## A Very Notable Event.

When anything Canadian beats the world it becomes every-day talk everywhere. A very notable event in this way is now being recorde i. The Family Herald and Weekly Star of Montreal, always a great paper, has shot away ahead of even all the great American and English Weekliss and has become perhaps one of the most striking successes of the age. The Family Herald and Weekly Star has been increased to one hundred and twenty eight columns, which will equal a hundred good sized volumes in a year. And such magnificent contents. First of all the Family Herald and Weekly Star is a great news- sure and call on Hagh Hay & Son. paper; it is a great authority on all farm and dairy matters and is new preferred by great cheese and butter makers and stock breeders A very pretty wedding took place on Bendings, science, storice, eketches, the Family Herald and Weekly Star, root Montreal, singly towers over everything of its kind One thing certain, every person should see the Family Herald and Weekly Star even if it is to see what can be produced every week for a doller a year, to say nothing of the great premium picture which we hear is coming with the Family Herald this season. We understand the publishers of the Family Herald and Weekly Star, Montreal, will make no charge for sending sample papers to those who do not know it. Those who know say tens of thousands of people are now sol, send and an expectation of the programme will be presented, consisting of the programme was well rendered and consisted of piano duet by Miss Mand Wright and Miss Mand Dibblee, piano solo by M out. Canadians and Americans, too, know a good thing. Certainly, the Family Herald the largest assortment and greatest value in the physical exercises.

"A NEW WRINKLE." What is Sponge Crepon?

This question has frequently been asked. SPONGE CREPON is the Ideal Interlining, and is pronounced the BEST ARTICLE for the purpose that is manufactured, and no matter to what crushing it is subjected, it shaken out it will at once regain its former shape. It keeps the puffed sleeves and fi are skirts in shape, and will be used altogether for an Interlining as the puffed sleeves and five skirts in shape. terlining as long as fashion decrees the present eleeves and skirts.
