woman you ever loved.
He—Well, Sylvia, no; but I hope you won't have any feelings of jealousy towards my maternal grandmother.

Relief in Six Hours.
Distressing Kidney and Bladder diseases relieved in six hours by the "New Great South American Kidney Cure." This new remedy is a great surprise and delight to physicians on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part. The urinary passages in male or female, relieve relief of pain, and pain is passing off, it is most immediate. The relief is quick and sure this is your remedy. S. J. McDougall, Druggist.

Little Willie—Are you tongue-tied?
Featherston—Of course not, Willie. What makes you think so?
Willie—Sister says she has been waiting for months for you to speak.

Winter Goods, consisting of men's Fur Coats, Robes, Ulsters, Caps, Mitts, Gloves, etc. below cost, at B. B. Master's.

Aunt Miranda—Them society folks scandalized me so that I couldn't stop no longer. Why, in the morning the women show one-half themselves at the beach, and then they show down to where they left off, in the evening.

For Worms in Children—Cherokee Vermifuge.
A few Sundays ago a clergyman in Ireland made the following announcement: "Next Sunday, in this church, Rev. Mr. will renounce the errors of Rome for those of Protestantism."

Approx of the fascination of a girl, I heard the other day of a Scotchman, a retired minister of the kirk, who was exploring the tendency of the came to become a ruling passion and also to induce bad language. "In fact," he said, "I had to give it up for that reason." "Give up," exclaimed his friend, "N," said his reverend, "the ministry."
